

Today in the Quad-Cities

Marijuana bags nabbed

Five plastic trash bags containing an estimated 100 pounds of marijuana were seized as evidence by Granite City police at a home in the 3200 block of Killarney Drive at 5:45 p.m. Tuesday and police later arrested one youth and charged him with a felony count of possession of cannabis.

Arrested was Robert Tuft, 17, an occupant of that apartment. A 20-year-old man arrested with Tuft was charged, but the charge later was dropped and he was released.

Police said a relative of Tuft invited officers into the home.

Charity days this weekend

The annual Charity Days observance held each year in September for the benefit of area organizations as a fund-raising project sponsored by the Merchants Association of Nameoki Village Shopping Center, will take place today, Friday and Saturday.

A total of 26 booths will be set up for 26 clubs along the walkway from Gasens Drug Store to Grant City, and will feature two tables per booth to display a variety of items offered for sale.

Area residents are invited to visit the exhibitions from 9 a.m. until 5 p.m. each day.

Many of the groups will have Christmas articles and gifts, homemade baked pastries, white elephant gifts, handicraft items and food for sale. Informational material will be presented by several clubs.

Organizations who have

Grassroots Government

Chouteau Town Board 7 p.m. Monday, Sept. 22, at 825 Thurgate Drive.

Nameoki Town Board 7 p.m. Monday, Sept. 22, at 4250 Highway 162.

Granite City Council 8 p.m. Monday, Sept. 22, at GC City Hall.

State lottery

Numbers in the Illinois state lottery will be selected at Chicago tonight. Those for the Super Bowl game will be chosen Friday. Both sets of numbers will be published in Monday's edition of the Press-Record.

Bicentennial parade, dances and displays here

The drums of parade units celebrating America's 200th birthday are still far away. But Quad-Cityans are listening to the distant sound and are becoming heavily involved in Bicentennial planning, aware that less than ten months remain before the July 4, 1976, milestone.

The mid-September Masquers' production of "South Pacific" was the first local Bicentennial event, and the next will be East Bank Players' Halloween play, "Dracula, Baby," in late October.

A variety of events will be scheduled, and three of the biggest activities will be: the Granite City kickoff event, a costume ball in January 1976; a Quad-City area Bicentennial parade at 10 a.m. July 3; and Quad-City mayors' ball to close the 1976 observance in December 1976.

Among groups looking ahead to commemorating the "spirit of '76" is the Granite City Bicentennial Commission, headed by Louis Whittell, Nameoki Township supervisor and a member of the Madison County Board; heads the Madison County Bicentennial Commission, which has decided to focus the county celebration on two themes—Heritage '76 (the past) and Horizons '76 (the future).

Many municipalities around Madison County have advised the County Bicentennial Commission that their emphasis will be on "Festival, U.S.A.," spotlighting the present era and attracting visitors through special programs.

The county's Heritage observance will seek to present historical perspective and encourage residents to "re-examine our origins, take pride in our accomplishments and dramatize our development."

Horizons '76 is described as "a challenge to undertake at least one principal project which manifests the pride, the priorities and the hopes of our county—to improve the quality of life with a project that will be a lasting reminder."

Park could follow Madison school vote

If Madison School District voters approve construction of a new junior high school at Caine Drive and Farish Street in a special election Saturday, Sept. 27, improvements in the area of two other schools are likely, officials said today.

The present Madison Junior High School on Third Street, a former high school, is expected to be removed with the area possibly converted into a park.

Also demolished will be the older portion of Dunbar School, where the possibility of park-recreational usage also is to be explored. The newer part of Dunbar may be retained and used for either school-related or general civic purposes, it was explained.

Balloting will take place from noon to 7 p.m. Sept. 27 at Harris and Blair grade schools on the question:

"Shall the Board of Education of Community Unit School District No. 12, Madison County, Ill., purchase land for a school site in the Stephen Maers Industrial Park and build and equip a new middle school building for grades 6, 7 and 8 thereon, and to pay part of the cost thereof—issue bonds of said school district to the amount of \$800,000?"

School authorities have pledged that the 15-year bond issue would be arranged so that no bonds would be retired in the first three years, during which existing bond debt is to be retired. They foresee no increase in the current level of spending for school bonds and interest.

The site is three blocks north of Madison High School.

The new junior high school would be built on the eastern end of the lot-acre tract, facing Caine Drive near present light industrial buildings. Athletic fields would be located in the area of the campus nearest Farish.

OPEN DRAINAGE DITCH which ends in the yard of David Cremons, 10 Snowbird Lane, fills with water after each rain and when the water sinks into the ground leaves dead fish, trash, sewage and debris along the path

of the 300-foot-long ditch. This view is looking west with Cremons' house at the upper right. Nameoki Township officials say they would like to correct the problem but are under a court injunction not to change the drainage in that area.

Setback on truck route

By HARRY BARNES
Press-Record Staff Writer

Federal funding that would have financed enlargement of the intersection and installation of traffic control lights at 18th Street and Madison Avenue has been lost to Granite City.

The truck route extends from Madison Avenue to Benton Street, over Benton to Niedringhaus Avenue and via Niedringhaus to FA Route 151 (The Great River Road), thus removing truck traffic from 19th Street, Niedringhaus and other business district thoroughfares.

Installation of traffic control signals at 18th and Madison with left-turn lights, were considered key factors in the successful operation of a truck route established by the city in an effort to take heavy truck traffic out of the downtown area.

The truck route extends from Madison Avenue to Benton Street, over Benton to Niedringhaus Avenue and via Niedringhaus to FA Route 151 (The Great River Road), thus removing truck traffic from 19th Street, Niedringhaus and other business district thoroughfares.

Problem on ditch

An open drainage ditch which deadens on private property is a problem which Nameoki Township officials say they would like to solve, but are under a court injunction which prohibits them assisting.

A 300-foot-long ditch ends beside the home of David Cremons, 10 Snowbird Lane, in the Parkway Estates area, and fills with water up to about two feet deep every time it rains. When the water is absorbed into the ground, sewage, trash, dead fish and debris are left in the channel.

Cremons has appealed to the Nameoki Township Board of Auditors several times for relief, but the town board members feel a May court order by Judge Moses Harrison prohibits them from assisting.

Harrison ruled that the township may not cause any more water to flow to the east since the water is flooding farm land east of the Alton & Southern Railroad tracks.

He further ordered Nameoki Highway Commissioner Albert Bell to remove a culvert under the tracks near Stratford Lane and to restore the land to its original elevation.

Bell is appealing that order, contending if the work was done, Parkway Estates and

(Continued on page 4)

May duplicate center

The Madison County Mental Health (708) Board has given Specialized Services Inc., which operates a sheltered workshop in Madison, a warning that more supervision and more work are needed at the workshop.

The board trimmed the 1975-76 budget request of Specialized Services from \$140,000 to \$163,310 for all its operations in the county, while setting aside \$30,000 to possibly assist the Organization for the Advancement of the Handicapped (OATH) in developing a similar program.

OATH presently owns and has remodeled a building at 612 State St., which it leases to Specialized Services for the workshop program. If OATH uses Specialized to run the center itself, Specialized proposes to continue local services but the 708 stand may complicate that plan.

There have been degrees of friction between OATH and Specialized Services on how the local program should be run. Some in OATH have proposed a greenhouse in the Mitchell area to help provide jobs for the handicapped.

The 708 Board has reacted negatively, saying seven-tenths of an acre of land was involved and that costs may total \$45,000.

Ralph Yerm, 708 president, suggested at the mid-September 708 session that portable greenhouse be erected behind the present sheltered

\$8 million levy

The largest single financial document enacted by Quad-City area taxing bodies each year was approved at Tuesday night's meeting of the Granite City Board of Education.

A board resolution set in motion four 1975 tax levies (1976 collection)—\$5,737,500 for education, \$843,750 for operations, building and maintenance, \$562,500 for employee retirement and \$270,000 for transportation.

Adding these to a \$952,245 bond and interest tax levied promulgated by the county clerk, the aggregate Granite City community unit school district 1975-76 levy is \$8,365,995.

The scheduled 1974-75 levy (Continued on Page 4)

Debate piggyback yard

By WALTER STRANGE
Press-Record Staff Writer

A delegation of six Main street residents attended the Venice City Council Tuesday evening to protest alleged destruction of private property, dangerous driving habits and noise reportedly being caused by employees of the Illinois Central Gulf Railroad working on construction of a piggyback yard south of the bridge on Main street and by heavy trucks in the area.

The railroad is converting its old switch yard into a piggyback yard for large trucks operating between St. Louis and Chicago. Construction of an environmental treatment plant for diesel oil also is planned in the near future, according to a railroad spokesman.

One resident remarked, "Those trucks travel at a high rate of speed like they were drag racing. During shift changes Main street is like a drag strip. They are going to kill somebody one of these days the way they drive."

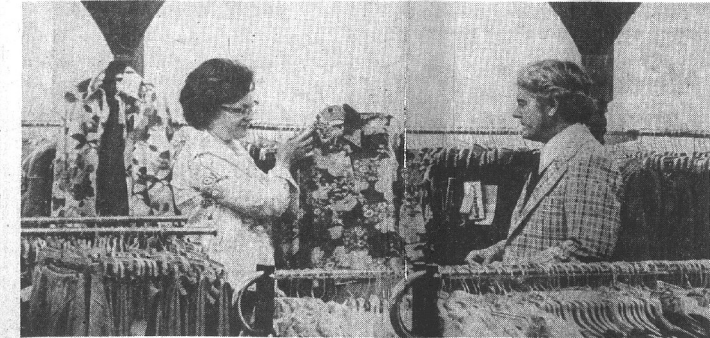

"The police can't be down there all the time, but something has to be done. This goes on 24 hours a day and no one can get any sleep with the noise those trucks make."

Another resident commented, "They push their dirt right on our property and stack their ties on our property. They park their equipment on our property and drive their heavy equipment right on our property. They act like they own the whole Main Street area."

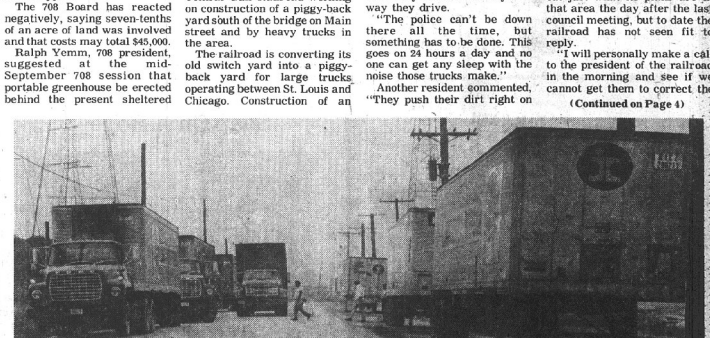

Mayor William M. Ebersohlt told the delegation, "Our city clerk wrote the railroad to find out just what its plans are in that area the day after the last council meeting, but to date the railroad has not seen fit to reply."

"I will personally make a call to the president of the railroad in the morning and see if we cannot get them to correct the

(Continued on Page 4)

GRAND OPENING FRIDAY. The Tops 'N' Bottoms Shop has moved into large quarters at 1343 Nineteenth St. and will celebrate its opening tomorrow from 9:30 a.m. until 8:30 p.m. The store, which features sports wear for misses and juniors, moved next door to its previous location. Mrs. Judy Stille and her husband, Elmer Stille, owners of the store, have been busy this week getting the new quarters ready for the opening. Hudson Jewelry, 19th and State Streets, also will enlarge by adding the building vacated by the Tops 'N' Bottoms Store.

OBJECTS OF CONTROVERSY. Residents in the 600 block of Main Street, Venice, charged at a meeting of the Venice City Council Tuesday night that heavy trucks operating on Main Street near a 'piggyback' yard being constructed by Illinois Central Gulf Railroad may be creating a safety hazard, are noisy during late night and early morning hours and frequently block driveways and drive on private property.

MARRIED. Mr. and Mrs. Jeffrey N. Hogenmiller who were married at Green Trails Methodist Church, St. Louis. Formerly Miss Linda Kay Singer, the bride is a daughter of Mr. and Mrs. Joseph E. Singer of St. Louis, former Granite Cityans.

Linda Kay Singer weds Jeffrey Hogenmiller

The wedding of Miss Linda Kay Singer, a daughter of Mr. and Mrs. Joseph E. Singer of St. Louis, formerly of Granite City, and Jeffrey N. Hogenmiller, a son of Mr. and Mrs. Joseph J. Hogenmiller of Crystal City, Mo., was solemnized on Sept. 6 at the Green Trails Methodist Church, St. Louis.

Candlelight illuminated the sanctuary for the 7 p.m. double-ring ceremony performed by the Rev. Ivan Laturao.

Escorted down the white-carpeted aisle by her father, the former Miss Singer wore a long white sheer gown delicately trimmed in Venice lace. The fitted bodice was fashioned with a semi-scoop neckline and triple ruffle collar and the empire waist was defined with a band of satin edged in lace.

Her full skirt extended into a chapel train and was embellished with lace appliques.

A lace Juliet cap held in place her lace-accented fingertip veil and she held a cascade of white roses and carnations interspersed with baby's breath.

Attending the bride were Miss Lynn Jacobsmeyer, Mrs. Alice Doerr and Mrs. Jan Hoss.

They selected long, knif empire-styled gowns in blue, yellow and pink hues, featuring scoop necklines and caplet sleeves, complemented with ripple brim picture hats.

Each held a bouquet of blue, yellow and pink daisies.

A powder-blue frock identical to the attendants was worn by the flower girl, Debbie Drissell, a cousin of the groom.

Steven Mounce, a cousin of the bride, was the ringbearer.

Fred Moore served as best man, Greg Lashley, Joe Rice, Mike Mounce, Rick Kuehl, Tom Foote, Jerry Hunter, Randy Washburn and Bob Shaner completed the corps of groomsmen and ushers.

For her daughter's wedding, Mrs. Singer appeared in a long coral chiffon dress with matching accessories.

The groom's mother, Mrs. Hogenmiller, chose a formal-length, mint green chiffon gown with accessories in a matching shade.

A reception was held at the American Legion Goff Mall Post 101 and the rehearsal dinner was at Heritage House, St. Louis.

After a wedding trip to Florida, the newlyweds, will reside in St. Louis.

A 1970 graduate of Granite City High School, the bride also graduated from Meramec Valley Junior College. She is currently employed at Mallinckrodt Chemical Co.

The groom was graduated in 1969 from Crystal City High School and in 1970 from Central Methodist College, Fayette, Mo., where he earned a bachelor of arts degree in chemistry. He also works at the St. Louis plant.

MR. AND MRS. ALAN GREGORY MYERS. They exchanged wedding vows in an afternoon ceremony at the Seven Holy Founders Church in Affton, Mo. The former Debra Annella Bogle, the bride is a daughter of Mrs. JoAnn Bogle of Worden, Ill., formerly of Granite City.

Debra A. Bogle married in afternoon ceremony

Miss Debra Annella Bogle, a daughter of Mrs. JoAnn Bogle, Rural Route One, Worden, Ill., formerly of Granite City, became the bride of Alan Gregory Myers, a son of Mr. and Mrs. Aloysius Myers of Affton, Mo., on Sept. 6 at the Seven Holy Founders Church in Affton.

Organist Miss Linda Hogan accompanied the soloist, Richard Bridwell. Nuptial selections included "Wedding Song," "Pans Angelicus," "Ave Maria" and The Lord's Prayer.

Yellow roses, peach carnations and baby's breath, trimmed with peach satin ribbons, were used in tall urns, while clusters of white stephanotis and white roses marked the pews to provide the setting for the double ring ceremony, performed at 1:30 in the afternoon by Father Matthew Ford.

The bride was escorted to the altar by her grandfather, Joseph Schuber. She wore a gown of champagne silk organza over silk designed with an empire bodice and softly flowing skirt.

Scalloped lace trimmed the high round neckline, formed the cuffs of the full-length lace sleeves and edged the chapel train.

She wore a hooded veil of silk bridal illusion accented with matching lace and held a cascade of gladioli, roses, baby's breath and ivy, festooned with lace ribbons.

Honor attendant Miss Beverly Jackson and bridesmaids Misses Christine and Denise Schuber, cousins of the bride, and Miss Renee Myers, a sister of the groom, wore identically styled gowns in peach silk.

Their sleeveless dresses were made with high ruffled necklines and crescent waists and were worn with long sleeve jackets.

Each held a bouquet of peach carnations, baby's breath, bronze daisies, yellow roses, ivy and leather leaf. They wore fresh flower headbands in their hair.

The flower girls, Beth Ann Hatman, a niece of the groom, and Michelle Schuber, the bride's cousin, wore frocks identical to the adult attendants.

Douglas Hartman, the groom's nephew, served as ringbearer.

Attending the groom as best man was Timothy Cannon. Groomsmen included John Merle, Kurt Bogle, a brother of the bride, James Lasterni, Robert Jackson.

Seating the guests were Eric, Karl and Ross Bogle, brothers of the bride.

For her daughter's wedding,

BETROTHED. Sandra K. Greene and Kenneth E. McDowell, whose engagement is being announced by her parents, Mr. and Mrs. Carl Allen of Edwardsville. An Oct. 11 wedding is planned.

Sandra Greene is bride-elect

Mr. and Mrs. Carl Allen of Edwardsville are announcing the engagement of their daughter, Sandra K. Greene, 1932 Rhodes St., Madison, and Kenneth E. McDowell.

The prospective groom is a son of Mr. and Mrs. Kenneth McDowell, 2040 Milan St., Madison. A graduate of Madison High School, he is now

employed as a machinist at the Magna Visual Association, St. Louis.

Miss Greene attended Madison schools.

Plans are being completed by the engaged couple and their families for an Oct. 11 wedding at the First Baptist Church in Venice.

Evangelistic services to start

With the approach of harvest-time, Pontoon Beach Church of Christ is preparing for a series of evangelistic meetings, scheduled to begin Monday and continue until Friday, Sept. 26.

Glen Liston, minister of the Brazil Christian Church in Brazil, near Terre Haute, Ind., will be the speaker at the services, to be held at 7:30 each evening.

The song evangelist will be Tom Ellsworth, a sophomore at St. Louis Christian College and youth minister at the Ferguson Christian Church, Ferguson, Mo. Music will feature Ellsworth and singing groups from St. Louis Christian College.

The Rev. Jack Kelley, pastor of Pontoon Beach Church of Christ, located at 4339 Pontoon

Road, has extended an invitation to the public to attend.

Widely known in the Terre Haute area as an impressive speaker, the Rev. Liston has addressed more than 76 crusades since his graduation from Cincinnati (Ohio) Bible Seminary in 1962.

He has served as minister at the Brazil church for the past four years and his church has averaged three additional members each week.

The Rev. Liston serves on the board of directors of the Alexander Christian Foundation and with the Advisory Board of Indiana State University Men's Fellowship. He also is a member of the North American Christian Convention 120 Committee.

Outing for Presbyterian youth

A winner roast and boating were among the activities held this week for members of the Junior and Senior High Fellowship groups of First United Presbyterian Church in Granite City.

The young people were entertained at the home of Mrs. Fannie Brockus of Edwardsville, who serves as a youth group sponsor. Twenty-two at-

tended.

Volleyball was played and a choir rehearsal was held during the afternoon hours. Both groups elected officers to head their respective organizations in 1975.

Named by the Senior High group were: Bob DeCourcy, president; Laura Guenther, vice-president; Mary Livingston, secretary; and Jennifer Vaughn, treasurer.

The Junior High Fellowship elected: Laura Guenther, president; and Susan Jeffries, treasurer.

Other youth sponsors attending the event were Dr. and Mrs. David B. Maxton, the Rev. Bob Landis, Mrs. Carolyn Thornburg, Mrs. Lucille Bush and Mrs. Sandra DeMoulin.

MR. AND MRS. CARL PONCE, 1221 Oriole St., Venice, who observed their golden wedding anniversary at a family dinner party held at Charlie's Restaurant.

Mr. and Mrs. Carl Ponce mark 50th anniversary

Mr. and Mrs. Carl Ponce, 1221 Oriole St., Venice, celebrated their golden wedding anniversary on Sunday at a family dinner party.

Mr. Ponce and his wife, the former Rose Svezia, were married at St. Mark's Church in Venice on Sept. 12, 1925.

In observance of their 50th anniversary, Father John O'Connell of St. Mark's Catholic Church officiated at a 5:30 commemorative mass where the couple renewed their wedding vows and exchanged rings.

Following the mass, a buffet dinner was served to members of the family and the original wedding party at Charlie's Restaurant.

They have three sons, Peter Ponce of Venice, Joe Ponce of Florissant, Mo., and Edward Ponce of Glen Carbon, and three daughters, Mrs. Bill (Tillie) McGarrahan, Mrs. Mickey (Annette) Daniels and Mrs. Richard (Rosemary) Paterson, all of Venice. Mr. and Mrs. Ponce have 13 grandchildren and one great-grandchild.

Mr. Ponce retired in 1958 from the ART and Missouri-Pacific Railroad after 31 years of service. He was employed six years by the Venice Park District and has since retired.

Those attending were Mr. and Mrs. Ted Geffert and sons, Duane and Dale, Mr. and Mrs. Harold Siebert, Mrs. Angie Shambro, Mrs. Mary Mangiaracino, Mrs. Angie Maniaci, Mr. and Mrs. Bill McGarrahan and daughters

Joan, Janet, and Mary Beth, Mr. and Mrs. Tony Gucciardo, Dave Nolan, Joe Papes, Pat Foley, Mr. and Mrs. Mickey Daniels and sons, Mike, Danny, and Terry, Mr. and Mrs. Tom McIntosh and son, Jason, Mr. and Mrs. Jim Dunn, Mr. and Mrs. Peter Ponce and children, Tim and Chris, Mr. and Mrs. Ed Ponce, Mr. and Mrs. Ed Ponce.

Mr. and Mrs. Richard Paterson and children, Linda and Eddie, Mr. and Mrs. Stanley Svezia, Mr. and Mrs. John Svezia and daughters, Jean and Lynn, Mrs. Agnes Shambro and son, Jim, Mr. and Mrs. Hank Svezia and daughter, Elaine, Mrs. Mary Ann Ponce, Mr. and Mrs. Mary, Mrs. Mamie Ponce, Mrs. Lena Ponce, Mr. and Mrs. Tony Svezia and son, Danny, Mr. and Mrs. Nado Scaturro, Father John O'Connell, Father Terry Shea.

St. Margaret Mary to host dinner

The annual family-style chicken dinner sponsored by St. Margaret Mary Catholic Church, 1960 St. Clair Ave., will be held from 11 a.m. to 7 p.m. Sunday, according to Charles Mudd and Leonard Guth, co-chairmen.

Open to the public, the dinner menu includes fried chicken, dressing, noodles and giblets, mashed potatoes, green beans, slaw and homemade cakes and pies.

Cost of the dinner is \$2.75 for adults and \$1.25 for children.

MISS GALE LYNN FETT whose parents, Mr. and Mrs. Fred G. Fett of Granite City, are announcing her engagement to Anthony C. Wiehardt, a February wedding is planned.

Aid to Retarded to meet Monday

Mary Reimann, a field representative for the Illinois Association for Aid to Retarded, will speak at 7:30 p.m. Monday at the Granite City association's business meeting and program.

The group meets on the fourth Monday of each month at St. John United Church of Christ, 2801 Namecki Road. All meetings are open to the public.

Mrs. Reimann will review the latest developments in state programs and the current status of proposed projects to help the retarded citizen, Mrs. Audrey Lewis of the local chapter said today.

Wiehardt-Fett engagement

Plans for a February wedding were disclosed, with the announcement of the engagement of Miss Gale Lynn Fett and Anthony C. Wiehardt by the bride-to-be's parents, Mr. and Mrs. Fred G. Fett of Granite City.

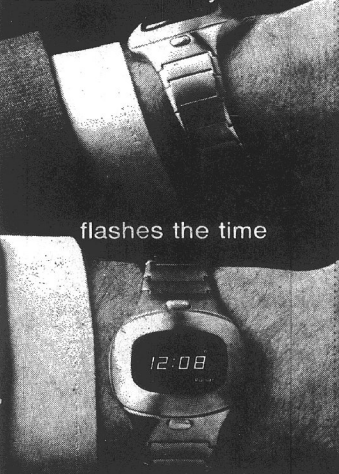

Parents of the prospective groom, Mr. and Mrs. Anthony Wiehardt, also reside in Granite City.

Miss Fett graduated in 1971 from Granite City High School and received a B.S. degree in education from Eastern Illinois University. She is a member of Alpha Sigma Alpha social sorority.

The groom-elect was graduated in 1969 from South High School and is presently attending Belleville Area College. He also is employed at American Steel Foundries.

Women of Moose honor committee

Special honors were accorded the publicity committee by Women of the Moose, Chapter 247, who voted the group committee of the month at its meeting last week at the Moose Lodge.

During the session, Mary, Sally and Judith Basarich were enrolled as new members and welcomed by Mrs. Margaret Peasey, publicity chairman.

Presiding at the business meeting was Mrs. Pat Allison, acting senior regent.

Opti-Mrs. resume meetings

The Noon-Day Opti-Mrs. Club finalized plans for its annual guest day observance, scheduled Oct. 20 at Central Christian Church during a luncheon meeting Tuesday at Charlie's Restaurant.

Officers and board members, Mesdames Dave Brooks, Douglas Little, Robert Brave, Lewis Frazar, Wallace Wyman and John Kirchoff, were hostesses for the first meeting of the new season.

Mrs. Dale Arnette gave the invocation and Mrs. Brave led the club creed.

Roll call was answered by 30 members and one guest, Mrs. Floyd Mitchell, a former member who renewed her membership.

Mrs. Brooks, president, conducted the business discussions.

A white elephant sale was conducted after the meeting and games were played, with prizes going to Mesdames Iry Todd, Marge O'Neill, Floyd Mitchell and Fred Werner.

Debate

(Continued from Page 1)

"In the meantime, I will have our police keep a close watch on the area, particularly during shift changes, and if they are speeding we will arrest them. The residents also raised questions about high weeds on the curve on Main street and Mayor Ebersold told them that although that was state property, he would ask the city street department to cut the weeds and spray the area again for insects."

Setback

(Continued from Page 1)

Monroe Brewer, city engineer, told the council that the city "ran into difficulty" in obtaining two pieces of right-of-way needed to enlarge the intersection on both corners where 18th Street intersects Madison Avenue. He said owners of the two properties declined to sign waivers of easement which would have made it necessary to conduct public hearings on the easement acquisition, a time-consuming procedure.

"We were aware of the June 30 deadline for official acceptance (by council action) of the improvement project, but continued working on it because such deadlines have been overlooked by state officials in some previous projects," Brewer said.

The city engineer also told the council that deletion of the project from the DOT list does not necessarily mean that the project is dead.

"There are other avenues of funding which we are approaching for this particular work," he said.

Marijuana

(Continued from Page 1)

where she showed officers two green trash bags about half full of dried marijuana.

"She also took them to an attached garage where three more half-full bags were found, containing wet green marijuana."

While officers were at the house, the woman received a telephone call, indicating Tuft and the other men were on their way to the apartment.

Police parked one block away and watched as a car stopped in the driveway and two youths went into the house.

Officers were stationed in front and in back of the house when it allegedly one man came out and started to walk to the rear of the house where he was stopped. Tuft was arrested inside.

MOBILE HOME BURNS

Fire did an estimated \$8,000

damage to the mobile home of

Mr. and Mrs. Larry Lamb, 11

Holiday Mobile Homes Park, at

10:30 p.m. Tuesday. Long Lake

firemen answered the call and

were at the scene one hour and a

half. A fire department

spokesman reported the fire

was believed to have started in

the bedroom, but the cause was

unknown.

News notes

State Treasurer Alan Dixon

on Tuesday assailed Gov.

Daniel Walker for vetoing a bill

Dixon believes could have

saved millions of dollars for

local-level governments by

allowing them to market bonds

less expensively.

Walker said some aspects

of the proposed pooling of local

general obligation bond issues

in a single sales issue could be

unconstitutional. The governor

also said there was no proof that

interest costs would be lower.

An aide said this week that

Alabama Gov. George C. Wallace

will campaign for the Demo-

cratic Presidential

nomination in the Illinois

primary and all other primaries

with the possible exception of

New Hampshire.

U. S. Transportation

Secretary William T. Coleman Jr.

said Wednesday he will be

neutral on the Alton dam

replacement issue until

receiving a study case by the

department of the project's

impact. Earlier comments by

officials indicated the dam's

replacement is sufficient

economic justification for

replacing the aging dam and

locks.

Encephalitis

count at 254

An 85-year-old Belleville man

is the latest probable case of

encephalitis in this area, a

spokesman of the Illinois

Department of Public Health

said this week.

The number of suspected,

probable and confirmed cases

in Illinois has climbed to 254,

including 131 in Downstate

Illinois, partially due to doctors

re-examining patients who have

been in the hospital several

weeks.

The numbers of each

classification for this year in

the state, with the downstate

figures in parentheses, are:

confirmed—73 (41), probable—

85 (41), and suspected—89 (49).

Oilers' big line awaiting Steelers

Granite City High School North will seek to make Wood River its third straight gridiron victim tomorrow in a 7:30 p.m. contest at Wood River.

A Steelers victory may depend greatly on how North's offensive line handles the Oilers' defensive front four, and whether North's defense can stop the aerial attack of Quarterback David Klaffer.

The Oilers have a highly regarded defensive line including: David Miner, 220-pound senior; Dennis Shaw, 220; and Miller twins, Bob and Bill, at 200 pounds each. Wood River also has a 200-pound linebacker, in Fred Clark.

Only one Steeler is in the 200-pound class, Junior Jim Shemwell, 205, a left tackle.

The other members of North's offensive line are: Senior Doug Meth, 180; Junior John Sands, 150; Junior Steve Morris, 165; Senior Scott Odum, 170; Senior David Kwiatkowski, 175; and Senior Larry Schleicher, 165 pounds.

"About the only way I can see to get around their defense," says North's Tom Wyrostek, "is through quick-hitting plays to offset their size."

"It's always tough to run a ball and try to jam it down the opposing team's throat," he adds. "But it's double-tough when you try to do that with a big weight difference in the line."

The North mentor believes the Oilers may be fired up for the contest after losing two

games in a row — 28-6 in a season opener to Edwardsville and 14-0 last weekend to Belknap. — "Especially since they now have their starting quarterback off the sick list."

Wood River's Klaffer, a 170-pound junior, will be starting for the first time tomorrow after having been ill for the past two weeks.

"Last year," notes Wyrostek, "Klaffer came in as quarterback and led the Oilers to five straight in their 5-4 overall season."

Klaffer, whose favorite target is an ex-quarterback turned fullback, Jim Powell, threw for six TD's in six games last season.

"We have now all of our players healthy now, too," Wyrostek related.

Senior Tackle Tom Stanford and Sophomore Linebacker Steve Hartline were both injured in North's 9-0 win last Friday over Collinsville—Stanford's thigh and Hartline's shoulder—but they have been reporting for practice this week and are apparently ready to play ball.

Does Wyrostek think his offensive unit can do the job? "Let's put it this way," he said. "We played basic football against Collinsville. Although we didn't generate a lot of offense, we put points on the board, and that's where it counts."

Now in its third season, North is undefeated in 1975 with a 25-7 scoring edge in its two games.

HARRIER STEELERS who lettered in cross-country last year at GCHS North will help lead the Steelers into action Saturday at the Edwardsville

BROTHER WARRIORS include Junior Randy Presswood at left and Senior Russ Presswood at right. There are three pairs of brothers on GCHS South's 1975 cross-country squad which is scheduled for an invitational meet this weekend.

invitational. North's lettermen are (from left) Seniors David Futch and Robin Tegel, Junior Don Lucy and Sophomore Mike Baker.

RELATIVELY SPEAKING, South High School's 1975 harriers have an unusually large number of relatives — three brother duos, to be exact. Left to right are Sophomore Ken Meagher and Senior Don Meagher.

South harriers defeat Kahoks

A home advantage was not enough to give the Collinsville cross-country runners a win against Granite City High School South Monday night as the Warriors tallied 50 points to 41 for the Kahoks.

Collinsville's Keith Martin led the pack on the 2.79 mile course in Woodland Park at Collinsville in 15 minutes and 26 seconds. Frank Holmes was second at 16:31, followed immediately by Russell Presswood in 16:30, Mike A. Cothran 16:22, Don Meagher 16:30, Randy Presswood 16:32, Glen Ahlers 17:06 and Ken Meagher 17:36, all of South.

The junior varsity squad ran without opposition for practice, James Dumont being the first to finish in 17:33, followed by Dave Buckwell, Lynn Decker, Bill Stackwell and Ken Rampton.

TRI-MOR BOWL

Warrior golfers defeat Cahokia

Coach Harry Lane's GCHS South golfers gained a 172-175 victory Monday afternoon at Arlington Golf Course over visiting Cahokia High School.

Ben Brown scored 41 over nine holes for the Warriors. Kevin Worster had 43 and Jay Federa and Bob Crawford, 44 each.

Lebanon golfers topple Steelers

GCHS North and Lebanon on Tuesday competed on par-36 holes at the Arlington Heights Golf Course in a meet which had been rained out last month. Lebanon topped the Steelers 169-177.

Lebanon's Harris was the medalist, scoring a 40, while three North golfers each tallied a 44—Bob and Dan Harper and Brian Winfield. Gary Eaker of North finished with 45.

YOUTH MOVEMENT on the Warrior cross-country varsity team includes these brothers, Glen Ahlers (left), a junior, and Freshman Scott Ahlers. They will compete with the team at Saturday's Edwardsville meet.

Approval was granted by the Granite City Board of Education Tuesday night for Belleville Area College to host two college soccer games at local high schools on Sept. 29 and Oct. 4.

2 Belleville College soccer games in GC

The first competition will be at 4 p.m. Monday, Sept. 29, at North High School between BAC and Principia College.

The second game will be at 11 a.m. Saturday, Oct. 4, at South High School, with BAC playing Forest Park Junior College.

Rob Feyerebad was medalist for Jerseyville, shooting a 40 for the day. Low for the Steelers was Dan Harper with 45, followed by Bob Harper at 45, Brian Winfield at 45 and Gary Eaker with 46.

Other Steelers in competition were: George Barz, Doug Kraus, Terry Page and Mike Cella.

Bubblemasters to hold club outing

The Bubblemasters Scuba Diving Club will hold its annual fish fry and picnic Sunday, starting at noon, at the home of Jack and Mary Lou Richardson near Edwardsville.

D. L. "Whitey" Morrison, president, said about 100 persons are expected to attend the event, which will conclude with games, a fish fry and a hayride.

Members are to provide a covered-dish food item and their own silverware. The club will furnish fish, soft drinks and other beverages.

Plans also are progressing for the Granite City diving club's annual awards banquet, Morrison said. The dinner is set for 6:30 p.m. Saturday, Nov. 1, at the Collinsville Holiday Inn.

8-stroke defeat at Jerseyville

GCHS North Steeler golfers were on the road Monday afternoon, playing at the Westview Golf Course, the home course for Jerseyville High School. The host school was victorious with 171 for the four low scorers while North tallied 179.

Rob Feyerebad was medalist for Jerseyville, shooting a 40 for the day. Low for the Steelers was Dan Harper with 45, followed by Bob Harper at 45, Brian Winfield at 45 and Gary Eaker with 46.

Other Steelers in competition were: George Barz, Doug Kraus, Terry Page and Mike Cella.

But there is no catching, or passing, the insurmountable 3,210 points garnered thus far by Wallace, making the latter the 1975 sportsman class title holder.

Mike Wallace's title, earned partially on seven feature race wins this season, matches that of his father, Russ, who has won the late model division's point championship here.

Bailey, of Granite City, is locked into a second-place point finish on the season, leading third-place driver Jack Yates of Granite City by 45 points going into the weekend.

Other than possibly winning the championship race money as a contingency award, the battle looms between four Granite City drivers as to who will emerge from the evening's program in third place in Jack Yates with 2,180 points, Kris Krohn with 2,175, Dean Aerne with 2,020 and Larry Yates with 1,965.

Jack Yates and Krohn will start the feature event sitting side-by-side in the second row, and Aerne and Larry Yates will occupy the third row.

Rounding out the 24-car field starting positions (with points given) will be:

Row four — Gary Wallace 1,800, Granite City; Les Gibson 1,310; five — Granite City; Chuck Milam 1,195, Greg McCall 1,135.

Six — Rick Woody 1,125, Tim Allen 1,090; seven — Jim Groceman 930, Steve Kraus of Pontiac Beach 995.

Eight — Bill Reid 880, Ernie Gielow 855; nine — Paul McGinn of Mitchell 645, Don Alfaro 550; ten — Rick Seay 500, Roy Waugh 490.

Eleven — Ken Keough 470, Royce Payton 435; and row 12 — Jan Gibbs 420, Ron Robbins of Granite City 335.

The championship event will be part of a program which will also include a complete late model stock car racing card.

Following Saturday's racing program, the sportsman class will complete again on Saturday, Sept. 27, when it shares the billing with a special super-sprint car program.

Late model division cars will not compete again until Saturday, Oct. 4, when promoter Ed Elmon presents a 15-lap open competition race, with many of the top drivers in the Midwest expected to attend.

Momentum goal as MHS nosts Central

"Our real test of having a successful season is now," says Madison's grid mentor, Al Vander Haar. "If we can get past Central's passing game and chalk up another victory, this team is going to be going places."

Madison's football Trojans host Central of St. Louis Saturday in a 2 p.m. contest at Trojan Field.

"Their (Central) defense is tough and utilizes a four-man front," the local coach says. "It is the same type of defense we've met thus far this season in losing 14-0 to Wentzville and in beating DeAndreis 20-14."

Vander Haar believes the Trojan ground attack should not be discounted, "but it looks like our game plan will include emphasis on quarterback Mike Woods' throwing arm and Receivers Dwight Chilers and Dailfred Haynes."

Woods, in two outings, has completed five passes in 29 attempts for a total of 117 yards. Against DeAndreis, he was hit by Haynes with a 33-yard TD play.

The 5-11 senior Woods is also noted for his scrambling, having netted 120 yards in 15 carries. He leads his team in

gains on the ground. Chilers has carried 24 times for 80 yards.

Madison has netted 352 yards rushing, thus far, for a combined two-game total of 469 yards.

"One of our main improvements over last year," comments Vander Haar, "is that against DeAndreis we did not fumble once, and our defense is clicking."

Madison's defenders held DeAndreis to a total of 72 yards rushing, and has held its two 1975 opponents to a total of 232 yards on the ground.

"We are working on pass defense now," he said. "Central works out of a pro-set with a split backfield, sending two wide receivers out, meaning our secondary has to be in the right areas at the right time."

Strong East St. Louis Lincoln defeated the St. Louis team 14-0 during the past weekend and in the second half of play held Central to six yards rushing and 25 yards passing.

"This season has been one of the best starts we've had in six years," gleams Vander Haar, "and if we can top Central we are headed up."

Capable Lancers to visit South Friday

Granite City High School varsity football Warriors play host at 8 p.m. tomorrow to the Lancers of Belleville East in an attempt to hand East its first loss of the season.

East is 2-0 after downing Belleville Altoft 7-6 and Charleston Mo. 42-6. GCHS South, gaining confidence after upending Riverview Gardens 14-6 last week following a 16-7 season-opening loss to GCHS North, will depend on its defensive line.

Sophomore Joe Boyd at 215 pounds, Junior Mark Hartman at 215, Junior Mark Naglich at 215 and Senior Jerry Patterson at 180 — to help stop East's running game, which is led by Fullback Rick Mauch.

Mauch last year rushed for 730 yards and earned 72 points in 10 touchdowns in helping the Lancers to a 7-2 season and second place in the South-Western Conference.

East's running game is complemented by the passing ability of Senior Quarterback Jeff McCarty, who last weekend

against Charleston completed 13 of 17 passes for 171 yards and four TD's, hitting Sophomores Doug Harris, Doug McCarty and split end Eric Marner.

Lancaster Coach Dean Renn believes that if an opposing team can "muscle up" and stop Mauch, McCarty's throwing arm can keep the defenders loose.

South, a 2-1-2 victim of East last year, also has the ability to move on the ground, having racked up 211 yards rushing in two contests as compared to its opponents' total of 200 yards.

Quarterback Bryan Bunjan, a 5-11 senior, has outthrown opposing passers, launching aerials for gains of 150 yards. South has held opposing teams to 128 yards in the air.

Bunjan, and cohort Keith Champion, have a good selection of receivers in Junior Frank Anderson, tight end Senior Frank Barncum, fullback, Senior Alan Benko, halfback, and Senior Joe Ward, wide receiver.

10 local entries in 24-car field here

partially on seven feature race wins this season, matches that of his father, Russ, who has won the late model division's point championship here.

Bailey, of Granite City, is locked into a second-place point finish on the season, leading third-place driver Jack Yates of Granite City by 45 points going into the weekend.

'Y' soccer program for men proposed

"The YMCA is calling all men to organize a soccer program for this fall," Harold Rudolph, executive director, said today. The plan is to have two groups of teams: players 18 to 29 in the young men's division, and players 30 and older in the men's division.

"If men are interested or if they want to send a team representative to organize the

program for this fall, the meeting will be held at 7:30 p.m. at the YMCA on Wednesday, Sept. 24," Rudolph said. Games will be played on Sundays—either in early morning or late afternoon.

Details will be worked at the organizational meeting on games, length of season, fees and rules of play.

8 schools in golfing scramble event here

Granite City High School North will host its first "invitational scramble" Saturday at the Arlington Heights Golf Course.

Eight schools will enter two teams of three players each for the competition, believed to be the first such scramble in Illinois high school competition. The scramble method has each player tee off and then determine which player on each team has the best fairway position. All three members of the team then take their second shot from that position.

The other team uses the best position of its three tee shots. The "best position" rule applies on each shot for every player through the final putting. Each team plays 18 holes, and several rounds below the

Arlington par of 72 are expected.

Teams in the competition are Centralia, Salem, Alton, Jerseyville, Highland, Wood River and Granite City High School North and South. Centralia and Alton may be slightly favored, but under the scramble method the final outcome could be surprising, some observers feel.

North will award medals to the top four teams in the competition and a large team trophy to the school with the lowest combined score.

The first group of six golfers will leave the first tee at 12:30 p.m. Saturday. The presentation of awards will immediately follow the last team's round.

Rascals gain 3 Tri-County wins

Three of the four Granite City Little Rascals boys' tackle football teams won this week in the second week of Tri-County Junior Football League competition.

At home, the Junior Pee Wee team scored with less than 30 seconds left in the game to win over the Belleville Little Devils, 8-6. Art Williams scampered 35 yards for the TD and then drove in for the winning extra points. The win gave the squad a 2-0 record.

In the second game, the midget North "B" squad's defensive play set up both Granite City touchdowns and held O'Fallon scoreless, 12-0. Defenseman Dave Hauptman and Quarterback Darren Depew scored for the local team, giving it a 1-1 record.

On the road, the Pee Wee team scored its second win, blanking the Edwardsville Little Bengals 8-0. Kenny Wilson scored on a 45-yard end run and Tim Cavins added the extra points.

At Belleville, the Midget Central squad suffered a second setback as its lost to the Devils 22-0.

COUGAR SOCCER players (white uniforms) Mark Moran (left) and Greg Makowski battle for the ball against the MacKenzie University team during Monday afternoon's 1-1 tie with the Brazilians.

Temperers high, score low as Cougars, Brazilians tie

More and more Americans are becoming aware that soccer is a highly emotional sport. In the last 15 years, soccer has grown by leaps and bounds and it is now the fastest growing U.S. collegiate sport. Its growth in high schools has been equally as great.

On Monday afternoon, as the Southern Illinois University-Edwardsville Cougars battled the MacKenzie University soccer team from Brazil to a 1-1 tie, tempers flared and fists flew in an exhibition game which meant nothing to the record of the host school, but apparently a great deal to the visitors from south of the equator.

Last year, MacKenzie had come calling at SIUE and the Cougars had trumped the visitors: 10-1 beating the Brazilians at what they thought was their exclusive national game.

This time, the visitors' honor was quickly evident to be at stake and the competition was hotly contested on each and every play.

Perhaps the fact that the Cougars felt that they might again have an easy time of it with the visitors was also a

factor in the bitterly physical exchanges—fisticuffs included—that marred the game and threatened to end it with about eight minutes remaining.

The Cougars scored first after 14:29 of play and the crowd of highly partisan SIUE fans settled back to enjoy the rout everyone had expected in the game. The only thing was, the Brazilians weren't buying that script.

With less than three minutes remaining in the first (45 minutes) half, MacKenzie tied it up on a goal by a player who wasn't in the starting lineup. Ron Ciopli.

The final 45 minutes degenerated into an exchange of bad plays by both teams as bitterness seemed to take over the desire to play good soccer.

It wasn't that the Cougars didn't have their chances; they out shot the visitors 40-12, with 27 of the shots coming in that final, fist-filled second half.

In the final 45 minutes, too, it was soon obvious that MacKenzie was going to be happy to settle for the tie, as SIUE's defense permitted only four shots (12 total for the game) on goal.

Most revealing of SIUE's

offensive edge were the corner kicks: the Cougars had 12 to only one for MacKenzie.

What is called important for the Cougar soccer fans to remember, though, is the fact that this year's MacKenzie team was vastly improved over last season's.

In their current tour, the visitors have done themselves proud. They tied Lewis College, 1-1; lost to the University of Illinois, Chicago Circle, 1-0; defeated small college soccer powerhouse, Wheaton College, 3-1; lost to Western Illinois U. 1-4; and romped over Greenville

College 9-0 and McKendree's Bears, 2-0.

What's even more important to worried SIUE fans is the future physical condition of the Cougars' freshman striker phenomenon, Greg Villa, whose ankle injury has slowed him to about 30 to 40 per cent of this potential.

His absence from the SIUE lineup proved crucial at Clemson last Friday, as it was

against MacKenzie.

Villa's scoring punch appeared to be sorely missed in both games. And it will surely hurt if he's not again at full strength as the Cougars travel to Akron this Saturday to play the Akron University Zips in another of the school's tough battles.

SIUE soccer fans will then see their team open its regular home season Saturday, Sept. 27, when always tough Rockhurst College of Kansas City comes calling to Cougar Field.

Steeler frosh outscore South eleven 32-14

Granite City High School North's freshman gridgers avenged the previous week's 6-0 loss to cross-town GCHS South at the Edwardsville football jamboree by defeating the Warriors, 32-14 during the weekend at North High School.

With a four-yard first-quarter touchdown dash into the end zone by Steeler Mitch Stenoff and a second-period 45-yard TD pass play from Quarterback Richard Awalt to Russ Chapell, North held a 12-8 margin at halftime.

South scored in the closing seconds of the first half on a 50-yard pass from Quarterback Mark DeGonia to Jeff Parker. Parker also provided a two-point conversion run. Sien and Roberto Cuevas gave the Steelers a 26-8 advantage in the third period. Each scored a touchdown and there was a two-point conversion by Cuevas.

North scored again in the final period when Bruce Lizzoff sprinted 60 yards down the sidelines to paydirt.

A rally by the freshman Warriors, with three minutes left in the game, resulted in a 10-yard touchdown pass play from Quarterback Ron Langford to Jeff Tretter.

against MacKenzie.

Villa's scoring punch appeared to be sorely missed in both games. And it will surely hurt if he's not again at full strength as the Cougars travel to Akron this Saturday to play the Akron University Zips in another of the school's tough battles.

SIUE soccer fans will then see their team open its regular home season Saturday, Sept. 27, when always tough Rockhurst College of Kansas City comes calling to Cougar Field.

BURGLARY DETERRENT plans have gone into effect in all Walgreen Drug Stores across the nation. Joseph V. Royer, director of loss prevention for Walgreen's, explains the new deterrent program, under which there is a \$1,000 reward for information leading to the arrest and conviction of anyone feloniously breaking into and entering a Walgreen store. A deal at each store will explain the program; law officers and private citizens are eligible. Royer commented, "Burglary is a fast-growing crime. We believe a reward will help alert the public about the seriousness of the problem and cause would-be burglars to think twice about attempting a break-in."

Inspector orders repair of two buildings on 19th

The future of a Downtown Granite City building may be in jeopardy, the Press-Record learned this week.

City Inspector Bob Kelly has posted notices on the corner building on the southeast corner of 19th Street and Delmar Avenue that the building is "unfit for human habitation" and must be repaired immediately or it will be razed.

Kelly and the building's owner, Al Frager, St. Louis, inspected the building Wednesday morning and Frager said he will contact his insurance company before making a determination whether to repair or demolish the building.

The building most recently housed the Factory Outlet Clothing Store and the East Side Drivers' Supply Co. The second floor has been vacant for a number of years.

A fire next door at Dorian's Clothing Store Aug. 13 did some damage to the building, causing it to be inspected. Kelly said he found sand and silt about three feet deep in the basement and feared it may have been caused by mortar between bricks, perhaps washed out by fire hoses.

Frager told the Press-Record yesterday that he has looked at the building to determine the "possibilities of reconstruction." He said that if the insurance settlement is adequate, he will repair or refurbish it.

"We are going to do whatever is good for the Downtown area," Frager added.

Kelly said that due to the close proximity of the Dorian's ruins, it is impossible to adequately inspect the east wall of the corner structure.

There are other deficiencies, including electrical and plumbing problems, which must be corrected before the building can be leased or occupied, Kelly ruled.

He said one wall appeared to be bulging outward slightly. "We will have to find out how that wall was constructed and how it is supported before we can determine the safety factor."

An upstairs front window and a skylight were broken at the corner building by firemen during the Dorian's fire and a west side window also is broken allowing rain to cause some damage to the upstairs, Kelly commented.

Kelly also has posted notice on a store at the southeast corner of Edison Avenue and 19th Street, presently owned by Arthur Enterprises, that it is unfit for use.

Kelly said the roof is leaking, portions of the overhang fell onto the sidewalk and there seem to be electrical problems. The building at one time housed P. N. Hirsch Co., which has moved into another Downtown location.

The building inspector said his department is attempting to visually inspect all Downtown structures, and that most owners have cooperated with his suggestions to improve the buildings.

He noted that the former Graham's Book Store building at Delmar and Niedringhaus Avenues has been tuckedpointed and sandblasted and a building housing Economy Floor coverings will soon be tuckedpointed and cleaned.

He said all of the top facings in the Downtown area have been inspected and, with few exceptions, all necessary repairs have been made.

More births, fewer deaths during August

An increase in the number of births in the Quad City area during August, but a decrease in the number of deaths, was shown in a vital statistics report by City Clerk Robert Stevens this week.

The report showed a total of 98 births during the month, up from 77 during the month of July, and a total of 21 deaths, a decrease from 37 during July. There was one fetal death during August, down from two during the previous month.

The report brought to 630 the total number of births during the first eight months of the year, down from 728 during the same period in 1974, and to 273 the number of deaths so far this year, down from 333 during the same 1974 period.

There were eight fetals during the period, compared to 12 during the eight months of 1974.

Allege finding youth with stolen cycle

Gary L. Fernandez, 19, of 2300 Edison Ave., was charged with theft for allegedly possessing a stolen motorcycle when police arrested him in Granite City at 7:40 p.m. Tuesday.

Officers said they first stopped Fernandez at 4:05 p.m. Tuesday, charging him with riding a motorcycle without having the proper driver's license classification.

Officers attempted at that time to run a routine check to determine if the motorcycle was stolen, but were told the state's computer which records license information was not in service at that time.

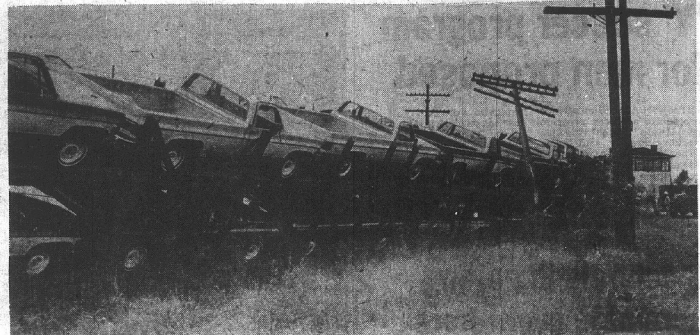

They alleged they later saw Fernandez pushing the motorcycle home, ran a check on the cycle vehicle identification number and found the motorcycle had been stolen Aug. 26 from Robert Gilbert, 2225 Grand Ave.

Calvo to take oath Friday

At 2:30 p.m. tomorrow, Justice Joseph Goldenhersh of the Illinois Supreme Court will preside over the ceremony at the Madison County Courthouse, Edwardsville, to administer the oath of office for Circuit Judge to Horacio Calvo of Granite City.

Calvo was appointed Sept. 10 by the Illinois Supreme Court to fill the vacancy of Fred P. Schuman, who retired.

Calvo will assume the office of circuit judge on that day and will be assigned to the Granite City Court.

RAILROAD CARS DERAIL IN VENICE. Heavy cranes and hours of work were necessary to get these railroad cars back in operation after they were derailed

in the Terminal Railroad yards about 100 yards north of the Broadway viaduct at 4 p.m. Monday. Cause of the derailment was not known, but it occurred on a curve.

(Press-Record Photo)

Working cash fund will avoid cost of borrowing

Interest cost savings will result from the Madison County governmental decision to extend a working cash fund tax rate of 2 1/2 cents per \$100 assessed valuation, County Auditor John L. Kravynak said Tuesday in outlining procedures related to the fund.

"Recent news accounts of the newly proposed levy of taxes on real and personal property, for the purpose of implementing the existing working cash fund for Madison County, inaccurately presented to a slight degree," Kravynak commented.

"A working cash fund is merely an intragovernmental funding account for the sole purpose of making interest-free loans, or transfers, to various operating funds, commonly known as 'housekeeping accounts,' the loans to be paid immediately from tax revenue as received by the recipient fund."

"The working cash fund, originally created for counties the size of Madison County in 1907 by the state legislature, authorized the counties (and cities and school districts) to levy a tax rate of not more than 2 1/2 cents for two successive years (tax years 1968 and 1969)."

"This 'yielded' Madison County \$448,353 in tax revenues for the working cash fund. The new funding method replaced or substituted for the old sale of anticipated warrants to lending institutions at added interest expense, to get ready cash."

"This misunderstanding of the working cash fund and its purpose should be cleared up, somewhat. It has nothing to do with a contingency fund, or the implementation of deficit appropriation items."

"It is not a free-transfer of monies to various accounts. It is a temporary loan period. It is interest-free and payable immediately from the first tax revenue received in the borrowing funds."

"It saves interest expense in these funds. Present interest rates range from 6 per cent to 8 per cent if we borrowed from lending institutions. Witness the 6.87 per cent rate on sale of bonds (tax-free) for construction of the new jail," Kravynak continued.

"The current financial position of the working cash fund shows a fund balance of \$508,725, made up from a checking account cash balance of \$130,725 and outstanding loans of \$355,000 to various funds as follows:

"Veterans Assistance Fund, \$83,000.

"Jail Construction Funds, \$22,000.
"Supervisor of Assessments Fund, \$66,000.
"Outside Audit Fund, \$11,000.
"Unknown Heirs Account, \$15,000.
"Retirement Fund, \$100,000.
"Mental Health Fund, \$88,000.

"The above special tax fund experience low cash flow or cash balances in their checking accounts. So they require funding by way of temporary loans from working cash fund until they acquire tax revenues, a seasonal occurrence."

"Each month, these funds require approximately \$200,000 to \$300,000 cash flow to meet their obligations, a sizeable amount of outlay. Thus, \$500,000 or so in the working cash fund is not a large amount available to meet these types of obligations."

"These special tax funds cannot be funded any other way than by selling anticipation warrants at interest expense, or making temporary loans from working cash fund at no interest expense."

"It is illegal to make transfers of cash from one special tax fund to another, and thus the creation of a working cash fund. "Private business carries a cash reserve for the same purpose—that is, to keep a healthy cash flow in its checking accounts."

"Invitations for their students to take advantage of activities planned especially for them at the Illinois State Museum were sent in mid-September to 5,000 school principals. Mrs. Betty Newman and Robert Steffan of the museum's education section had the task of preparing the 5,000 mailings, which in addition to the invitation contained a brochure explaining the programs, publications, audio-visual materials, plus comments and photos of some exhibits at the museum."

The school services of the Illinois State Museum have been popular. Last year, nearly 11,000 students were given special tours and school day programs. About 2,000 persons attended the Saturday adventure series of films geared largely to young people, all without charge.

Arrested by U.S. agents

Derek C. Rea, 1721 Walnut St., was arrested by agents of the U.S. Department of Justice, Division of Alcohol, Firearms and Explosives, and Granite City police at 10 a.m. Wednesday and was charged with a federal count of possession of destructive devices.

An ATF spokesman said the arrest was part of a federal investigation which began four months ago. During the investigation, federal undercover investigators allegedly purchased several items from Rea, believed to be pipe bombs.

ATF agents obtained a federal search warrant for Rea's home and a federal warrant for his arrest. With Granite City officers, the agents arrested Rea at his home yesterday.

They alleged finding evidence in the home during a search, but declined to comment on what types of evidence were found. That information will be presented to a federal grand jury in Springfield, the ATF spokesman said.

He added the investigation into the alleged manufacture and sale of explosive devices in the West Granite City-area is continuing.

Rea was taken to Springfield, Ill., where he was placed in the custody of the U.S. Marshal.

Rites Saturday for Geo. Lay

Funeral services will be held Saturday in St. Louis for George (McCullough) Lay, 62, who retired June 1 at American Steel Foundries here.

Mr. Lay was pronounced dead upon arrival at 2:30 a.m. Sunday at Homer G. Phillips Hospital, where he was taken after suffering an apparent heart attack at his home, 1820 Coleman St., St. Louis.

Prior to retiring 2 1/2 months ago he was employed 35 years as a chainer at the American Steel plant.

Mr. Lay was born in Greenwood, Miss. He was reared in Madison where he attended Dunbar School. He moved to St. Louis in the mid-1930's.

His wife, Lertien, died in 1970. Survivors include a stepson, Sam Price of Madison; two brothers, Fred Lay of Chicago and Alphonso Studeville of Madison, Wis.; three sisters, Mrs. Aldeen Harris of Madison, Mrs. Aldeen Coleman of West Helena, Ark., and Miss Alice Lay of Detroit, Mich.; and several nieces and nephews.

Arrangements for the funeral are listed in today's obituary column.

Funds for 'Y' memberships are presented

Three checks were distributed on Monday to the three YMCA centers in Madison County by Nelson Hagnauer, Madison County Board chairman.

The checks were presented to Dale Trinka, director, Edwardsville "Y"; E. A. Karandjef, president of the board of directors, and Harold Rudolph, director of the Tri-City Area YMCA; and Les Sommers, director of the Alton "Y."

Funds in the amount of \$7,820 were appropriated by the U.S. Department of Health, Education and Welfare to be distributed through the Madison County Office of Manpower Development, of which Daniel Churovich is director.

The funds are designated to provide memberships for economically deprived youths, aged 14 and under, who are residents of the county. Further information may be obtained through calling YMCA.

Others survivors include his wife, Mrs. Gladys Cooper, another daughter, one son, a sister and three brothers.

Hits parked car

Kenny Bargiel, 17, of 1612 Gregory Drive, Madison, was admitted to St. Elizabeth Hospital after his auto struck a parked car in the 3600 block of Madison Avenue at 11:15 p.m. Tuesday.

Bargiel said an oncoming car caused him to swerve his north-bound car to the right, striking the parked car of Sidney Clements, 3110 E. 23rd St., Madison.

Clements' auto was pushed forward into the parked car of Chris Amisch, 2806 Madison Ave., police reported.

Bargiel was taken by ambulance to the hospital with three cuts to his face. A series of x-rays was taken and he was admitted.

Registration in progress today

Shuttle bus service is being provided for students and their guests attending open registration at Southern Illinois University at Edwardsville today until 5 p.m.

Students will be able to catch the shuttle bus by standing at the designated bus stops along the outer perimeter of the parking lots. When they have completed their registration, they will be able to catch the bus back to their automobiles. The bus service is free.

Open registration is being held in the Meridian Ballroom of the University Center from 8:30 a.m. until 7 p.m. today. No appointments are necessary. Students are registered on a first-come, first-served basis.

The first day of classes for the fall quarter will be Sept. 22.

Weed control suggestions

By RON CORNWELL
Extension Farm Adviser
Parquat is registered as a "harvest aid" for drying weeds in soybeans. It may be applied after soybeans are fully developed, when at least half of the leaves have dropped and the remaining ones are turning yellow. If parquat is applied before the beans are fully developed, yield reductions can result.
Rate for parquat is one-half to one pint per acre, broadcast in 20 to 40 gallons of spray per acre for ground application. Add one quart of X-77 Spreader

(a non-ionic surfactant) per 100 gallons of spray. If cocklebur is a problem, use the higher rate of parquat.
Do not pasture livestock within 15 days after treatment. Remove livestock from treated fields at least 30 days before slaughter.
Desiccants do not make weeds disappear. The coarse, stiff stems of weeds like jimsonweed, velvetleaf, and cocklebur may remain, as well as the wiry stems of grasses like

foxtail. In one U. of I. test, they were not able to show a significant decrease in the tensile strength of giant foxtail stems. However, a desiccant can dry the leaves of both broadleaf and grass weeds, making harvesting easier and reducing dockage when the beans are sold. The desiccant is not likely to reduce the viability of weed seeds that are already mature.

Farmers have been using herbicides in corn and soybeans for weed control for several years. There has been an in-

creased interest in using herbicides in forage production. Princep (Simazine) can be used on pure stands of alfalfa that have been established for 12 months or more. Do not use Princep for mixed grass-alfalfa stands. Apply after the last cutting but before the ground is permanently frozen for the winter. Princep will control many weeds that germinate in the fall. A rate of one to one and a half pounds per acre of Princep 80W is suggested depending on the soil texture. Do not use Princep on sandy or high pH soils. Do not graze

animals on a treated field for 30 days or cut hay for 60 days after treatment.
Some of the weeds that may be controlled by Princep include chickweed, henbit, shepherds-purse, penny-cress, peppergrass, yellow rocket, wild mustard, white cockle, downy brome-grass, pigweed and lambsquarters.
Kerb 50-W (Pronamide) has received clearance for weed control in alfalfa, clover, bird-foot trefoil, and crownvetch. The best time to apply Kerb is in late October or early November. A rate of one pound per

acre of product can control winter annual grasses and chickweed on soils of low organic matter but a higher rate is needed on soils of high organic matter.
Kerb can be applied to new seedlings as soon as plants reach the first trifoliate stage. The chemical works either pre or postemergence on grasses, chickweed and some other broadleaves.
+++
With the high cost of production of field crops, it is very important that high quality seed be used. With

GRANITE CITY PRESS-RECORD Thurs., Sept. 18, 1975 Page 9
wheat seeding time near, now is the time to be considering your source of wheat seed. Many farmers in Madison County save their own wheat seed. To be sure that you are seeding good seed, you may want to run a germination test. The laboratory requires 1 1/2 pounds of wheat, oats, rye or barley for a purity and germination test.
Any samples sent to Springfield for germination testing should be properly identified with the name and address of the sender.

KENNETH R. NICOL
The Navy airman recruit, son of Mr. and Mrs. Kenneth Nicol, 3010 Marshall Ave., Granite City, has graduated from recruit training at the Naval Training Center, Orlando, Fla. His classes included instruction in seamanship, military regulations, fire-fighting, close order drill, first aid and Navy history.

Deadline for fall scholastic aptitude tests

The deadline for applying for the fall Scholastic Aptitude Test is Sept. 26. By paying a late registration fee, students may apply through Oct. 10.
The test will be given at selected schools on Nov. 6.
The SAT is widely used by out-of-state schools, as well as in-state schools, as part of their entrance requirements. Students may consult college catalogs or the schools they are considering, attending to determine their need for the test.
Although the local high schools are not test centers, arrangements may be made by students to take the test at nearby schools. Applications are available in high school guidance offices.

Tax class for farm returns

Keeping up with the latest interpretations of federal and state income tax laws and regulations poses quite a problem—even for tax practitioners and consultants. But the problem won't be quite as big for Madison County tax practitioners who enroll in a two-day tax school sponsored by the University of Illinois Cooperative Extension Service.
This year's school is scheduled for Dec. 11 and 12 at the Farm Bureau auditorium in Edwardsville.
The school is designed for those who prepare income tax returns for others—not for individuals who prepare their own returns. The school will deal generally with preparing farm tax returns—but information relating to all types of returns will be taught.
Instructors will be from the Springfield and Chicago Districts of the Internal Revenue Service and from the Illinois Department of Revenue. The instructors have had special training for the school.
Advance enrollment, if required, and attendance are limited. You can get details about enrollment from Ron Cornwell, Madison County Extension Adviser, Agriculture, by telephoning 656-7200. There is a \$20 enrollment fee for each participant.

Sacred Heart Parents meet

Mrs. Margaret Williamson, president of the Sacred Heart School Parent-Teacher Organization, was in charge of the monthly meeting last week and appointed chairmen who will serve during the forthcoming year.

The president introduced the school faculty and named Mary Ann Stuart and Glennis Misturak, room mother chairmen; Esther Murphy, library; Gloria Falbe, playground; Linda McKinney, in charge of the nuns' car.

Webelos of Pack 18 gave the opening flag ceremony, followed by a pot luck supper for 57 members.

The business meeting followed with plans discussed for the annual Winter Carnival Dec. 6 at the school. Several items were on display and the

president announced workdays will continue to prepare items for sale and to be used as prizes. Ray Rutledge of the Holy Name Society spoke at the meeting and said the Society will furnish equipment, fees and uniforms for the basketball teams this year.

Sister Mary Karla, school principal, announced 181 students are enrolled this year in the school. She also thanked the parents for new desks in-

stalled in the 8th-grade room and for the pantry shower given for the nuns earlier this month. The Rev. James Hill, church pastor, reported new stairwells will be installed at the school and said the children will be participating in special mass at 11 a.m. on the first Friday of each month.

Mrs. Williamson said that volleyball games for adults will be held again this year at 7 p.m. each Monday at the school.

A room attendance prize was awarded to the second grade.

Vegetables club topic; plan Elsalh home tour

"Bringing them to the Table" was the theme of the program presented by Mrs. Eldon Meikamp at a meeting of the Cloverview Garden Club in the home of Mrs. Kenneth Brokaw, 2436 Lynch Ave.

Focus of the program was on harvesting vegetables at their peak quality and Mrs. Meikamp said the cook who raises her own vegetables comes to ap-

preciate a definite difference in flavor and quality. She mentioned the basic ways to cook vegetables, such as boiling, steaming, braising, baking, stir frying and deep frying.

The study for the afternoon was given by Mrs. Joseph Ochoa, whose subject was the history of tomatoes. Centuries ago, tomatoes were in use in South America and Mexico and

later, in 1544, were cultivated in France, Spain and Italy, she said.

They were grown only as a curiosity in England, and in pioneering America in 1835 they were finally recognized as a useful article of diet. A jar of home-canned tomatoes was displayed by the hostess.

Following the 1 o'clock luncheon, Mrs. Richard Branding, president, conducted the business discussion and plans were made for a pilgrimage on Oct. 18. Chairman, Mrs. George Knapp, said the time of departure will be 10 a.m. The group will visit historic homes

in Elsalh, then have lunch at the Pere Marquette Lodge, Grafton.

The "show and tell" exhibit was an arrangement of marigolds made by Mrs. Branding, who later took it to the Colonial Mower Nursing Home.

Members gave the pledge to the flag and Mrs. B. C. O'Neill read the club collect.

Several announcements were made by the president, including the Collinsville Garden Club flower show on Oct. 11-12 at the Collinsville Savings and Loan building. The state conservation conference will be at

the Allerton House, Monticello, Ill., Oct. 27-29.

Present also were Mesdames William H. Bradley, Charles Gandoria, John Jenkins, John Lentz and Robert McCauley.

A letter on the "civic concern" program was received from Mrs. Vernon L. Conner, national president. Cash grants are awarded annually to member clubs for concern in the fields of civic development, roadside improvement, youth education, work with underprivileged and handicapped, and historic trails restoration. Mrs. Conner urged garden clubs to participate.

Trailing vines club topic

A program entitled "Green Draperies" describing various species of vines which may be used to provide privacy in the yards and attractive in hanging containers for the house, was given by Mrs. Clifford Mang at a meeting of the Garden Study Club.

Mrs. Bonard Maple, 2553 Delmar Ave., was hostess for the monthly meeting. To coordinate the program subject each member assigned roll call with the name of a favorite vine and all put on display their particular exhibits.

Mrs. W. S. Cooley, vice-president, presided at the meeting. Plans were made to send a memorial for the late Mrs. Valerie Theis who organized the club and was a charter member.

An announcement was made of the Collinsville Garden Club's flower show Oct. 11 and 12.

A dessert luncheon was served by the hostess to those named and to Mesdames D. B. Maxton, D. W. McKissick, George Stearns, Wilmer Winter and C. E. Eads.

The Oct. 1 meeting will be with Mrs. Cooley at her home, 2612 State St.

To host fall dinner-dance

A special meeting of The Happy Springs Junior Tumbartians was held last week to discuss arrangements for hosting the Croatian Junior Cultural Federation quarterly meeting with a full dinner-dance. The event will be held Saturday, Oct. 4 from 4 p.m. to 1 a.m. Sunday at the Croatian Home in Madison.

Committees reporting were travel and motel accommodations, Joe Niemczyk and George Petrunich; food committee, Judy Modrusic, Frances Krulaths and Ann Mojzelski; reported arrangements for dinner-to be served from 4 to 7:30 p.m., and that the ladies will serve sandwiches throughout the evening.

Ticket committee, Frank Barunich and Chid Hagnauer who said they have received and distributed tickets; entertainment committee, Chairman Bill Gushleff reported there will be tambura music until 9 p.m. when the Terry Dutko Quintet will furnish music for listening and dancing until 1 a.m.

Other committee progress reports were: Publicity, Ilene Niemczyk, Pat Hartman and Janet Hagnauer; bar, George Amisch; decorations, Connie Koch, Mary Ann Petrunich and Ilene Niemczyk.

Mrs. Laule hosts pilgrim's dinner

Members of Precpector Beta Gamma Chapter of Beta Sigma Phi attended a "pilgrim's" dinner party last week, served at the home of Mrs. Jane Laule in Sunny Dell Acres.

Several came in costume reminiscent of earlier days and in keeping with the sorority's theme, "Let Heritage Ring" and the nation's 200th birthday. The business session was called to order after dinner by Mrs. Evelyn T. Oliver, president. Committee chairmen reported on plans for the coming club year.

"Advancement in Food Products" was the program given by Mrs. Laule and Mrs. Betty Ebling spoke on the autobiography of Margaret Rudsins, now owner of Pepperidge Farms Co. Others attending were Norma Rains, Lora Mae Lombardi, Arlene Haldeman, Dolores Byrnes, Pat Tsigaloroff and Ruth Stoyanoff.

GC ok's retroactive wages

The Granite City Council Monday night authorized payment of \$8,045 in back salaries to city employees under new wage agreements, but held up action on an additional \$33,351 in retroactive pay for members of the Police Department.

Action to approve the back pay for police was delayed at

the request of Alderman Everett Morien, chairman of the council's Police Committee, after Chief of Police Ronald Veizer questioned the accuracy of some of the payments listed for Police Department employees.

Veizer said the pay schedule presented to the council Monday night included amounts for

some workers that exceeded those for department members with longer service and higher pay brackets.

Alderman Morien requested that City Clerk Robert Stevens make a new check of the retroactive pay schedule for Police Department employees and report back to the council in its Sept. 22 meeting.

Stevens said he believed the apparent differences in the amounts of back salary resulted from including longevity and holiday pay in the salary of those employees earning such additional pay.

The total bill for retroactive pay amounted to \$99,397. It was presented for payment by Alderman Ronald Coleman, chairman of the Finance Committee, who presented a motion for payment of all the back salaries except those of

Police Department employees after a discussion of the police salaries developed.

The payment authorized by the council in Monday night's action, and those expected to be authorized for police officers later, represent wage boosts given city employees under new contracts negotiated with city workers this year. The new salaries were retroactive to May 1, beginning of the city's 1975-76 fiscal year.

The council approved a two-

year contract providing wage boosts of 12 per cent this year, with an additional 8 per cent effective at the beginning of the 1976-77 fiscal year.

The Police Department payment of \$33,351 was the largest amount of back pay for any single city department, with members of the Fire Department receiving the second highest amount, \$22,722. Retroactive salaries for the Street Department totaled \$14,956, while employees at the

sewage treatment plant received a total of \$7,055.

Other back salary payments, by departments, included: Mayor's office, \$319; (for secretary only); city clerk's office, \$1,654; treasurer's office, \$648; inspection department, \$1,629; air pollution, \$1,472; maintenance of sewers, \$607; humane department, \$1,016; motor fuel tax fund, \$400. Board of fire and police commissioners, \$450; parking

meter department, \$2,514; sanitation, \$270; painter, \$472; school crossing guards, \$622.

Enrollment at Illinois State sets new high

Illinois State University at Normal-Bloomington has established an all-time enrollment record of 19,048. The total for this year eclipses the previous record of 18,006 in 1972 and is 1,118 more than the 17,830 enrolled a year ago.

With more than 2,500 students expected to enroll in courses offered in off-campus centers, Illinois State anticipates a total enrollment approaching 22,000.

Dr. Wilbur Venable, director of admissions, said he attributes the unexpected surge in enrollment to "the fact that Illinois State is making concerted efforts to meet the needs of the people. The university has concentrated more resources in continuing education programs to handle the increasing demands of adult workers, students. The job market also is a factor."

Bicentennial essays judged

Seventy-two essays in Secretary of State Michael J. Howie's Bicentennial essay contest have been selected for final judging, none from the Quad Cities.

Divisions include grades one through four, grades five through eight and grades nine through 12.

The final 24 entries in each division will be judged by the committee which selected the winners in last year's Bicentennial license plate design contest.

This Committee, consisting of business, professional and community leaders, will narrow the essays to the best in each division. The grand champion will be awarded a \$1,000 educational savings bond. The two runners-up will receive \$200 bonds.

Finalists in the 23rd Congressional District are Belleville third, sixth and twelfth grades.

Tri Hi Y clubs being formed

Tri Hi Y clubs held their first meetings of the new school year this week at the Tri-City Area YMCA. Tri Hi Y is a YMCA sponsored service organization for high school students.

Each club is a group of students banded together in fellowship and loyalty to their highest ideals, seeking to make living better for themselves, their own age groups, their community, their country, and their world. Y officers said. Membership in Tri Hi Y offers many opportunities including leadership training and a chance to become involved in youth in government in a program allowing students to participate in a model legislature. A weekend is set aside for them to actually sit in the House of Representatives and the Senate in Springfield and attempt to pass bills drafted by other young people in the program, officers said.

New clubs are now being organized and meetings are held each Monday at 8 p.m. in the YMCA, 2001 Edison Ave. Students interested in joining Tri Hi Y may contact any member or call Norma Mendoza at 876-7200.

The YMCA is a United Way agency.

Venice sports program ok'd

The Venice Park Board last week approved a request by Herman Smith, a representative of the West Madison Rod and Gun Club, to conduct demonstrations in Lee Park on Saturday, Sept. 21, on how to properly load and handle weapons to the public.

Summer recreation expenses in the amount of \$5,000 were authorized to be paid to the City of Venice which is assisting the park district in meeting its debts in an agreement which calls for the park district to reimburse the city.

HOUSE BROKEN INTO
The front door of the home of James Cook, 2335 Rock Road, was found standing open; it was discovered both the front door and the east bedroom window had been pried open.

Gospel Singing Convention
this weekend at South High

The annual Illinois State Gospel Singing convention will be held in Granite City, and will be hosted by the Chapelaires Quartet.

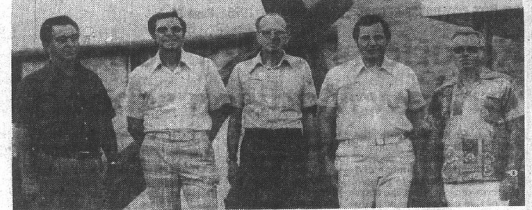

The first session of the two-day convention begins at 7:30 p.m. Saturday, and the second program will begin at 1:30 p.m. on Sunday. Both programs will be at the Granite City High School South auditorium, 3100 Madison Ave.

The Illinois State Gospel Singing convention was organized in 1949 by the late Barney Barrow, past president. Present board members are Walter Ship of Centralia; John Hicks, Alton; and Charles Adams, Granite City. Singing groups from all areas

of Illinois and neighboring states will participate. Mayor Paul Schuler will welcome the Illinois Convention to this area.

Members of the host group include Benton McDaniel, bass; Claude Gibbs, baritone; Jerry Hobbs, pianist; C. J. Clement, lead, and Charles Adams, tenor and manager.

RETURN BURGLARY LOOT
Everett Hays, 2605 W. 22nd St., told police he heard a noise outside his home at 11:30 p.m. Monday and went outside to find a jewelry box and a watch, both stolen from his home Saturday evening, sitting on the hood of his car. One watch is missing.

CHAPELAIRES QUARTET of Granite City which will host the Illinois State Gospel Singing Convention this weekend at the South High School auditorium. Left to right, Benton McDaniel, Claude Gibbs, Jerry Hobbs, C. J. Clement and Charles Adams.

Rotarians told of need for new Madison school

The need to eliminate the double shift at the Madison Junior High School, to provide safer buildings for Dunbar and junior high students, to relieve overcrowding, to meet the state law of five clock hours of daily instruction and to avoid expensive repairs at the present junior high and Dunbar schools are some of the reasons to build a new school, according to John Palchett, superintendent of schools in Madison.

Palchett was the guest speaker at the Wednesday morning meeting of the Madison-Venice Rotary club in the Madison

Recreation Center. Palchett noted that children will be in school all day and not on the streets, and that "Working parents will be freed from worry, knowing that pupils are in school all day." Palchett said that an election to approve a school bond issue is Saturday, Sept. 27, and it is important that everyone vote. Qualified voters are those who are U.S. citizens, 18 years or older, who have lived in the school district for 28 days prior to the election and registered from residences within the district.

Joint services for auto crash victims

Joint funeral services will be held at 10 a.m. Friday at a Granite City funeral home for Elmer T. Carr, 20, and his wife, Mrs. Connie (Wely) Carr, 19, who were killed in a two-car accident at 7:55 p.m. Sunday on Illinois 150, four miles north of Chester, Ill.

Mrs. Carr formerly resided with her grandmother, Mrs. Lottie Lynn, 2014 Fourth St., Madison, prior to her marriage. The couple had been residing in Dresden, Tenn.

Mr. and Mrs. Carr were passengers in a car driven by Allen R. Fortner, 22, of Chester. Mr. Fortner and his wife, Carrie Fortner, 17, and their six-week-old daughter, April, also were killed in the accident.

State police said the other car, driven by Jack W. Meadows, 24, of Chester, ran off

the road and skidded back onto the pavement into the path of the Fortner vehicle. Meadows is in fair condition at Memorial Hospital, Chester. Mrs. Carr was pronounced dead at 8 p.m. at the accident scene and members of the Fortner family were pronounced dead upon arrival at the Chester hospital. Elmer Carr was transferred to Belleville Memorial Hospital where he died at 2:30 a.m. Monday.

Funeral services for Mr. and Mrs. Carr also were held Thursday morning at a Chester funeral home. Local arrangements are given in the obituary column.

Services for the Fortner family were held Wednesday afternoon at the Chester funeral home.

Ewart will direct National Steel's mill product sales

William F. Ewart has been appointed vice-president-commercial for National Steel Corp. It was announced Tuesday by George A. Stinson, chairman and president. He will be responsible for the sale of all National Steel mill products produced by its four steel divisions.

John J. Gallagher, formerly vice president-commercial, has been named special sales and planning consultant to National Steel.

Ewart has 23 years' experience in sales, business development and sales management positions with Jones & Laughlin Steel Corp. He will make his headquarters at

the Grant Building in Pittsburgh. Ewart is a native of Pittsburgh and received his bachelor of arts degree in history in 1952 from Princeton University. He is trustee of the Shadyside Hospital and Shady Side Academy, and former trustee of the Ellis School.

He is director of the Pittsburgh Association for the Improvement of the Poor and a member of the American Iron and Steel Institute. Ewart is also a member of the Duquesne Club, Langue Vue Club, Rolling Rock Club and Pittsburgh Golf Club. He is married and the father of four children.

Auto taken, robbery charged

Donald G. McNeely, 27, of 665 Chouteau Ave., Mitchell, was arrested by Madison County sheriff's deputies in the 600 block of East Chain of Rocks Road in Mitchell at 5:50 p.m. Monday and was charged with armed robbery.

McNeely allegedly was driving the auto of Michael Coleman, 25 Iris Court, Pontoon Beach, when he was apprehended. Coleman alleged the auto was taken from him at gunpoint.

He told deputies he and three friends were in a tavern when a man approached them and started a fight. When Coleman left the tavern at 5:25 p.m. Monday, he heard someone knocking at the passenger side window. When he opened the door, the man showed a small revolver and said, "You're going to give me a ride."

Mrs. McFarland succumbs

Mrs. Mae A. McFarland, 75, of 3021 Armada Ridge Road, Richmond, Mich., formerly of Granite City, died at 2 p.m. Tuesday at the Mount Clemens, Mich. General Hospital.

A native of Eldorado, Ark., she resided in Granite City many years prior to moving to Michigan in September 1974.

She was a member of the Mount Zion General Baptist Church, Granite City.

Her husband, Curtis McFarland, died April 27, 1971. Survivors include a son, Roy

Warren of Richmond, Mich.; three daughters, Mrs. Peggy Lanier, Farmersville, La., Mrs. Martha Ann Vincent, Caseyville, and Mrs. Nowland of Granite City; a sister, Mrs. Leta Byrd, Eldorado, Ark.; four brothers, Webster, Primm of Camden, Ark., Kirk, Ernest and George Primm, all of Eldorado; 12 grandchildren and three great-grandchildren.

Funeral arrangements are given in the obituary column.

John Votoupal dies at 82

John Votoupal, 82, formerly of 524 Iowa St., Madison, retired grocer, died at 7:55 p.m. Monday at an Alton Hospital. He had been ill six months.

Born in Yugoslavia, he resided in Madison since 1912. Mr. Votoupal owned and operated a grocery store in Madison from 1925 until 1960.

He was a member of Lodge Baisland 250, SNV and Lodge Estlain 404, CSA.

His wife, Mrs. Anna Votoupal, died April 29, 1961. Survivors include a daughter,

Mrs. Mary Dusek Searle of Florissant, Mo.; one son, Edward Votoupal of Granite City; five grandchildren and five great-grandchildren.

Funeral services will be held today. Details are given in the obituary column.

Tag days to aid boys' tackle football teams

Tag days to help finance equipment and uniforms for the Granite City Little Rascals boys football program will be held Friday and Saturday in Downtown Granite City and at area shopping centers.

About 150 players and cheerleaders taking part in the tag day project will be dressed in their uniforms to seek donations of any amount in exchange for a tag, according to George McIlroy, chairman.

This season, the local organization has four teams competing in three Tri-County Junior Football Conference divisions.

Divisions in which the Granite City teams are playing include Junior Pee Wee, 9-year-old boys and under with a maximum weight of 85 pounds, and Pee Wee, 10-year-old boys with a maximum weight of 85 pounds and 11-year-old boys with a maximum weight of 75 pounds.

Two teams are entered in the Midget Division, which is for 12-year-olds with a maximum weight of 115 pounds, and 13-year-olds with a top weight of 140 pounds.

The Tri-County Conference consists of about 100 teams which compete in specific age and weight divisions on a home and away schedule. Sixteen organizations, from the Alton area to Columbia, comprise the association.

Plans for the tag days were finalized Tuesday night at the Little Rascals' regular business session.

Meetings are held on the third Tuesday of each month at the Namooki Recreation Center, Amos and Franklin avenues. Persons interested in helping to promote boys' football in the Quad-City area are invited to attend the meetings, McIlroy said.

Home storage for fruits, vegetables

By CATHERINE MAUCK
Extension Home Adviser

Remember Grandma's root cellar which yielded crisp fruits and vegetables all winter? Modern housing and central heating have pretty much done away with yesterday's deep, dark cellars. But you can still store some fruits and vegetables at home without refrigeration.

Basements, cellars, outbuildings, or pits can be used. Any storage area should be ventilated, however, so that cold, outside air can get inside. Store only fresh, sound produce which is free from cuts, cracks, bruises, or other insect or mechanical injury. If any damaged, insect-infested or diseased specimens are placed in storage, they could damage the entire supply.

Vegetables should have as little field heat as possible when you store them. Harvest in early morning on a cool day, or let the crops cool outdoors overnight before storage.

Maintaining proper temperature will do much toward

lengthening the time the produce can be stored. Store vegetables such as cabbage, cauliflower, celery, and parsnips at a temperature as near 32 degrees F. as possible. Potatoes should be stored at 35 to 40 degrees F.; pumpkins and squash at 55 degrees F.; and mature, green tomatoes at 55 to 70 degrees F. Most fruits should be stored near freezing.

Humidity helps maintain produce freshness and prevents excessive shriveling. Humidity can be maintained by sprinkling the floor of the storage area frequently, by placing large pans of water under fresh-air intake vents, or by covering the floor with wet materials such as straw or sawdust.

The easiest and most efficient way to control moisture loss is to place produce in plastic bags. But be sure they have one-quarter to three-eighths inch holes in them to permit ventilation so the produce does not mold and spoil.

Onions, sweet potatoes, and tomatoes require dry storage con-

ditions. Basements which contain a furnace are too warm for storing fruits and vegetables. However, such locations are ideal for ripening tomatoes and for short-term storage of potatoes, sweet potatoes, and onions.

Evidence in police cases stolen here

Granite City police discovered at 3:35 p.m. Monday that two stolen motorcycles, being held at the Granite City Street Department as evidence in two cases, had been stolen from the city garage.

One motorcycle belonged to State Farm Insurance Co. and the owner of the other motorcycle is not known since the cycle's vehicle identification numbers were punched and sanded out.

The motorcycles were first seized by the police as evidence Sept. 3.

MADISON HIGH FSA OFFICERS. Newly-elected officers of the Future Secretaries Association (FSA) for the 1975-76 school year at Madison, seated from left to right, Anita Rogers, vice-president; Regina London, president, and Anita Black, treasurer. Standing from left, Lorna Mallett, corresponding secretary; Mrs. Beverly Imming and Lee Ashby, faculty advisors, and Lunita Young, recording secretary. Invitations have been sent to 25 MHS juniors and seniors who have qualified for membership.

Rules death was accidental

A coroner's jury in Granite City reached a verdict Tuesday of accidental death in the death of Rickie L. Harper, 23, of 307 Kirkpatrick Homes, who was pronounced dead at the scene of an auto accident at 20th Street and Edwardsville Road. The jury ruled Mr. Harper died of a broken neck and a traumatic blow to his heart. The driver of a second auto in the accident, John Hunt, 22, of 2215 Washington Ave., of 2215 Washington Ave., charged by Granite City police with reckless driving in connection with the accident. After the two cars collided, Harper's vehicle overturned several times and then struck a utility pole, according to police reports.

Mr. Harper was buried Tuesday at St. John's Cemetery.

DRIVE BACKHOE UNIT

Vandals used a screwdriver to force the ignition switch in a C.D. Peters Construction Co. tractor and backhoe in the 2000 block of Grand Avenue and it was driven around in a yard, striking an overhead door at 2042 Grand Ave., police were told at 7:45 p.m. Monday. The boom was used and struck the overhead door, causing about \$200 damage. All of the hydraulic fluid leaked out of the boom.

Rehabilitative nursing seminar being offered

The School of Nursing of Southern Illinois University at Edwardsville will sponsor a 3½-day rehabilitation seminar beginning Sept. 25. Sessions will meet in the University Center on Sept. 29 and 30 and Oct. 6. The final session on Oct. 7 will be held at the Madison County Nursing Home in Edwardsville. Classes will meet from 8:30 a.m. until 4 p.m. until noon the final day. Participants will be expected to attend all four days to receive credit. Fifteen continuing education units will be awarded to nurses attending the seminar. The workshop is designed to provide participants with a general overview of the concepts and principles of reality orientation, remediation and rehabilitative nursing. Ina Ingerson, director of continuing education for the SIUE School of Nursing, said emphasis will be placed on the interrelationships of these processes through a team approach. The topic of discussion Monday, Sept. 29, will be "Reality Orientation." On Tuesday, Sept. 30, participants will learn about "Bed and Chair Positioning," "Transfer Techniques" and "Range of Motion."

On Monday, Oct. 6, the subject will be "Remediation, and on the final day, "Return Demonstration."

The workshop is limited to 50 participants. Registration will be on a first-come, first-served basis. Fee for all four days is \$6. Deadline for registration is Sept. 19. Additional information may be obtained by contacting the School of Nursing at SIUE.

Leon Alvarado services held

Funeral services were held Monday at San Francisco del Rincon, Guanajuato, Mexico, for Leon Alvarado, 84, of Fairmont City, father of Gregory Alvarado of Granite City. He died Saturday at San Francisco del Rincon. Mr. Alvarado was a former employee of the American Zinc Co., Fairmont City and a member of Smelting Workers Union, Local 82. Other survivors include children Raymond, Philip and Joseph of Fairmont City; Rosalia of Chicago; Lalo of Washington Park; Agnes of San Bernardino, Calif.; Sossimo of St. Ann, Mo.; two brothers and a sister. **READY-MIX CONCRETE** CALL LYBARGER 432-3107 or 432-6180

Explain realty, trust laws

Attorneys from Central and Southern Illinois counties have been invited to attend a seminar designed to provide them with information concerning the numerous bills affecting real estate, probate and trust law which were enacted at the 1975 session of the 79th Illinois General Assembly. The seminar is to be held in two sections to accommodate the number of attorneys who requested tickets. More bills were introduced in the session than ever before in the history of the Assembly. The seminar will be held at Augustines in Belleville on Tuesday, Sept. 23, and at the Holiday Inn-East in Springfield on Wednesday, Sept. 24. The same material will be presented each day at 2 p.m. Charles E. Hamilton, president of the St. Clair County Bar Association, will preside at the Belleville session. Robert Deffenbaugh, president of the Sangamon County Bar Association, will act as chairman at the Springfield seminar.

Carol Elmore becomes Mrs. Larry Christian

Miss Carol Lillian Elmore and Larry Lee Christian were united in marriage in an evening ceremony on Sept. 5 at Grace Baptist Church, 2600 Edwards St.

The Rev. William L. Duval officiated at the double-ring ceremony at 7 o'clock in a candlelight setting.

Mrs. Mary Parchment presided at the organ for Robert Patton who sang "Sweet Sweet Spirit" and Lynn Krug sang "Colour My World," accompanied by Miss Kathleen Lane.

Parents of the bride, Mr. and Mrs. Wayne Elmore, reside at 8 Violet Drive. The groom is a son of Mrs. Velma L. Christian, 2018 Iowa St., and the late Willis C. Christian.

For her wedding, the bride chose a full-length white lace gown fashioned with a high neckline, long sleeves and a semi-full skirt.

Her lace bordered mantilla veil was held in place with a matching lace comb and she held a cascade of orange, brown and yellow autumn flowers, intermingled with baby's breath.

Mrs. Teresa Patton, matron of honor, selected a long mint green dress designed with a square neckline edged with white lace which was repeated on the short sleeves.

Her floral bouquet was an arrangement of mixed fall blossoms.

The flower girl, Valerie Page, was dressed in a long white satin frock. She carried a white wicker basket filled with pale pink roses.

Jimmy Bandy was the ringbearer.

Attending the groom as best man was Raymond Riddle and ushers included Todd Duval and Jim Wright.

Guests were received by the newly-married couple at a reception held in the church hall following the service.

The couple is now residing at 2158 Grand Ave., following a wedding trip to Eureka Springs, Ark.

The former Miss Elmore is a graduate of Granite City North High School. Her husband, an employee at Tool and Supplies, Inc., in St. Louis and was graduated from South High School.

RUTH MYRACLE

Miss Ruth Myracle is graduate nurse

Miss Ruth Myracle, a daughter of Mr. and Mrs. Ernest Myracle Jr., 2820 Grand Ave., was among a class of 46 students who graduated from St. Mary's Hospital School of Nursing, Richmond Heights, Mo.

The local resident is a 1972 graduate of Granite City High School and is now employed at St. Mary's Health Center.

Other relatives attending were Mrs. Nell Stifford and daughter, JoAnn, and Mrs. Selma McReynolds, all of St. Louis.

The party was given at the Ruders' home, 2324 Gary Ave. Mr. and Mrs. Phillips were married on Sept. 14, 1955 in Cardwell, Mo. The former is employed by the Bi-State Transit Co.

Among the guests were the honorees' grandchildren, Misses Diana, Cindy and Kim

MR. AND MRS. LARRY LEE CHRISTIAN whose wedding took place at Grace Baptist Church. The bride is the former Miss Carol Lillian Elmore, a daughter of Mr. and Mrs. Wayne Elmore, 8 Violet Drive.

Mr., Mrs. Roy Phillips honored

Mr. and Mrs. Roy E. Phillips, 2 Bermuda Lane, were honored this week at a buffet dinner in observance of their 40th wedding anniversary.

Hosting the celebration were the couple's sons-in-law and daughters, Mr. and Mrs. Jerry (Barbara) Smith, Mr. and Mrs. Frank (Judy) Oge and Mr. and Mrs. Larry (Susan) Ruder.

The party was given at the Ruders' home, 2324 Gary Ave. Mr. and Mrs. Phillips were married on Sept. 14, 1935 in Cardwell, Mo. The former is employed by the Bi-State Transit Co.

Among the guests were the honorees' grandchildren, Misses Diana, Cindy and Kim

Covered dish meal for class

Plans to participate in the Nov. 8 bazaar at Nameoki United Methodist Church were reviewed by members of the Fidelity Class who met during the weekend at the church.

A potluck supper preceded the business meeting and program. Special guests introduced were Mr. and Mrs. Harold Deshiser.

Mrs. Lewis Rains, president, offered the devotional and presided over the planning session. It was announced that the class will send various items in its "attic antiques" booth at the annual bazaar.

Methods of enlisting new members into the class were discussed, and those celebrating birthdays and anniversaries were honored with a song.

Among those present were Mr. and Mrs. Henry Canham, Mrs. Elsie Staggs, Mr. and Mrs. Glen Johnson, Mr. and Mrs. Milton Haley, Mr. and Mrs. Homer Blumenstock, Mr. and Mrs. Rod Key, Mr. and Mrs. Burl Russell, Lewis Rains, Mr. and Mrs. John Barks, Mr. and Mrs. Harold Stewart and Mr. and Mrs. Pete Berta, who served as hosts.

APA benefit auction Saturday

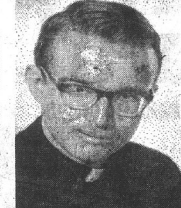

In conjunction with the Charity Days festival at Nameoki Village Shopping Center this weekend, the Quad-City Association for Protection of Animals (APA) will hold a public auction of new merchandise at 1 p.m. Saturday.

Most items to be offered are new merchandise donated by area business firms and include such things as jewelry and blankets, Mrs. Willoughby said. All proceeds will be used to provide food and medical at-

tenition for animals left in the APA's care.

The local humane group is operated solely by volunteers and funded only with donations and nominal fees asked from those adopting an APA pet.

In addition to the auction, the APA also will sponsor a booth at the Charity Days festival, offering handmade items for sale, including stuffed animals, floral arrangements and candles.

REV. JOHN COMER

Speaks Saturday

Priest to address area businessmen

The Greater Alton Chapter of Full Gospel Business Men's Fellowship will meet at 7 p.m. Saturday at the Steelworkers Abel Hall, 221 E. Broadway, Alton. Several local men are members of the organization and others are invited to attend.

Women also are welcome at the monthly programs, officers said.

The Rev. John Comer, a Roman Catholic priest from St. Louis, will be guest speaker Saturday. Currently working with the Academy of Visitation prayer group in St. Louis, the clergyman has been actively involved in the movement for five years.

Persons of all denominations, races and age levels are invited to take part in the fellowship event.

ENGAGED. Miss Jennie Lynn Bernaia and her fiancé, Phil Szymarek, whose engagement is being announced by her parents, Mr. and Mrs. Leonard Bernaia, 2407 Washington Ave. An early spring wedding is planned.

(Hollywood-Andrew Seaton)

Szymarek-Bernaia betrothal

The engagement of Miss Jennie Lynn Bernaia and Phil Szymarek was announced by her parents, Mr. and Mrs. Leonard Bernaia, 2407 Washington Ave., at a dinner party hosted at Charlie's Restaurant.

Parents of the groom-elect are Mr. and Mrs. Phil Szymarek, 2833 Grand Ave.

Miss Bernaia is attending Granite City High School South. Her fiancé was graduated in 1972 from South High School and attended the University of Tennessee and Southern Illinois University at Edwardsville. He is now employed at P&S Amusement Co.

Plans are being completed for an early spring wedding.

Barbecue for Amvet families

About 75 Amvets and their families attended the annual "Amvet Day" event during the weekend at Amvets Post 51, located at 5100 Lakeview Drive.

A barbecue was held on the post grounds under the direction of Commander Adam Petras and his wife, Jackie, who serves as auxiliary president.

The occasion also served to honor Past Commander Earl Smith and his wife, Margie, who were celebrating their wedding anniversary and were presented with a gift from the group, and Petras on his birthday.

Preparations are being completed for the Amvets' series of turkey shoots, scheduled to start Saturday, Sept. 27 at the Post 51 clubhouse. The shoots will take place each Saturday at noon through mid-December and the public is invited to attend, Petras said.

Preparations are being completed for the Amvets' series of turkey shoots, scheduled to start Saturday, Sept. 27 at the Post 51 clubhouse. The shoots will take place each Saturday at noon through mid-December and the public is invited to attend, Petras said.

Bottle collectors show this weekend

A display of bottles, one collection valued in excess of \$7,000, will be among the items exhibited at the fifth annual Collectors Show, scheduled Saturday and Sunday at the VFV Hall, 1254 Vandalla Ave., Collinsville.

Sponsored by the 1st Avon Collectors Club of the St. Louis Area, the show is open to the public without charge, according to Mrs. Clarine Coggin of Granite City, the club treasurer.

Mrs. Coggin said an exhibit of Jim Beam bottles, worth more than \$7,000, is being brought here from Colorado and includes 100-year-old bottles.

Coins, china, glassware, antiques and various other collectibles will be displayed at the show. Hours will be from 10 a.m. to 6 p.m. Saturday and from 10 a.m. to 5 p.m. on Sunday.

The exhibition is the first to be sponsored by the club on the Illinois side of the St. Louis metropolitan area, the Granite City resident advised. Gifts will be awarded hourly and refreshments will be available to patrons, she added.

YOUR CONVENIENCE - OUR PLEASURE

State government still trying to avoid horse race track political entanglements

Illinois state government and politicians have been plagued with the issues of ethics and conduct by appointed and elected officials almost since the inception of the horse racing industry in this state.

An example was the imprisonment of the 1960-68 governor, Otto Kerner, following activities interpreted as involving favoritism toward certain horse race interests by some of those associated with government regulation of the tracks.

Later a federal judge after his service as governor, Kerner since has been paroled from prison due to health problems and was honored a few weeks ago at a dinner attended by over 1,000 persons, with the present state administration well represented.

Gov. Daniel Walker during the weekend waded into the general topic of horse racing's influence on Illinois politics, announcing he was using his

amendatory veto power to "tighten a bill to reform the state racing law, including restoring the current law's prohibition against political contributions and gifts from racing interests."

Another proposed amendment would "close a loophole in the new bill that would have allowed corporations with felony convictions to dodge the law by forming subsidiary companies to obtain racing dates."

It "would have permitted unsavory individuals to be involved in the operation of a track," the governor contended. Walker suggested a third change as "necessary to continue racing regulation during the October 1975 to January 1976 period."

"As written, the bill would have left the state without a racing board for that period, with no control over racing in Illinois and unable to collect racing taxes."

Most of the changes were based on the recommendations of the state racing board and its chairman, Anthony Scariano, who said he has endorsed the bill as changed.

Gov. Walker said, "Provisions of the bill that I am approving will reduce the admission tax at race tracks, open up winter racing throughout the state for the first time, and allow Sunday racing tracks where the people of the local community approve the idea."

The Governor's changes to Senate Bill 37 also:

- Eliminate a proposed 10-cents-per-person local-level admission tax on racing fans, which could have been imposed at local option.
- Restore the current requirement that the race tracks reimburse the state for track investigators, preventing loss of \$500,000 in state funds.
- Eliminate from the bill's new uniform racing privileges tax scale "a special benefit for one race track" and make other upward adjustments in rates recommended by the board.
- Delete provisions that

would have limited the governor's power to remove a racing board member.

Strike "a unique clause that would have dictated procedures for Senate confirmation of Racing Board appointees."

The governor commented, "The bill I received would have allowed race tracks and other racing interests to make political gifts and contributions."

"I cannot sign any bill to do that."

"Some of the worst political scandals in Illinois history have been connected with horse racing. Many involved self-enriching schemes for politicians."

"We are not about to bring race track politics back to Illinois."

"Other provisions of the bill would also have done more harm than good."

"The bill would have allowed corporations convicted of felony crimes to sidestep the law by forming paper companies as subsidiaries."

"Then the subsidiary could obtain racing dates when the parent company would have been denied them. We also retain the requirement that people involved in racing be of good moral character."

The bill consolidates three separate statutes into one Illinois Horse Racing Act. Besides the statutory consolidation, provisions of the bill which Gov. Walker left unchanged include:

- Reduction of the state race track admission tax from 40 cents per person to 15 cents per person.
- Extension of the racing season into the winter.
- Racing on Sundays — if approved by a local community by voter referendum or local ordinance.
- Retention by the state of the

entire race track "breakage" income, with half going into a racing facilities improvement fund for track upkeep.

Formerly, the breakage was split 50-50 between the state and the race track, and tracks could use breakage as part of profit.

"Breakage" is the odd change left after amounts to be paid to holders of winning bet slips are rounded down to the nearest ten cents.

Gov. Walker also approved the provision establishing a state fund from racing receipts to stimulate thoroughbred horse breeding in Illinois.

The fund is to be similar to the existing fund for harness racing horses, formerly known as the Illinois Fund for Illinois Colts and renamed by this bill as the Illinois Standardbred Breeders Fund.

The new fund is called the Illinois Thoroughbred Breeders Fund.

"Despite the problems in the bill, I am convinced that with the changes I am proposing, this bill will help racing a thriving sport in Illinois and make it less costly for racing fans to enjoy this pastime — without loss of state revenues," Walker said.

"Through this bill, we are also establishing a fund to encourage breeding of thoroughbreds in Illinois."

I am convinced that with the changes I am proposing, this bill will make Illinois horse racing better and cleaner than ever."

"Racing is an exciting sport that brings enjoyment to many people of Illinois. We must do what we can to keep the sport healthy so its fans can enjoy it."

In addition to elimination of the special provision for one race track (East Moline Downs), the new schedule for the horse racing privilege tax would also be amended to reduce slightly the tax break

provided by the bill for the larger race tracks, most of which are in Cook County.

"Even with my changes, the bill will foster a healthier racing industry. But state racing revenue will not decline and is likely to increase according to estimates by both the Illinois Racing Board and the Illinois Legislative Investigative Commission, because of:

1. "Introduction of winter racing throughout the state which will produce more revenue for all parties, including the state."

2. "A new 2.5 per cent flat rate share for the state of receipts from multiple or 'gimmick' wagers."

"One other change I have proposed would restore the size of the racing board to its present seven members instead of reducing it to five," Walker said.

Since racing board members serve part-time and without salary and must act as hearing officers as well as attend board meetings, the elimination of two board seats would have imposed an "unfair work burden"

on the rest of the members, in the opinion of the governor."

The bill was sponsored by Sen. Philip J. Rock (D-Chicago) and Rep. Joseph G. Sevelik (R-Berwyn), based on proposals that followed hearings and a legislative report by the Illinois Legislative Investigative Commission.

Scariano praised the governor for his amendments, saying, "Gov. Walker has given the board his all-out support for honest racing in Illinois. The changes made in the bill will assure continuance of fair and honest racing free from political influence and political deals."

LOSING UGLY FAT

Start losing weight today or money back. MONADEX is a tiny tablet and easy to take. MONADEX will help curb your desire for excess food. Eat less — weigh less. Contains no dangerous drugs and will not cause you to become fat. Start today. Change your life. Start today. MONADEX costs \$3.00 for 20 day supply. Large economy size is \$5.00. Also try AQUATABS — they work gently to help you lose water-bloat. AQUATABS — "water pills" that work — \$3.00. Both guaranteed and sold by: Hub Drugs, 1236 17th. Health Office filled.

Phyllis Nieland, 5445 Maryville; John Mudge, Edwardsville; Leonard Lewis, 2149 State; Alice Smith, 32 Nassau; Vickie Woodworth, 2309 Namock; Alice Mooshegian, 3205 Aubrey; Thomas Layloff, 1529 Sixth; Madison, Charles Jaynes, 2221 Marigold; Mike Knetz, 823 Iowa; Madison; Gertrude Leary, 2717 Myrtle; James Bruder, 2684 Grand; Doris Rogel, 2724 Buxton; Linda Roy, 2412 Edison; Claudia Prazier, 1308 Nineteenth; Danny Pulley, 835 Niedringhaus; Ramona Bradley, 1039 Calhoun; Venice; Sarah Hood, 3025 Wayne; Laura Gibson, 2643 E. 23rd; Ursula Cook, Rural Route One, Box 454; Alberta Cable, 2620 E. 24th; Robin Summers, 3009 National; Steve Barbach, 2308 Anckerage; Marion Robinson, 4534 Hwy. 162; Thomas Cromer, 1707 Rhodes; Madison; Thomas Patterson, 2030 Fifth; Madison; Ira Medcalf, 2610 Dodge; George Spiroff, Rural Route Two, Box 791; Margaret Crane.

Scout board meets Monday

The executive board of the Cahokia Mound Council, Boy Scouts of America, will meet Monday, beginning at 7:30 p.m. in the board room of the Granite City Press-Record, 1815 Delmar Ave.

This is a change in the regular date, according to E. Ray Grisham, president of the council, due to a special area conference being held on the regular meeting night.

BURGLARS FLEE

Three burglars were seen fleeing from the home of Mrs. Elsie Willis, 1729 Edison Ave., as police cars approached at 8:35 p.m. Monday. Officers had been notified by neighbors of a burglary in progress there. Officers found the house doors open and noticed the house had been ransacked. It is not known if anything was stolen.

St. Louis; Thomas Haley, 2104 Cleveland; Elma Southwick, 1692 Second; Madison; Sandra Bryson, 735 Ashland; Glen Williams, 129 Riviera; Maude VanZandt, 1715 State; Florence Bryson, 1420 Second; Madison; Eddie Province, 524 English; Sylvia Welch, 1730R Second; Madison; Helen Brandt, 1631 Lindell; Lorene Livingston, 2405 Rock; Waymar Warren, Brooklyn; Anna Warfield, Collinsville; Paula Jones, 208 Hill; Madison; Sharon Matyas, 1803 Collinsville.

Services held for Mrs. Whitner, 70

Funeral services were held at 7:30 p.m. Monday at the Capitan Galilee Baptist Church, Madison, for Mrs. Theoria Whitner, 70, of 203 Harrison St., Eagle Park Acres, Madison. She died Thursday at Memorial Hospital, Belleville. Survivors include a son, Roy of St. Louis, and two brothers, Jimmy Johnson and Earl Hall, both of Madison.

It's here!
The wildest encyclopedia ever!

Now, Funk & Wagnalls brings you an encyclopedia made up of the kinds of things everybody goes for: things that roar, chirp, hop, soar, swim, glide and flutter. Funk & Wagnalls Wildlife Encyclopedia.

Inside 22 hard-cover volumes is a world of facts on the world of living creatures: birds, fish, insects, animals, reptiles. How they live, and where. What (or who) they eat. Plus more than 2,500 color illustrations.

The Encyclopedia was originally published in the United Kingdom and has been sold here as *The International Wildlife Encyclopedia* and *Encyclopedia of Animal Life*. Both sets sold for over \$75.00 each.

Horseshoe Bat (See Vol. 9)
Night flyer with webbed ears. Follows his horseshoe-shaped nose in great swooshing arcs. Guided by the echoes of his squeaks.

Coral (See Vol. 5)
Tiny marine worms with stink mouths, stomachs and tentacles. By multiplying, they form spectacular reefs, sometimes a thousand miles long.

Tree Frog (See Vol. 20)
Sings from branch to branch like a tropical artist. Secretly keeps toes deep in skin from falling off. His voice is more clam than croak.

Fossa (See Vol. 7)
Looks like a wildcat, smells like a wildcat. Only two feet long, but has been known to attack oxen.

Koala (See Vol. 10)
Loudst voice in Australia. Bellowlike odor. (He eats eucalyptus leaves, smells like eucalyptus.) Also known as kangaroo, koolewoong and... Teddy Bear.

Wattlebird (See Vol. 21)
Has bell-like call and sings of a bell, but prefers to travel by foot. Hunts forest floor for meals, bounding left and right like a pouncing ball.

KROGER PRICE KEEP GROCERY

HERE'S PROOF: KROGER HAS LOWERED OVER

On June 15 The Kroger Co. committed itself to being the St. Louis area's low price leader. To meet this challenge, we sent the Price Patrol, a team of local housewives, out to check 150 food prices each week, in the nine leading St. Louis area food retailers... including KROGER!
The price patrol has used over 600 of the most popular name brand items in their price checks.

Each week, for 11 straight weeks, Kroger led with the most low prices of all stores they checked. Then, one of the stores lowered prices... and beat Kroger.
In an effort to remain the low price leader, Kroger lowered their prices. Again, we were beat... again we lowered prices... Because Kroger is determined to remain the St. Louis area's low price leader, we have lowered over 1,000 prices as of this week.

Two qualify as merit scholarship semi finalists

Kevin Konzen, a student at Granite City High School South, and Jonathon Newcomb, a student at Granite City North, have been named semi-finalists in the 1976 National Merit Scholarship Program.

They are among 15,000 students who will continue in the competition for about 3,800 Merit Scholarships which will be awarded next spring. Konzen is the son of Mr. and Mrs. Leo H.

Konzen, 3302 Princeton Ave., and Newcomb is the son of Mrs. Elizabeth Newcomb of the 4000 block of Laura Drive, Ponton Bluffs.

The announcements were made yesterday by Principal Gilbert Wainsley of GCHS North and Principal James Dumont of GCHS South.

More than one million students from more than 17,000

high schools entered the 1976 merit program by taking the 1974 Preliminary Scholastic Aptitude Test—National Merit Scholarship Qualifying Test (PSAT-NMQST).

The semi-finalists are the highest-scoring students in each state; the number named in each state is proportional to the

state's percentage of the nation's graduating high school senior class.

The semi-finalists, most of whom will complete high school and enter college in 1976, represent the top half of one per cent of the nation's most academically talented young people.

To continue in the competition, semi-finalists must advance to finalist standing by meeting a number of requirements that include being fully endorsed and recommended for scholarship consideration by their secondary school principals, presenting

school records that substantiate high academic standing, and confirming their high PSAT-NMQST scores with equivalent scores on the Scholastic Aptitude Test (SAT).

More than 90 per cent of the semi-finalists are expected to qualify as finalists and to receive certificates of merit next February. All winners of Merit Scholarships are chosen from the group of finalists. Every finalist competes for

one of the 1,000 National Merit \$1,000 scholarships. A finalist competes with all other finalists in a state for the scholarships allocated to that state.

The allocation procedure is the same as the method used to name semi-finalists. The National Merit \$1,000 scholarships are one-time, non-renewable awards supported by business and industrial sponsors and by NMSC's own funds.

A selection committee of professionals in college admissions and counseling is convened to select the 1,000 winners nationwide.

Finalists who meet the qualifications that sponsors of four-year Merit Scholarships designate for winners of their awards also will be considered for about 2,800 of these awards to be offered in 1976.

The list of sponsor's includes corporations, foundations, colleges, unions, and professional associations. Depending upon the minimum and maximum value established by the four-year Merit Scholarship sponsor, a winner may receive up to \$1,500 (or more) during each of the four college undergraduate years.

The 1976 competition is the 21st NMSC has conducted since 1956. In the 20 annual merit programs completed to date, more than 41,800 students have won Merit Scholarships valued at more than \$113 million.

NMSC will release the names of Merit Scholarship winners in three public announcements in 1976: winners of corporate-sponsored four-year Merit Scholarships will be announced on April 8; winners of one-time National Merit \$1,000 Scholarships will be named on April 22, and the announcement of college-sponsored four-year Merit Scholarship winners will be made on April 29.

KEVIN KONZEN

JONATHON NEWCOMB

Remove sales tax on chemicals for farms

Gov. Daniel Walker has signed legislation providing tax relief for Illinois farmers by exempting agricultural chemicals from the state sales tax. It is effective Oct. 1.

Walker said that in addition to the tax savings to farmers, the legislation will generate "millions of dollars in additional profits to Illinois farm supply dealers—farmers now spent by Illinois farmers in neighboring states which do not charge a sales tax on fertilizers and pesticides."

Iowa, Missouri, Indiana and Wisconsin do not charge a sales tax on agricultural chemicals. "Illinois farmers who leave the state to purchase chemical also purchase other mer-

chandise which results in a loss of tax revenue to the state and a reduction in sales profits to Illinois farm suppliers," the governor asserted.

Walker predicted the loss of state revenue resulting from the tax relief law will be offset in two ways:

1. Farmers buying other merchandise while purchasing their fertilizer and pesticides out-of-state may do all their shopping and buying in Illinois, with resulting increases in sales tax.

2. Additional money spent in Illinois on fertilizers and other merchandise will have a "ripple effect" on both the sales tax and income tax revenues.

Most women veterans have not taken GI Bill courses

About 94,000 women veterans who have not yet used their current GI Bill for education or training still have time to do so, but they should apply immediately to the nearest Veterans Administration regional office, the VA advises.

Deadline for completion of training—even including last year's two-year extension for veterans discharged after Jan. 31, 1955—is May 31, 1976, or 10 years from the veteran's date of discharge, whichever is later.

Only 46 per cent of the 174,000 women veterans eligible have trained under the current GI Bill. The comparable figure for "male veterans is 59 per cent."

Of the 99,000 women veterans who have used the current GI Bill for training, some may now be eligible for a special retroactive payment from VA.

Those who were enrolled under the GI Bill, while married, between June 1, 1946, and Oct. 24, 1972, are eligible for an additional \$30 each month of enrollment if they were not paid at the rate for married veterans.

The special payment is to equalize benefits with those received by married male veterans who trained under the GI Bill during this time, as the men received an allowance for wives.

Women veterans who meet these requirements should contact the nearest VA regional office to file claims for the money.

The cutoff date for filing

claims for the special payment is July 1, 1976, and proof of marriage while in training under the GI Bill must be furnished in connection with the claim.

Women veterans who proved to VA while they were in training that their husbands were permanently disabled and incapable of self-support already have been paid the additional amount, as have the women veterans who trained after Oct. 24, 1972.

Women who trained under the Korean war and World War II GI Bills are not eligible for the retroactive amount for husbands.

Stagner awarded bachelor degree

A total of 650 students received bachelor's degrees at Illinois State University at the end of the eight-week summer session, including Stephen Stagner, 3145 Carlson Ave.

There was no summer commencement ceremony. Students completing requirements for graduation in late August were eligible to participate in the June commencement ceremony.

Venice awards demolition contract

The G. H. Sternberg Construction Co. of Granite City which submitted a low bid of \$11,961 for the demolition of 19 dilapidated structures in Venice was awarded the contract by the Venice City Council at its regular meeting Tuesday night.

Other bids submitted were: Kern Construction Co. of Alton, \$12,365; Paul Seebold Concrete Co., Granite City, \$14,490; Luster Wrecking Co. of East St. Louis, \$17,885; Ted Kubenski, Granite City, \$23,618, and Miller

Excavating Co. of Granite City, \$23,695.

Under terms of the contract the contractor will furnish all labor, material, services and equipment necessary for the demolition of buildings, including the removal of all debris from the job-sites and leveling of the land, including basement fills where necessary.

The locations to be demolished are: 1122 Market St., one-story frame building; 1129 Market St., store front

attachment only; 1016 Logan St., block foundation and basement; 1036 Logan St., rear one-story frame; 1126 Calhoun St., one-story frame; 1223 Calhoun St., two-story frame; 1019 Douglas St., one-story frame; 1024 Douglas St., debris removal, building down; 411 Mercedia St., one-story frame; 339 Mercedia St., one-story brick; 612 Mercedia St., one-story block; 1511 Market St.,

GRANITE CITY PRESS-RECORD Thurs., Sept. 18, 1975 Page 23

rear one-story frame; 111 Abbott St., one-story frame; 129 Abbott St., one-story frame; 220 Kerr St., one-story frame, 416 Main St., one-story frame, 615 S. 4th St., concrete block walls.

The cost of the demolition program will be paid from federal revenue sharing funds. Work is expected to be completed within the next 45 days.

The City Council members are considering other structures to be demolished in an effort to clean up the city.

Fuse explodes

An overloaded electrical circuit caused a fuse to explode in the fusebox at the home of Freddy Young, 2804 National Ave., at 7:15 p.m. Wednesday.

The explosion caused about \$30 damage to the fusebox and wiring. Granite City firemen helped remove the faulty fuse and secure loose electrical wires.

Firemen and police were called to St. Elizabeth Hospital at 11:20 p.m. Tuesday on a false report.

Administrator, 8 teachers hired by GC School Board

The Granite City Board of Education approved the employment of L. William Fever as assistant principal of Prather Junior High School at a board meeting Tuesday night.

Fever was serving as a elementary school principal and high school guidance counselor for the Chatsworth (Ill.) Community School District.

The 37-year-old educator received both a bachelor and master's degree in education from Eastern Illinois University and was trained in guidance and counseling at the University of Illinois. Further training as an educator in the administration field was earned at Illinois State University at Normal.

The new assistant principal is originally from El Paso, Ill. His wife and four children will join him here within the month. He officially assumed duties at Prather on Sept. 8.

Also hired during the semi-monthly session were eight teachers for one year only, two custodians and two campus monitors.

Teachers hired include Mrs. Barbara Badgett of East Alton as a primary teacher at Emerson; Mrs. Jodean Cooke, 4629 Lake Drive, primary at Nameoki; Mrs. Katherine Gregus, Rural Route Two, Granite City, primary at Parkview; Mrs. Linda Knehl, 2224

State St., primary at McKinley; Mrs. Karen Meng, 3257 Kilarney Drive, primary half day teacher at Wilson.

Miss Judy Payne, 546 Chouteau Ave., primary-half day teacher at Marshall; Mrs. Elaine Parish, 78 Myrene Court, Granite City, primary-half day teacher at Webster and Mrs. Patricia Prosser, Collinsville, kindergarten at Niedringhaus and Washington Schools.

Custodians hired were Glen Bigham and Norman Malench, both of Granite City.

Terry Tessery will assume duties as campus monitor at North High School and Art Asadorian is to be campus monitor at South High School.

Sharon Bloodworth, a teacher at North High School, will be in charge of the girls volleyball and hockey game program as an extra-curricular activity.

Board members also approved the request for a leave of absence for Mrs. Linda Haddox who is a business education teacher at North High School.

Douglas to be Navy nuclear instructor at base in Idaho

Petty Officer 2-c Martin W. Douglas and Mrs. Douglas left today for Idaho Falls, Id., after a short leave with their parents, Mr. and Mrs. W. L. Douglas and Mr. and Mrs. Herschel Head, and other relatives.

Douglas has been stationed at the Charleston Naval Base, Charleston, S. C., since May 1974. He had been attached to the fleet ballistic missile submarine U.S.S. M. G. Vallejo operating out of Rota, Spain.

For special operations while

aboard the submarine, he received the meritorious unit commendation.

Douglas, a nuclear-trained machinist mate, was qualified to engine room supervisor status during his last patrol.

He will be a nuclear power plant instructor at the National Reactor Testing Station near Arco, Ida., one of three Navy nuclear prototype schools for all future nuclear operators.

Douglas is the former Ruth Ann Head.

Plan Ice Follies trip

Reservations may be made in person starting Friday at the Wilson Park office for the annual park district trip to the Shipstad and Johnson Ice Follies at the St. Louis Arena.

This fall's excursion will take place Sunday, Oct. 12.

A bus will leave the Wilson Park Ice rink at 4:30 p.m. Oct. 12, for the 6 p.m. show. Seating will be in the Arena circle, affording an excellent view of the show.

Harold Brown, GC Park District superintendent said.

Tickets are priced at \$4.50 for adults and \$2.75 for children, 16 years and under. In addition, a \$1.50 fee is charged for round-trip transportation.

The 1976 edition of the Ice Follies stars Janet Lynn, with the musical themes ranging from the nostalgic songs of the 1930's and 1940's to the contemporary sounds of the 1970's.

Performers include the dean of ice comics Mr. Frick, Richard Dwyer, Susan Berens and 32 Ice Follies.

Mrs. Gregowicz, 60, dies

Mrs. Anne M. (Karpowicz) Gregowicz, 60, of Belleville, a sister of Granite City residents and formerly of Madison, died at 11 a.m. Tuesday while visiting a daughter, Mrs. John (Barbara) Traynor in Metford, Ore.

She was a member of the Polish Roman Catholic Union in East St. Louis.

Her husband, Onufry Gregowicz, died July 30, 1973.

Other survivors include three sons, Dr. Andrew J. Gregowicz of Belleville, Phillip O.

Gregowicz of Collinsville, Robert P. Gregowicz of the U. S. Air Force based in Webb, Tex.; three sisters, Mrs. Martha McElroy of Granite City, Mrs. Theresa Sanders of Madison, Mrs. Roland Karpowicz of Granite City; her father Peter Karpowicz of Madison and 14 grandchildren.

Funeral arrangements are given in the obituary column.

Alton man hurt

Lee E. Slaton, 20, Alton, was admitted to Alton Memorial Hospital Wednesday after his auto and the car of Robert E. Flannery, Cottage Hills, collided on Route 111 at Lakeview Drive near Pontoon Beach at 2:30 p.m. Wednesday.

State police said both cars were northbound on Route 111 when Flannery's auto was believed to have gone out of control and slid on the wet pavement.

Three Madison High School students were expelled, pending further board action, and another was referred to Coordinated Youth Services for an alternative education program at a special meeting of the Madison School Board Tuesday night.

Two of the students were expelled when they did not show up for the disciplinary hearing and the other student left the meeting with his parents before the board took any action on his case.

Kline-Devany wedding in Cincinnati, Ohio

An out-of-town wedding of interest here was that of Miss Patti Ann Devany, a daughter of Mr. and Mrs. Edward A. Devany, 6237 Stirrup Road, Cincinnati, Ohio, and Gary James Kline, son of Robert Kline, 2708 Bentley Court, Cincinnati, on Aug. 16, at the Anderson Hills United Methodist Church in Cincinnati.

The bride is the granddaughter of Mr. and Mrs. James Hackney of Granite City. The Rev. Warren J. Bumgarner, performed the double-ring service at 7 p.m. Given in marriage by her father, the bride wore a long organza gown accented with Venice and Chantilly lace. Designed in an empire silhouette, the dress had long-fitted sleeves and an oval neckline trimmed with lace motifs.

Her mantilla veil was edged in matching lace flowers and she carried a bouquet of white rose buds, and phalaenopsis orchids. Maid of honor Miss Norma Jean Baker and bridesmaids, Miss Karen Adams, Mrs. Damon Runyan and Miss Beverly Kline selected rainbow-colored gowns in blue, orchid, mint and apricot. Fashioned of sheer organza dotted with swiss, the dresses were made with ruffled necklines and

full skirts encircled with gathered flounces.

Each attendant wore a matching picture hat and held bouquets of tinted daisies and ivy.

Melissa Ann Devany, the flower girl, appeared in a white pique dress accented with Venice lace trim and yellow satin lace. She held a basket of pastel rose petals.

Edward A. Devany II served as ringbearer.

The groom chose his brother, Henry Kline, as best man. Bruce Ferone, Damon Runyan, Patrick Beirne, were groomsmen.

Pages were Miss Elise Hacke and Miss Julie Moutell.

A reception was held at the American Legion reception Hall and a rehearsal dinner was served at the Quality Inn, both in Cincinnati.

The newly married Mr. and Mrs. Kline are now at home in Cincinnati following a wedding trip to New Smyrna Beach, Fla. A graduate of Richwood School, Peoria, Ill., the bride also graduated from Berry School, Birmingham, Ala. She is employed as an eye surgical assistant.

The groom was graduated from Withrow School, Cincinnati and the University of Cincinnati. He is self employed.

Mrs. King is class hostess

Mrs. Betty King, 2575 North St., entertained the Sunshine Class of the Second Baptist Church at a "hobo" style luncheon meeting featuring outdoor cooking, held at her home.

The hostess opened the morning session with prayer and led the group in singing the class song. Each class officer submitted a report and plans were made to prepare surprise boxes for church members who are ill. The group also agreed to send a donation to the state prison and discussed a Christmas-in-September project.

After the business session, Mrs. Marilyn Deatherage, a guest, gave a talk on "Roses in the Bible."

Closing meditations were given by Mrs. Evelyn Smith.

A noon luncheon of stew and peach cobbler was served by the hostess to birthday honorees, Mrs. Alma Burnett, Mrs. Janet Cross and Mrs. Dorothy Barnes, and other members, Mesdames Gloria Burnett, Beulah Cox, Mary Ann Culpepper, Ethel Cox, Rosemary Wilson and Gladys Hudgens.

National anthem Bay View topic

"The History of the National Anthem" was the subject of Mrs. Burdine Holtzschler at last week's meeting of the Bay View Reading Club in the home of Mrs. James Stuart.

The guest speaker played a recording of the anthem and discussed its origin. The pledge of allegiance was then repeated in unison.

Mrs. Russell Johnson, program chairman, introduced Mrs. Pauletta Mueller, who reviewed the book, "In God We Trust" by Norman Cousins, dealing with religion in America in the 1700. This year's programs will relate to the Bicentennial theme.

Sixteen members and two guests, Mrs. Sadie Schroeder and Mrs. Holtzschler, attended the season's opening session. The Sept. 25 meeting will be held at St. Peter Evangelical United Church of Christ, with Mrs. Lucia Allen serving as hostess.

GOLDEN FRIED SHRIMP DINNER EVERY DAY AT GRANT'S—\$1.99

Gospel Road to be shown Sunday

The Gospel Road will be shown Sunday at the First Assembly of God Church, 24th Street and Grand Avenue, beginning at 6:30 p.m.

The Gospel Road, distributed by World Wide Pictures, was conceived and produced by Johnny Cash and his wife, June Carter Cash. The film is a blend of scripture-based narrative, specially written songs and character portrayals with Israel as the setting, according to the producers.

MRS. MYRTLE BRUNS IS CLUB HOSTESS

Mrs. Myrtle Bruns entertained her pinocchio club Monday afternoon in her home, 2128 Cleveland Blvd.

Prizes were won by Mesdames Cecil Kennedy, Theresa Walkenback, Leona Parente and Kathy Murphy. Also present were Margaret Richardson, Vi Edwards and Marie Perry. Mrs. Edwards will host the next session.

ALDERMAN AND MRS. MORLEN

Everett Morlens mark golden anniversary

First Ward Alderman and Mrs. Everett Morlen, 2856 E. 24th St., will be honored on their 50th wedding anniversary on their 50th wedding anniversary from 4 to 8 p.m. Saturday at a reception in the Fellowship Hall of Tri-City Park Tabernacle Church, Clark Street and Buenger Boulevard. Alderman Morlen and his wife, the former Stella Richardson, were married on Sept. 20, 1925 in Carter County, Mo. They moved to Granite City in 1926 and have resided here since that time. Initially employed at Union Station in St. Louis, Alderman

Unit 307 flag float to mark Bicentennial

Venice-Madison Unit 307, American Legion Auxiliary, held its monthly meeting at the Legion Home in Venice on Thursday, with President Dorothy Hinson presiding. Mrs. Mary Ballentine was installed as chaplain for this year. She had been unable to be present at the installation in July. Chairmen of committees for the year were appointed. Next meeting will be the unit membership party Oct. 9 at 8:30 p.m. Donations were made to the Leonard Wood Memorial for Leprosy, and to the United Way. In the Bicentennial spirit, the Unit voted to buy a set of 18 flags of the early U.S.A. for a float to be made for a parade next July, and also to be used for programs throughout the year. Reports were made on the state convention held in Chicago in July and the national convention at Minneapolis in August. A social hour was held, including games and lunch. Hostesses for the evening was the new president, Miss Hinson. There were 18 members present.

Madison Baptists plan excursions

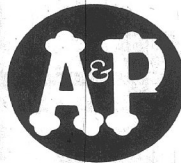

"For God So Loved" was the subject for a devotional lesson presented by Mrs. Bertie Hobbs at a meeting last week of the Happy Bunch of the First Baptist Church in Madison. Members met in the fellowship room of the church and made plans for a trip to Springfield, Ill., to visit the new Baptist building on Monday and a trip to Grafton, Ill., to pick apples on Sept. 30. A pot luck dinner was served at noon to the Rev. Paul Davis and Mesdames Beverly Davis, Eula Lively, Opal Fogle, Jeannette Young, Jewel Ratliff, Anne Jones, Lillian Stemmer, Nellie Polotzek, Ruth Hannebrink, Ora Jones, Miss Altha Lassen and Miss Nora Rogers.

Free fashion shows start in Downtown Granite City

SOFT FLUID LINES of the new Oiana fabric are shown to great advantage in the dusty rose frock modeled by Pat Spiroff for Stefanie Shop in Tuesday's style show at the Washington Theater. The short dressy dress is returning for evening, show patrons learned. Different outfits will be shown from 1:30 to 2:30 p.m. Friday and at luncheon on the next two Tuesdays, sponsored by Downtown Granite City, Inc. (Press-Record Photo)

By VALERIE EVENDEN
Press-Record Staff Writer

More than 350 persons attended the first of five free fashion shows sponsored by Downtown Granite City, Inc., and held Tuesday noon at the Washington Theater.

A second show is scheduled from 1:30 p.m. to 2:30 p.m. Friday, arranged for bank employees and the general public, and a third segment on Tuesday, again from 11:30 a.m. until 1:30 p.m.

Completely different fashions and accessories will be displayed by Downtown Granite City retail firms at each showing.

Two additional presentations on Tuesday, Sept. 23, and Tuesday, Sept. 30, are planned. Again, totally contrastive outfits will be featured from the fall collections at local shops.

Mrs. Marilyn Lunsford, general chairman, said.

To enable patrons attend during a lunch hour break, box lunches will be available, catered by F. W. Woolworth & Co. Each includes a ham or cheese sandwich, potato chips and cookies for \$1. Soft drinks may be purchased at the theater concession stand.

Mrs. Lunsford stressed that the mid-day shows are designed to afford the patron with only limited time an opportunity to view the latest fashion trends.

"We are urging the public to come in for 15 minutes, an hour or stay the entire two hours. Most people came and left as their individual time dictated on Tuesday and this is exactly the way we have planned the shows."

"The sponsoring shop owners have arranged the entire presentation around the premise that a career girl has only a limited time available during the daytime and a homemaker may be able to leave her home just for a short period," the chairman stated.

Several firms have agreed to join the stores who set up displays in the theater lobby Tuesday, around which clusters

of show patrons were gathered at various times.

In the lobby area were exhibits from Merle Norman Cosmetics Studio, Champion's Potpourri, Hudson Jewelry, Earl's Sporting Goods Store and F. W. Woolworth Co.

Also to be repeated at all remaining shows is the presentation of a special ticket to each patron entitling the bearer to a ten per cent discount on non-sale merchandise at any of the participating firms, if redeemed on Tuesday through Thursday.

"Many attending Tuesday's show said they planned to return to see another presentation," Mrs. Lunsford said.

Among the downtown firms who will display clothing fashions in the remaining shows are:

Carp's Department store; Boutique I by H. G.; Schermer's Men's and Boy's Shop; Ruth's Store of Fashion; Libson Shops; Trattler's Men's Wear; Tops 'N Bottoms; Stefanie Shop; Marilyn's House of Fashion; Leader Department Store and Earl's Sporting Goods Store.

Shoes were furnished by Bunte, Daniel's and Leader stores, cosmetics by Merle Norman Cosmetics Studio and jewelry by the Hudson, Walker and Michel jewelry stores.

The National School of Music is assisting by providing a public address system and the runway is on loan from Elite Hairdressers Affiliate 33, the local beauticians' organization, Mrs. Lunsford said.

HUSBAND AND WIFE TEAM. Karen and Donald Bridick appeared as a duo in one segment of Tuesday's free fashion show in Downtown Granite City's Washington Theater. Karen, wearing a long Hawaiian print skirt in shades of green and orange on ivory and a solid orange blouse, modeled for Stefanie Shop. Her husband, modeling for Schermer's Men's and Boy's Shop, selected a camel hair and nylon sport coat, turtleneck shirt and contrasting slacks. Free shows are planned on Friday and Tuesday and again on Sept. 27 and Sept. 30. (Press-Record Photo)

VOTED MOST UNIQUE in show was Kay Arnette's camouflage coveralls and 45-pound deer killing hardwood bow, an outdoor "Togetherness" costume shown by Earl's Discount Store in Tuesday's fashion event at the Washington Theater. A total of 118 different outfits were presented by downtown retail stores in the two-hour presentation. An hour-long show is set from 1:30 to 2:30 p.m. Friday and continuous showings from 11:30 a.m. until 1:30 p.m. on the next two Tuesdays. The public may attend without charge. (Press-Record Photo)

Webster principal meets parents

Girl Scouts and Boy Scouts, together with Brownie and Cub Scout units, all sponsored by Webster Parent-Teacher Association, used a Bicentennial theme to highlight the

program last week at the PTA's first meeting of the 1975-76 school year.

James Jeffries, newly appointed school principal, was introduced and spoke on the

topic, "Students and Pride in Your School." He also reviewed several changes in policy authorized in recent months by the Granite City Board of Education.

Browne Troop 198 conducted the program, entitled "America."

The Brownies were assisted by Cheryl Blanton and Joan Mann, Jr., and Junior Girl Scout troops, 704 and 29, respectively; Jerry Mize of Cub Pack 20 and Frank Schermertmann Jr. of Boy Scout Troop 20. The two Junior Girl Scouts also led the audience in the pledge of allegiance.

Mrs. Barbara Schwertmann, PTA president, was in charge of the business session and introduced the new principal.

PTA members voted to purchase two new books for the Webster Learning Center, after Mrs. Marilyn Fritsch, teacher at the center, noted the volumes will be beneficial at all levels.

Miss Mary Yokel and Mrs. Pam Peters, faculty members, were asked to serve with Guy Cooper in preparation of a 1975-76 budget. Mr. and Mrs. Donald Gray were appointed to arrange the annual "Spook Carnival" at the school.

During the evening, Mrs. Paulette Gray conducted a membership enrollment campaign which will continue at each PTA meeting, and Mr. and Mrs. Jerry Mize, hospitality chairman, reviewed plans for a tea for mothers of kindergarten pupils to be held in the school cafeteria.

Refreshments were served by the executive board members. Appointments followed the meeting theme and cakes were decorated with miniature American flags.

The room attendance banner and a \$10 cash award were presented to Mrs. Pat Wirjes, third grade teacher.

Nameoki Church plans retreat

Members of the Nameoki United Presbyterian Church will attend a retreat from 1:30 a.m. Monday next to Bob Davis, Realty on Maryville Road south of Route 203, where E. C. Barnhart, owner, and Sharon L. Kline, purchaser, are requesting a special use permit to construct a permanent residence and to operate an interior decorating studio within the house.

The property is located in an R-3 single family residential district of Nameoki Township.

Others attending were Miss Roseann Idell and Mesdames Jeannie Deutschman, Mary McGinnis, Dorothy Miller, Theresa Patton, Ruby Williams, Sue Burkhardt, Lenore Welby, Thelma McIntyre, Edith Harris, Merle Price, Margaret Mayes, Jerry Childers and Jo Ann Patterson.

Overberg family hosts reunion

Members of the Overberg family met this week at Wilson Park for a reunion, picnic luncheon and afternoon of outdoor games.

Those attending were Mrs. Charles Fulmer, Pearl, Ill.; Mr. and Mrs. Wayne Hoots, Milton, Ill.; Mrs. Lucille Dalton, Navy B-MI-C and Mrs. Frank Wilshon and family, Great Lakes, Ill.; Mr. and Mrs. George Mohlar and family, Fairmont City, Mr. and Mrs. George Mohlar Jr. and family, St. Charles, Mo.; Mr. and Mrs. Charles Morris and family, Mr. and Mrs. Charles Morris Jr., Mr. and Mrs. Bruce Dillard, Mrs. Katherine Morris, Mrs. Vina Cathron, Mr. and Mrs. Robert Stanton and family, Miss Mary Zotti and Miss Nancy Ripley.

Mr. and Mrs. Charles Meyers and family, Roxana, Ill.; Mr. and Mrs. Frank Milarec and family, Miss Kelly Cottrell, Mr. and Mrs. William Bright, Mr. and Mrs. George Diak and family of Godfrey, Ill.; Mr. and Mrs. John Klaus, Mr. and Mrs. Robert Wilcox and family, Mr. and Mrs. Bill Barker and family, Ronnie Eads and family, and Mrs. Steve Eads and family of St. Louis County.

Mr. and Mrs. Norman Kinder Sr., Mr. and Mrs. Norman Kinder Jr. and family, Mr. and

Baptist Youths to host chili supper

The Youth Group of the First Freeville Baptist Church, 2216 Charles St., will sponsor a chili supper at 7 p.m. Friday at the church, according to the pastor, the Rev. Charles Rhoades.

The supper is being offered free but any donations will be used for traveling expenses to the national Bible Bowl competition to be held in Oklahoma in January.

8 recovering after surgery

Patients at St. Elizabeth Hospital who have undergone major surgery since Monday, Sept. 8, are recovering well.

Scott D. Calvin, 3801 Lake Drive, Juan Cisneros, East St. Louis; Hilda Johnson, 2229 Nameoki Road; Mattie Ogilvie, Collinsville; James P. Riggs, 2300 W. 23rd St.; Hobson Swindler, 2959 E. 24th St.; Frederick Thompson, Indianapolis, Ind.; Evelyn Washam, 607 Mercedia Ave., Venice.

Zoning hearing

The Madison County Zoning Board of Appeals will hold an on-site public hearing at 9:45 a.m. Monday next to Bob Davis, Realty on Maryville Road south of Route 203, where E. C. Barnhart, owner, and Sharon L. Kline, purchaser, are requesting a special use permit to construct a permanent residence and to operate an interior decorating studio within the house.

The property is located in an R-3 single family residential district of Nameoki Township.

Others attending were Miss Roseann Idell and Mesdames Jeannie Deutschman, Mary McGinnis, Dorothy Miller, Theresa Patton, Ruby Williams, Sue Burkhardt, Lenore Welby, Thelma McIntyre, Edith Harris, Merle Price, Margaret Mayes, Jerry Childers and Jo Ann Patterson.

JEFFERY PULLEY Graduates

Former resident is Air Force graduate

Jeffery Scott Pulley has graduated from Lackland Air Force Base, San Antonio, Tex., and is now stationed at Sheppard AFB, Tex., where he is training as an air cargo specialist.

Formerly of Granite City, the serviceman attended local schools and graduated from Livingston (Ill.) High School. He is a son of Mrs. Katherine Puckett of Granite City.

MISSING TEENAGER. Michelle Mann, 14, of 1621 Edison Ave., who disappeared Sept. 9. She was seen once Sept. 10, near Granite City High School and is believed in the Granite City area. Persons having knowledge of her whereabouts have been asked by the family to contact the Granite City Police or her aunt, Linda Connor, at 451-7826.

Salad luncheon at Grace Baptist

The Baptist Women's group met at Grace Baptist Church last week for a salad luncheon and a monthly meeting.

President Margaret Michaels presided and led the opening song. The Bible readings were given by Mrs. Agnes Kern.

A devotional program was presented by Mrs. Mary Patterson, assisted by Mrs. Ruby Williams and Mrs. Wilma Parker, who read scripture verses.

Guests included the Rev. William Duval and Lindell Skinner, bus director and associate pastor.

Others attending were Miss Roseann Idell and Mesdames Jeannie Deutschman, Mary McGinnis, Dorothy Miller, Theresa Patton, Ruby Williams, Sue Burkhardt, Lenore Welby, Thelma McIntyre, Edith Harris, Merle Price, Margaret Mayes, Jerry Childers and Jo Ann Patterson.

Gardenaires tour county museum

A tour of the Madison County Historical Museum in Edwardsville was made last week by members of the Gardenaires Garden Club.

The event was in keeping with the Granite City club's year-long observance of the bicentennial and its September theme—"Heritage."

Prior to the tour, the group convened at the home of Mrs. William Long of Pin Oak Road in Edwardsville. The 10 a.m. business session was conducted by Mrs. Charles Kohl, president, with summer activities reviewed and programs planned for the next three months.

This month's display in the Mini-Garden Information Center at the Granite City Public Library focuses on the use of nut trees in the home garden.

Mrs. A. A. Malotki reported. She was assisted in preparing the display by Mrs. John Farrell and Mrs. Earl Glenn, Mrs. Malotki advised.

Results of a recent survey by the National Council of State Garden Clubs, Inc., concerning guidelines to be established for clubs in a new Civic Concerns program, were reviewed. The project will be sponsored nationally by the national council and Sears Roebuck and Co.

Melons were the subject of an informative talk given by Mrs. Roy Hurremann, horticulture chairman, and also provided

the response for roll call. Mrs. Long furnished salads and dessert for a sack luncheon served prior to the tour.

Mrs. Kohl announced the 21st anniversary of the Gardenaires will be celebrated on Oct. 9 at the home of Mrs. Farrell in Fosterburg, Ill.

In addition to those named, also present were Mrs. C. E. Eads, Mrs. Thomas Layloff Jr., and Mrs. R. A. Hintz.

FLAG POLE DEDICATION and flag presentation took place Sunday at 11:45 a.m. at St. Mary's Roman Catholic Church in Madison. Boy and Girl Scouts led a procession from the church to the northeast corner of the schoolyard where the flag pole stands, where the dedication took place. From center, left to right, Father Conrad Motola, associate pastor of the church; Gene Jotte, representing Congressman Melvin Price, who presented a flag that has flown over the U. S. Capitol in Washington;

Madison Mayor Mike Sasyk and Father Ralph Scherrer, pastor of St. Mary's. Arrangements for the event were handled by John Belcoff. The dedication ceremonies were held in conjunction with a worldwide observance of the canonization of Saint Elizabeth Ann Seton in Rome the same day. Mother Seton is the first American-born woman to be declared a saint of the church.

Home improvements up to \$15,000 exempted

A newly-signed four-year exemption from assessment increases for improvements made by taxpayers on their homes provides that home improvements of up to \$15,000 in value are not to be counted.

Such improvements will not count in the assessed value of a

home for the first four years after the improvements have been made. The law applies if the home is occupied by the owner.

The bill Gov. Daniel Walker signed is House Bill 1386, sponsored by Rep. Thomas J. Hanahan (D-McHenry) and Rep. Ralph J. Capparelli (D-Chicago). It applies to the 101 Downstate counties.

House Bill 883, which makes a similar provision for Cook County, was signed Aug. 28. It was sponsored by Rep. Capparelli.

Gov. Walker said, "The prospect of a property tax assessment increase works to discourage many homeowners from making improvements. These are needed improvements and often cannot be avoided."

"Adding a room when the family gets too large or modernizing a kitchen or bathroom puts enough of a squeeze on the homeowner's budget. That homeowner shouldn't have to face an immediate tax increase on top of the improvement cost."

"Often, the homeowner can't afford both the cost of the improvement and the increased tax at the same time. Now the taxpayer will have some 'breathing room' before his tax goes up."

"We should encourage homeowners to make improvements to maintain the stability of the neighborhood. Increased assessments are levied because of the improvement often discourages improvements. This new law should lead to more improvements and stable neighborhoods."

Suit for \$25,000

A suit seeking \$25,000 from the Granite City Park District has been filed in Madison County Circuit Court by Frederick M. Hyman in behalf of his son, Frederick Michael Hyman III.

He alleges that on Aug. 8, 1974, while his son was using playground equipment at Triangle Park, 12th and Meridian streets, the boy was hurt upon striking broken bottles and glass after sliding down a sliding board.

2 STUDENTS SLIGHTLY HURT ON MADISON AVE.

Two youths received minor injuries when they ran across Madison Avenue from the Granite City High School South campus toward the National Food Store and were struck by an auto.

Dorothy Mathews, 3132 Willow Ave. was driving northwest on Madison Avenue toward Nameoki Road. Marsha Hare, 12, of 2338 Edwards St., and Terry Taylor, 12, of 2519 Edwards, suffered minor abrasions and bruises which did not require hospital treatment.

The children told police a school bus was stopped in the inside lane heading toward Nameoki Road and they thought the bus driver motioned for them to proceed in front of the bus. When they did so, they continued into the outside lane and were not able to see the oncoming car due to the bus blocking their vision.

Role of legal advice in home improvements

So you are about to hire a contractor to have some work done on your house? The Illinois State Bar Association advises there are some legal steps to take to protect yourself against shoddy work or from paying more than the amount you agree upon.

For one thing, you should know something about the law of liens, the association says.

All too often, the ISBA adds, people sign a substantial home improvement contract, perhaps one running into thousands of dollars, while giving little thought to the legal aspects of real estate property improvements.

One of these legal aspects is the Mechanics' Liens Act, a law which gives any worker who makes improvements — and each supplier of material used in the improvements — to the property — the right to file a lien, or claim, against that property if full payment for services or materials is not made.

If necessary, anytime within two years after the work was done — presuming that the lien was properly filed with the county recorder — the lien holder may foreclose the lien and perhaps force sale of the property so that the bill will be paid from the proceeds.

A worker who is a subcontractor has a similar right but must notify the property owner of the non-payment within a certain time period before filing a claim for lien.

Most homeowners, the ISBA says, think of hiring a contractor and paying for the work when it is done as a rather cut-and-dried affair. Since most home improvement contractors are reliable people, it is usually just that. However, there is always the exception.

Take the case of a Chicago woman. She wrote a check to the contractor for the full amount of the remodeling and redecorating work on her home, presuming that her payment of several thousand dollars ended the matter.

A short time later, she received a notice from the electrical subcontractor advising her that he had not been paid for his part of the job. To keep him from filing a lien on her property, she paid the electrical subcontractor's bill, even though her check to the contractor had covered his work.

She sued the contractor in an effort to recover the amount of her overpayment. But had she sought advice in the first place, she would have been spared the trouble and the extra expense.

Her lawyer would have stressed these points: First, require the contractor to give an affidavit — a notarized statement — which lists the names of all of the subcontractors, their addresses and the amounts of their subcontracts.

Second, before paying the contractor, ask for waivers from subcontractors waiving their rights to any liens in connection with the work that was done, and containing waivers of lien from their material suppliers.

Finally, compare the contractor's sworn statement to the waivers to be sure that all liens have been waived as to the amounts due or requested.

A lawyer also would instruct a client as to protections against shoddy workmanship, work left undone, use of inferior materials or unnecessarily protracted work schedules.

In most cases, adequate guarantees can be written into the contract which, especially if it is a sizable one, should be examined by the lawyer if not actually prepared by a lawyer.

He also would give advice as to the timing and amounts of payments as the work progresses, assurances of proper performance, and use of public liability insurance to cover injury to others on the work site.

One of the best guarantees of a job well done is the good name and reputation of the contractor. Make sure the contractor has an established place of business; ask for references. Go to the site to examine the contractor's previous work that is similar to what you have in mind, and perhaps check with the Better Business Bureau or Chamber of Commerce to determine whether any complaints have been made against the contractor — all before signing anything.

S. Illinois Builders praised for safety

The Southern Illinois Builders Association has received the 1975 National Safety Council Association Safety Award for service in promoting the efficiency and effectiveness of safety programs for its contractor members. It is the second consecutive year SIBA has won this award.

The judges, representing the American Insurance Association, American Mutual Insurance Alliance, American Society of Association Executives, Chamber of Commerce of the U.S., National Industrial Council, Salt Institute and the National Rural Electric Cooperative Association, reviewed the safety program and voted to give SIBA the award.

SIBA represents 85 general contractors performing building, heavy and highway construction in Southern Illinois.

SIBA has also received the Merit Award for Accident Prevention from the AGC in recognition of 100 per cent cooperation in the national AGC safety program.

SIBA also was awarded second place among AGC chapters for percentage of members cooperating in accident reporting with the lowest member frequency for the year ending Dec. 31, 1974.

Recordable accidents among active members decreased from 289 in 1973 to 144 in 1974. Forty-four member firms of SIBA have received certificates of commendation for having no disabling injuries during 1974. The Safety Committee of SIBA has presented comprehensive programs on the Illinois takeover of occupational safety and health regulation; scaffolding; earth moving equipment; what to do during an inspection; eye protection; and the U. S. Department of Labor 10-hour course for construction.

These programs were presented at various locations and were attended by more than

1,000 contractors and their employees.

A high point in recognition of the association's safety efforts was reached when the SIBA board asked Dewey Bowers, Frain-Coburn Corp., St. Louis, a member of the safety committee, to address the membership at the annual SIBA meeting last Oct. 17, a spokesman noted.

A safety guidelines manual was published by the committee and distributed to all SIBA members.

Prepared in order to assist contractors in the development of accident prevention programs, the manual includes a company safety program, inspection checklists, "toolbox talks," OSHA and Illinois report forms, a hospital directory and a copy of OSHA standards for construction.

A guide for contractors and job superintendents called "What to Do When the OSHA Inspector Knocks" was distributed to all members. It is intended to assist job site representatives to be certain that contractors' rights and interests as employers are protected under OSHA.

Safety films and the slide-tape construction safety series for the Zero Accident Program, designed to help the contractor in meeting requirements for safety training, are available for safety meetings and talks.

Over 2,000 construction workers have received first-aid training through the SIBA. The multimedia films on first-aid are being used in all apprentice training programs. The association cooperates with Boy Scouts, YMCAs and schools to make a first-aid training available to them.

Through the cooperation of joint apprenticeship committees, the safety committee has developed safety programs for each apprentice school. Safe work practices are taught as an integral part of an apprentice's training.

Safety information and developments are regularly communicated to SIBA members through bulletins; last year, 27 safety bulletins were mailed.

"The Safety and Accident Prevention Committee is continually developing new programs. Only through education and cooperative efforts can we hope to achieve a healthful and safe workplace in construction," the spokesman commented.

"The committee is presently working on safety programs with SUE and the American Red Cross."

"We feel that the above is a significant measure of our safety efforts and was accomplished with a staff man assigned part-time to safety and a completely volunteer safety

FIRST PROJECT OF THE YEAR. The Granite City High School South Social Studies Club held a car wash during the weekend as the first of several projects to earn an estimated \$5,000 to cover expenses of a

spring trip tentatively scheduled for Washington D.C. In addition to other car washes, the group plans to sell oranges and candy. Phillip Shatto is the faculty advisor to South's Social Studies Club.

(Press-Record Photo)

Frank Perry, 68, dies here

Frank Arthur Perry, 68, of 1625 Fifth St., a lifelong resident of the Quad-Cities, died at 8 a.m. Tuesday at St. Elizabeth Hospital.

A member of the First United Methodist Church in Madison, he also belonged to Masonic Triple Lodge 835, Ainal Shrine and Scottish Rite Bodies.

Mr. Perry retired four years ago at the Granite City Army Installation where he was employed as a draftsman for 16 years.

He had been ill for two years and hospitalized 10 days.

Survivors include his wife, Mrs. Theodora Perry; one son, Frank A. Perry, Diamond Barr, Calif.; his mother, Mrs. Minnie

Perry of Edwardsville; two brothers, Walter Perry of Granite City and Leroy Perry of Madison; a sister, Mrs. Elsie Vance of Granite City, and two grandchildren.

Funeral services were held today. Details are given in the obituary column.

Special activities as SIUE students return

When students at Southern Illinois University at Edwardsville return to fall classes next week, they will be greeted with activities ranging from soft rock and country-western music to a speaker promising them insight on curing headaches.

The activities are part of a three-day "welcome-back" program and open house sponsored by the Major Events Council and the University Center Board.

Beginning Wednesday, Sept. 24, an activities fair will be held in the Goshen Galleries from 9 a.m. until 3 p.m. From noon until 2 p.m., Woodrose, a soft rock band, will perform on the bookstore patio.

On Thursday, Sept. 25, from noon until 2 p.m., a country-western concert will be performed by Roadapple on the bookstore patio.

Jerry Tepite will speak on the topic, "How to cure headaches, colds, and sore throats" in the Goshen Lounge from 11:30 a.m. until 1 p.m. Friday, Sept. 26.

A selection of films from the New York Erotic Film Festival will be shown in the Meridian Ballroom periodically during the day. The collection includes nine color films and three black-and-white films. Admission for SIUE students and alumni is \$1; for non-students, \$1.50.

A contemporary music concert by Prism will be held on the bookstore patio from 1 p.m. until 3 p.m. Friday, Sept. 26.

A reunion of students, participating in the summer new student orientation will be held in the Deja Vu Coffeehouse from 6:30 p.m. until 7:30 p.m.

and from 7:30 p.m. until 9 p.m., Jerry Tepite will speak in the Goshen Lounge on the subject, "How to relax and enjoy being a student through the art of Shizatsu, Hatha Yoga and meditation."

The Recreation Center will offer free recreation from 8 p.m. until midnight Sept. 25 to students with identification. Dancing to the contemporary music of the "Globe Theatre" will be held in the cafeteria from 9 p.m. until 1 a.m.

The next day, Saturday, Sept. 27, from 7:30 a.m. until 10:30 p.m., there will be a concert by Leo Kotke and a special guest, Jaamine, in Meridian Ballroom.

Additional information on any of the events can be obtained by contacting the Major Events Council of the University Center Board, an SIUE spokesman said.

Frank Kirk to address mayors

Frank Kirk, director of the Illinois Department of Local Government Affairs, will be the speaker at the regular meeting of the Southwestern Illinois Council of Mayors, Wednesday, Sept. 24, at the Edwardsville Holiday Inn.

A social hour will begin at 6 p.m., with dinner at 7 p.m. The meeting will begin at 8 p.m.

Mayor Clyde Hartung of Edwardsville will host the meeting. A program of entertainment will feature Joe Jilava leading the Joy James Orchestra.

McDonald's® now presents breakfasts like Mom used to makefor Only 50¢

For a limited time only, McDonald's is making this breakfast offer available. Have your choice of Scrambled Eggs & Sausage or Hotcakes & Sausage for only 50¢ and the coupon below. It's the perfect way to start off your day.

Eggs and Sausage
Folks are scrambling for 'em. Just like Mom, we start with a couple of fresh eggs. Then we scramble 'em up, hot and hearty, in pure butter. Next, we add a pat of tasty pure pork sausage. And finally, a golden toasted English muffin.

So why not let us do the scrambling tomorrow?

Hotcakes and Sausage
Our Well-rounded Breakfast
Our hearty, man-sized hotcakes are the kind Mom made for Dad on Sunday morning. They're smothered in syrup and melting butter. And with them you get a big pat of our pure pork sausage.

Try 'em. And round out your day.

BREAKFAST
Present this coupon at any area McDonald's and receive your choice of Hotcakes & Sausage or Scrambled Eggs & Sausage for only 50¢.

Offer good only through 9/24/75

Only one coupon redeemable per customer per visit during breakfast hours. Good at All St. Louis/Metro East McDonalds.

McDonald's
We do it all for you.

Police pistol match Saturday

Provisions have been made for up to 100 competitors in the Granite City Police Department's fourth annual police combat pistol match which is to take place Saturday at the John Marshall Gun Club range near Highway 162 and the railroad tracks near E. 23rd St.

Last year, 128 competitors from police and security agencies within a 300 mile radius competed in the event and many late entries had to be rejected.

This year, nearly 120 entries have been received, mostly from Illinois, Missouri and Kansas. Entries include police officers, sheriff's deputies, state troopers, security guards, FBI and FBI officers, railroad security agents and others employed in the field of law enforcement.

The event is sanctioned by the National Rifle Association of America.

The competition here precedes the National Police Combat Championships each year in Jackson, Miss.

The day-long event will include a morning session and an afternoon session Saturday. Team trophies will be awarded as well as trophies for top scores in master, expert, sharpshooter, marksman and unclassified divisions.

A full range of shooting positions, target distances, quick-draw and rapid-fire techniques will be required.

Competition is keen each year with many of the best combat shooters in the Midwest entered. Last year's overall winner was Charles Smith of the St. Louis Police Department who scored 1,477 points out of a possible 1,500 points.

The public is welcome to view the match, but entry is limited to pre-registered professional law enforcement officers.

Hunting-Fishing Day program planned at Venice Sept. 27

All sportsmen's clubs, conservation and community organizations and school groups in the Venice-Madison area are interested in participating in the National Hunting and Fishing Day program scheduled Sept. 27, at Lee Park, Venice, have been asked to contact Herman Smith at the West Madison Rod and Gun Club for information.

The theme of this year's program will be "The Sportsman and Conservation," emphasizing the many ways in which hunters and fishermen have contributed to conservation since the turn of the century. Any organization interested in providing a con-

servation display or a casting, archery, camping or shooting exhibit is welcome, Smith said. Sept. 27 will mark the fourth annual observance of National Hunting and Fishing Day, actively supported by over 40 national conservation organizations, including the National Wildlife Federation, Wildlife Management Institute and the Izaak Walton League. Last year, some 14 million Americans attended NHP Day celebrations sponsored by over 3,000 sportsmen's clubs and conservation groups in all 50 states, Smith noted.

Those interested in participating may contact Smith at 451-7930.

Grant to SIUE medical school

A grant of \$441,700 has been made by the Veterans Administration to Southern Illinois University School of Medicine. The one-year program is for modification of space for conducting educational programs at the Marion VA hospital.

Southern Illinois University was one of five awards made to medical schools. This brings to 18 the total number of medical schools nationally which have received assistance under the program known as medical school assistance and health manpower training.

Twenty-six other health professions schools were included in the \$39,525,000 in grants made concurrently with the Illinois school grant. These included schools of nursing, dentistry, pharmacy, podiatry, social service, and allied health professions.

The funds are intended to expand and enhance undergraduate medical education programs through broadened involvement with affiliated Veterans Administration medical facilities. The grant support is directed to award developing and strengthening individual clinical departments as well as establishment of

"clinical campuses" distant from parent medical centers. Upgrading from two-year to four-year programs in another objective.

Hospital notes

Patients admitted to St. Elizabeth Hospital Saturday: Jacki Alsbury, 41, of 604 Ashland; Belva Ashland, 604 Ashland; Terry Griffith, 2915 Pershing; Robert Barkley, 2414 E. 25th; Lawrence Gavisley, 1313 Iowa, Macoupin; Matthew Reither, 302 Kirkpatrick; Charlene Harbour, E. Junior Achievement to form new companies

The Junior Achievement Business Center, 3307 Wabash Ave., will open and form new "companies" on Monday, Oct. 6, under the sponsorship of American Steel Foundries, Granite City Steel, Illinois Power Co., A. O. Smith, and the First Granite City National Bank.

High school students that sign up for the JA program learn first-hand what business is about. The students meet for two hours, one night a week, from October through May when they capitalize, operate, and finally liquidate their own miniature companies.

Each JA company is composed of 15 to 25 members called "Achievers." Under the guidance of adult advisers from business and industry, they form their own board of directors, work force and sales staff.

The Achievers produce items ranging from boat lights to jewelry, and offer a variety of services.

According to Kenneth Gattung, local center manager, "Experiencing a company's operation, from start to finish, gives students 'real world' awareness of the business system."

"JA offers time to experiment and test aptitudes in working areas such as sales, management, purchasing, research and development. JA members are taking the first steps toward becoming knowledgeable voters, consumers and decision makers. They are learning practical fundamentals of the American business system."

Companies sponsoring JA activities this year and their volunteer advisers are:

American Steel, Vince Lohman, Richard Bills, William Bright, Harold Gattung, George Gordon, Al Heaton, Charles

Mucho, Lacey Randolph, Dave Sager, Mike Sandy Vennaus, Bill Wachter, Mrs. Gloria Nelson and Dave Stratler, Granite City Steel, Larry Drueh, Mike Harris, Hirschman, Charles Maxwell, Larry Merrick, John Petrillo, David Schmidt, J. W. Wyatt and Lloyd Miller.

Illinois Power Co., John Blasingame, Bill Demmer, Earl

Johnson, Mrs. Jo Meyer and Robert Schliecher.

A. O. Smith, Alex Dumoulin, Bill Lowry, Ralph Schwarz, Robert Thompson and Richard Seres.

First Granite City National Bank, Ed Pierce, Miss Joann Edwards, Mrs. Mattie Pope, Mrs. Erna Legendre, Miss Diana Thuis and Mrs. Linda Mance.

'Liberty Bell' here on Monday

Secretary of State Michael J. Howlett has completed plans for an exact replica of the historic Liberty Bell to visit schools in Madison, Macoupin and Montgomery Counties during the week of Sept. 22-26, as part of its year-long statewide tour.

It will visit schools in Madison County on Monday and Tuesday, Sept. 22 and 23; Macoupin County on Wednesday and Thursday, Sept. 24 and 25; and Montgomery County on Friday, Sept. 26.

"During this bi-centennial year, the bell will visit schools, libraries, shopping centers and other public facilities in all areas of the state," Howlett said.

"It is particularly appropriate that students — who represent our nation's future — be given the opportunity to view close-up this cherished symbol of America's commitment to the principles of liberty and justice for all."

Mounted on trucks painted red, white and blue, the replica of the bell, which heralded the signing of the Declaration of Independence 200 years ago, should inspire all of us to

strengthen our commitment to those principles.

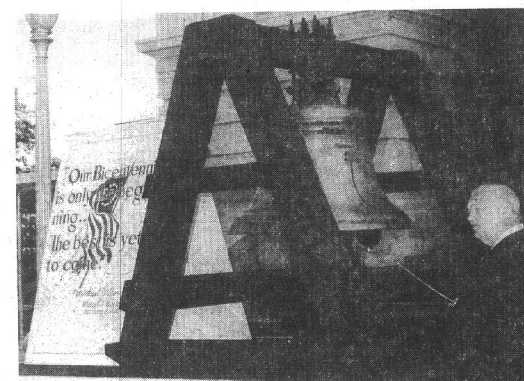

Specific arrangements for the school visits were made by county regional school superintendents.

Everyone observing the bell during its statewide tour will be invited to write his or her name on a sheet of paper.

The names and other memorabilia will be placed in a time capsule, which will be buried beneath the bell when it is permanently mounted on the State Capitol grounds in Springfield. The capsule is to be reopened on America's 300th birthday in 2076.

Fifty-three reproductions of the original bell were cast in France and distributed by the U. S. Treasury Department to each of the states and territories in 1950. They served as inspirational symbols in a campaign to sell United States savings bonds.

Mounted on trucks painted red, white and blue, the replica of the bell, which heralded the signing of the Declaration of Independence 200 years ago, should inspire all of us to

LIBERTY BELL REPLICA. Michael J. Howlett, secretary of state, rings the Liberty Bell replica that currently is on tour throughout Illinois. The bell will be in Glen Carbon from noon to 10 p.m. Sunday during the Glen Carbon Glenfest, and it will be at three local schools Monday, Sept. 22—Harris School in Madison 11:30 a.m. to 12:30 p.m.; Blair School of Madison district (North Venice), 1 p.m. to 2 p.m.; and Coolidge Junior High School, 2:30 to 4:30 p.m.

Big growth in career education; Illinois ranked as national leader

At hearings Monday in Springfield of the U. S. House Subcommittee on Elementary, Secondary and Vocational Education, Illinois State Superintendent of Education Joseph M. Cronin urged a five-point plan for vocational education, giving as one example the growth of enrollment in approved vocational educational programs from 165,947 in 1968-69 to 580,966 in 1973-74.

"Illinois is the national leader in career awareness programs," he said. "We have enrolled more than one million elementary school students in fiscal year 1975 in approved programs of occupational information."

Dr. Cronin said, "and there is particular emphasis on a positive attitude toward work."

The state superintendent remarked also that Illinois is acting on eliminating discrimination against girls and women in vocational education, with a curriculum developed and ready for testing to improve the occupational awareness of young women in grade 7-12.

Further, he noted, "Materials dealing with the history, achievements and current status of women and the issue of sexual equality will be acquired

and made available to school districts."

He also pointed to "increased efficiency" of the Illinois vocational and technical education division.

"While the enrollment has increased many times in approved programs, the total administrative staff of the division actually has been reduced from a staff total of 10 in 1969-70 to 83 in 1974-75," Dr. Cronin said.

Four hurt in auto accident

Wayman Warren, 17, of Brooklyn, was admitted to St. Elizabeth Hospital following an auto accident in the 500 block of Fourth Street, Venice, on Monday.

Teresa McNeil, 17, of 809 Webster St., Madison, a passenger in the Warren car, was treated for a cut to the chin. She was x-rayed and released. James Gilmore, 17, of 1213 Bissell St., Venice, driver of the other car involved, was x-rayed and released along with his brother, a passenger, Glen Gilmore, 18.

Legislators would have led Ford vote campaign in Illinois if asked

President Gerald Ford, had he asked, could have had a ranking Republican leader in the House to lead his Presidential campaign in Illinois.

He reportedly wanted to emphasize congressional leadership in the House to lead his Presidential campaign in Illinois.

But they lacked statewide recognition, so Pres. Ford enlisted former Gov. Richard B. Ogilvie as his Illinois campaign manager.

One Illinois congressman who became well known in the state was Rep. John B. Anderson of Rockford, third-ranking House Republican. He trumped Illinois looking in vain for party support to challenge Sen. Adlai E. Stevenson.

Should Anderson have taken the Ford assignment?

"Sure," said the congressman, pausing in a House corridor the other day, "but they passed me over. I would have taken that chairmanship."

Anderson said he committed himself "very early" to Mr. Ford and he is still "very high on Jerry" despite the apparent slight.

As for the Ogilvie chairmanship, Anderson likes him, but finds "it rather strange to take a man supposedly retired to private practice and give him a hard-charging role."

Rep. Philip M. Crane of Mount Prospect is an Illinois Republican congressman

willing to serve the Presidential ambitions of a man he very much admires—former California Gov. Ronald Reagan.

"I would consider it," Crane said when asked if he would accept the Reagan chairmanship in Illinois. "But inasmuch as I would have my own campaign to run, it is not something I am seeking."

Crane said he believes so fervently in Reagan he is "willing to go the extra mile" in his behalf.

To Crane, it appeared the Ford team "has locked up all the party leaders in Illinois," but he said: "Reagan's support will come from the grassroots, an appeal he has demonstrated."

Bob Michel, the Peorian, was asked if he, Derwinski and Sen. Charles H. Percy had been considered for the Ford chairmanship and he confirmed

that they had, not as individuals but as a triumvirate.

"Any current officeholder would be hard pressed," Michel said. "The chairmanship would detract from our duties here, but we'll give as much time to this as we can."

Michel said some Illinois Republicans "had in mind a distinguished businessman or industrialist for the assignment, but it boiled down to someone who could take charge and run it."

"Ogilvie is an excellent choice," Michel said, insisting that the former governor is in no way a compromise selection. "He's got a whole lot of support throughout the state, and he's got the time to give to it."

Michel said the chairmanship provides Ogilvie an opportunity to remain politically active without sacrificing his "bread and butter" law practice.

Car damaged, 2 arrested

William L. Percy, 21, of 711 Twenty-seventh St., and William M. Krug, 19, of 2810 Nameki Road, were charged with criminal damage to property after police stopped their car in the 2800 block of Nameki Road early this week.

Ricky Singleton, 3000 E. 23rd St., Apt. 3, told police he was driving on Nameki Road and swerved to miss a car with a door open.

Occupants of the car yelled obscenities at him and the car began to follow him, he reported. He said he thought he had lost the car and when he stopped, the car drove behind him and one youth got out, walked to Singleton's auto and broke the windshield with a beer bottle.

A description of the vandals' auto was given to police which led to the arrests.

MODERN MUSIC MASTERS of Granite City High School North have elected new officers. From left, Judy Rash, historian; Karen Stawar, secretary; Greg Schubert, president; Pam Reinhardt, vice-president; and Paul Ashcraft, treasurer. Modern Music Masters is an

honorary society that fosters greater interest in the performance of and in the listening to music of all kinds. All members carry an A average in music and a C average in their other courses. Mrs. Gail Mueller is the faculty sponsor.

Hugh Stuart rites held

Funeral services were conducted at 10 a.m., Wednesday at a Madison funeral home for Hugh "Bubby" Stuart, 47, of 1623 Third St., a lifelong resident of Madison. He died Monday morning at St. Elizabeth Hospital.

He is survived by one son, Billy Stuart; his parents, Mr. and Mrs. Hugh C. Stuart of Madison; three sisters, Miss Dorothy Stuart of Lebanon, Mrs. Frances Cedrick of Madison and Mrs. Ruth Rapoff of Granite City.

Two daughters, Lori and Barbara Stuart, died two years ago.

Burial was in Sunset Hill Cemetery, Edwardsville Township.

Southwest Commission given planning grants

The Illinois Department of Local Government Affairs (DLGA) this week awarded a \$128,000 comprehensive planning assistance grant to the Southwest Illinois Metropolitan and Regional Planning Commission, DLGA Director Frank A. Kirk reports.

The money is part of a federal grant made to the state of Illinois by the U.S. Department of Housing and Urban Development (HUD) for the support of comprehensive planning activities at the state, regional and local levels.

The 12-month funding will permit the planning commission to undertake several activities for its seven-county jurisdiction of Madison, St. Clair, Monroe, Randolph, Bond, Clinton and Washington Counties, Kirk said.

The planning activities include: regional land use planning, a rural needs program, a surface drainage

and flood abatement planning program, a housing planning program, a regional economic development program, providing model codes of basic ordinances to local governments, and instituting a circuit administrator program to assist local governments.

A separate SIMAPC grant of \$20,000 from DLGA for comprehensive planning, also through HUD funding, will permit a 12-month program of providing technical planning help to local-level governments of the seven counties, Kirk said.

CIGARETTES STOLEN
About 60 cartons of cigarettes were stolen during a burglary at the Olympia service station, 20th and Adams streets, early this week. An inventory was being taken this week to determine if anything else was taken. Officials were unable to determine how entry was gained.

Bookmobile funding sought

A plan to raise funds to continue bookmobile service for Stalling and Mitchell schools is being developed by interested parents of children at those schools, it was reported to the Pontoon Beach Village Board at the board's regular meeting last week.

One parent at the meeting told the board that the Lewis and Clark Library District, which formerly served the two schools, had decided to discontinue bookmobile services in this area. Both schools are outside of the Granite City Public Library District.

The woman said that Lewis and Clark offered to continue the bookmobile service, if the two schools would agree to pay a fee for the service of \$150 per school for one school year.

The Granite City Board of Education will not pay for the service, she explained.

Both schools must agree on the plan, since the bookmobile will not come to this area to serve only one school, it was noted.

The woman said she was seeking a sponsor willing to pay the \$300 fee to have the service continued. She said she felt it would be "a good project for the village," to attempt to provide space for a library branch in the village or to provide funds to continue bookmobile visits.

Village Board President Floyd David Moss commented he did not feel village funds could legally be used to serve the school district or to pay for a bookmobile which would be used by children who do not reside in the village, as well as Pontoon Beach children.

He said he had received literature from Lewis and Clark Library which gave the requirements for the village establishing its own branch library.

Moss said the requirements demanded 400 feet of shelving and explained, "There is no room here (in the village hall) large enough for 420 feet of shelving, except possibly the meeting room and we need that for meetings. We don't have the room for 2,000 books. The physical facilities just are not here."

He said if the proper facilities are found, the library district will bring in 2,500 books and will rotate 2,000 of the books each

four months. The facility can not be in a school.

Moss said the board has investigated the cost of the village entering the Granite City Public Library District and was told the cost would be \$1,500. "Which is way out of our budget,"

The woman noted that Stalling School has about 350 students, most from Pontoon Beach, and the school's reading room has only about 40 books.

I think it is a shame that these students do not have access to books."

Moss suggested that she initiate a fund-raising drive in the business community to pay the \$300 cost to have the Lewis and Clark Library serve both schools.

The woman remarked that even the Parent-Teacher Associations declined to back the effort to make books available to the students.

She said she would meet with Mitchell School parents and attempt to establish a group to work toward raising the \$300 needed to continue bookmobile visits to the schools.

In other business, the village board gave authority to Trustee Paul Bennett to search for and purchase a used pickup truck, with the cost not to exceed \$1,300.

Moss said Madison County Civil Defense has pledged that the village may use one of its large trucks, if it agrees to make the truck available to the village in emergency situations.

Several trustees said they did not feel the large truck would be appropriate for many activities of the village's street department and voted in favor of purchasing a pickup truck.

The board agreed to pay a \$115 bill for plumbing repairs at the Granite City Jail, allegedly due to damage caused when a prisoner being held for Pontoon Beach flushed his clothing down a toilet.

Only one bid for a new police car was received and the board voted to reject the bid and seek new bids from several companies. Gaudette noted the bid received, from Bo Beckman Ford, Collinsville, seemed to be in line, but noted, "I think we should have something to compare it with."

The village clerk, Mrs. Mary Warren, was requested to

contact several dealers and request them to bid, in addition to again publishing official bid notifications.

A request that the village investigate purchasing a compact car, which was one of the options sought in the first bid letting, was repeated, but Gaudette said he did not think any bids on a compact car would be received.

"Many companies don't make a police package (of optional equipment) for compacts. Without the police package, the car wouldn't last six months," he predicted.

In other business, the board presented and passed ordinances establishing \$25 annual village license fees for health spas and for businesses

selling equestrian leather goods.

An ordinance which provided for a \$10 license for vending and game machines was amended to set a maximum fee of \$50 per business establishment for such machines.

Moss explained the amendment was suggested by Pontoon Miniature Golf Course, 3820 Pontoon Road, which has 20 vending and game machines.

"He was paying as much for his license as a tavern does, which does not seem logical," Moss stated, explaining the amendment sets a maximum of five licenses at \$10 each, after which all licenses are to be issued free of charge to the same business.

State curfew changed

The 1975 Illinois legislative session produced an amendment to the existing Curfew Law which reduces the age for curfew violation from 18 to 17 years of age.

According to Lieutenant J. Bertagnoli, state police commander for District 11, Maryville, two laws dealing with restrictions placed upon youth being in public places after certain hours were amended.

Lt. Bertagnoli said the state statute, as it is now written, provides that it is unlawful for a person less than 17 years of age to be present at or upon any public assembly, building, place, street or highway at the following times unless accompanied and supervised by a parent, legal guardian or other responsible companion at least 18 years of age approved by a parent or legal guardian, or unless engaged in a business or occupation which the laws of this state authorize a person less than 17 years of age to perform:

1. Between 12:01 a.m. and 6 a.m. Saturday.

2. Between 12:01 a.m. and 6 a.m. Sunday.

3. Between 11 p.m. on Sunday to Thursday, inclusive, and 6 a.m. on the following day.

This law which was originally passed in 1968 holds a parent, legal guardian or other person responsible for knowingly permitting youngsters to violate the law, he said.

Lt. Bertagnoli said, "The other section that was changed involves the drivers license of persons less than 17 years of age. According to this section, drivers licenses issued to persons in violation of the Curfew Law are invalid for the operation of any motor vehicle during that time. Persons under 17, who violate curfew, would also be subject to arrest for no valid drivers license."

After certain hours were amended.

Lt. Bertagnoli said the state statute, as it is now written, provides that it is unlawful for a person less than 17 years of age to be present at or upon any public assembly, building, place, street or highway at the following times unless accompanied and supervised by a parent, legal guardian or other responsible companion at least 18 years of age approved by a parent or legal guardian, or unless engaged in a business or occupation which the laws of this state authorize a person less than 17 years of age to perform:

1. Between 12:01 a.m. and 6 a.m. Saturday.

2. Between 12:01 a.m. and 6 a.m. Sunday.

3. Between 11 p.m. on Sunday to Thursday, inclusive, and 6 a.m. on the following day.

This law which was originally passed in 1968 holds a parent, legal guardian or other person responsible for knowingly permitting youngsters to violate the law, he said.

After certain hours were amended.

Lt. Bertagnoli said the state statute, as it is now written, provides that it is unlawful for a person less than 17 years of age to be present at or upon any public assembly, building, place, street or highway at the following times unless accompanied and supervised by a parent, legal guardian or other responsible companion at least 18 years of age approved by a parent or legal guardian, or unless engaged in a business or occupation which the laws of this state authorize a person less than 17 years of age to perform:

1. Between 12:01 a.m. and 6 a.m. Saturday.

2. Between 12:01 a.m. and 6 a.m. Sunday.

3. Between 11 p.m. on Sunday to Thursday, inclusive, and 6 a.m. on the following day.

This law which was originally passed in 1968 holds a parent, legal guardian or other person responsible for knowingly permitting youngsters to violate the law, he said.

After certain hours were amended.

Lt. Bertagnoli said the state statute, as it is now written, provides that it is unlawful for a person less than 17 years of age to be present at or upon any public assembly, building, place, street or highway at the following times unless accompanied and supervised by a parent, legal guardian or other responsible companion at least 18 years of age approved by a parent or legal guardian, or unless engaged in a business or occupation which the laws of this state authorize a person less than 17 years of age to perform:

EL JARABE TAPATIO (Mexican Hat Dance) is rehearsed by youngsters from the Mexican Honorary Commission's artistic group who will present the dance, first made popular in the State of Jalisco, Mexico, at the Independence Day fiesta at 8 p.m. Saturday at 1801 Spruce St. From left to right are Dave Mendoza, Anita Rojas, Ron Grim and Annette Rojas. Tickets, costing \$3 for adults and \$1.50 for children, may be obtained at the door Saturday night.

Mexican fiesta Saturday

The Mexican Honorary Commission of Granite City will present its Celebración de la Independencia Fiesta at 8 p.m. Saturday at the Mexican Honorary Commission Hall, 1801 Spruce St.

The public is invited to attend the fiesta and tickets, costing \$3 for adults and \$1.50 for children under 12 years, will be available at the door.

Robert Robles, commission president, said this week, "The Mexican people are proud of their independence, their heritage and culture. They have worked at keeping their heritage alive by teaching their young to be proud, taking part in community affairs and by doing what they love to do—dance."

He said this fiesta celebrates Mexico's independence from the Spaniards and the Mexican people are equally as proud of this tradition as the Americans are of the Fourth of July.

"In smaller towns and villages of Mexico the people are very poor, but always they have a dance to celebrate Independence Day," Robles said.

He noted that refurbishing the commission's new headquarters is not yet completed. "But we want to keep our customs alive and our members have worked hard to get things ready for Saturday's fiesta."

Variety entertainment will commence at 8 p.m., with dancing to live music by fiesta patrons from 9 p.m. until 1 a.m. Mexican food dishes will be available, together with set-ups and various beverages.

Ron Rojas will serve as master of ceremonies. Committee chairmen include: Rose Grim, costumes; Betty Rojas, kitchen; Ruby Ybarra, publicity; and Joe Becerra, bar.

The musical program is under the supervision of Lisa Garcia and Don Valencia.

Numbers and the performers, include:

"Jarabe Pateno"—Wesley Grim, Juan Jose Ortiz, Vincent Martinez, Raymond Valencia, Monica Grim, Sarita Garcia, Della Antoff and Julie Mendoza.

CONTINUOUS MOVEMENT of the feet and swirling tiered skirts, characteristic of authentic Mexican folk dances, is especially true in "La Jota," performed here by Dolores Antoff and Wes Grim. The number is one of many to be presented Saturday evening at the commission's hall, 1801 Spruce St. The public is invited to attend.

"La Botella"—Ronnie Rojas and Marian Valencia.
Singers—Rosa Centeno and Carmen Centeno.
"Guadalajara"—Ronnie Grim, Angela Ybarra, Tony Becerra and Kathy Antoff.
"Chacha Cha"—Wesley Grim and Lisa Garcia.
"La Jota"—Della Antoff and Wesley Grim.
"Las Chapinecas"—Lisa Ybarra, Lynn Ybarra and Karen Simpson.
"Las Espuelas"—David Bridick, David Mendoza, Ronnie Rojas, Robbie Robles, Angela Ybarra, Becky Antoff, Marian Valencia and Sherrie Robles.

Santa breakfast planned Dec. 6

"Breakfast with Santa," sponsored annually by Epiphany Elia Chapter and to be held on Dec. 6, was the topic of discussion at the initial fall meeting of the group.

Final arrangements for the breakfast will be announced at a later meeting.

Members met in the home of Miss Rosemarie Kozio, 2556 Boyle Ave. She announced a donation had been given to a needy child in the Quad-City

area in conjunction with the chapter's welfare program.

During a social hour, card games were played and "white elephant" prizes were awarded to the winners.

Those present were Mesdames Mary Ellen Boyer, Martha Burnett, Carol Groves, Carol Kessler, Joyce Jenness, Nancy Sabo and Charlotte Talbot and Miss Glenda Moore. Mrs. Jenness invited the group to meet in her home, 3251 Willow Ave., Oct. 9.

Auxiliary to aid Amvets project

Mrs. Betty Wilkins and Mrs. Charlene Sanders will be in charge of serving food at the Amvets Post 51 series of turkey shoots which starts at noon, Saturday, Sept. 27, on the club house grounds at 5100 Lakeview Drive.

Preparations for the project were initiated last week at a business meeting of the auxiliary. Amvet Commander Adam Petras said the shoots are open to the public and are the sole fund raising function of the organization.

The series will continue for 13 Saturdays, regardless of weather conditions. A canopy area will be available on the club grounds, he pointed out. The auxiliary's business

session was opened with prayer by Chaplain Trudy McGowan and the pledge of allegiance by Margie Smith.

Officers gave reports concerning volunteer hospital work and collections made to aid various charitable drives.

Mrs. Glenda Brockman, membership chairman, introduced a new member, Mrs. Peggy Barr. She also reminded the group that 1976 dues now are payable.

The white elephant award was won by Mrs. Joan Hanson. A buffet-style lunch was served to 12 by Mrs. Brockman and Mrs. Jackie Petras, auxiliary president, who was in charge of the meeting.

Past queens' party planned

Bethel 43, Order of Job's Daughters, has completed plans to honor all past queens from 1928 to 1975 at the next meeting to be held at the Masonic Temple.

Leslie Houser, queen, was in charge of the meeting and announced an initiation ceremony for four new candidates Oct. 28, at which time an inspection by state officers also will take place.

She reported that the annual sausage supper will be held Oct.

29 at the Masonic Temple as a fund-raising project.

Members will participate in Charity Days here Friday and Saturday.

The queen said square dancing lessons have been arranged for all members of Bethel 43 and the DeMolays, held at the Masonic Temple.

Escorted and introduced were past honored queens Kathleen Lane and Kristy Christich, plus the guardian, Mrs. Rebecca Slate, and Dr. Ames Rode, associate guardian.

ADJUSTING JAUNTY BERET on Donna Dempsey, right, is Mrs. Thelma Pyles, manager of Libson Shops, who wears a black and white shirt-jac and solid black pants, complemented with a white scarf. A series of fashion shows is being held at the Washington Theater. Mrs. Dempsey sports a Jacquard design pullover sweater in brown, beige, Oxford grey and white with a brown-beige scarf and beret. (Press-Record Photo)

Judith Voss is betrothed

Announcement is being made of the engagement of Judith Mae Voss, 2328a Iowa St., a daughter of the late Mr. and Mrs. Guy L. Pasley, and Roger Dale Buckingham, a son of Albert Buckingham of Worden and Mrs. Ann Buckingham of Troy.

The bride-elect is a graduate of Granite City High School. Her fiancé was graduated from Collinsville High School and is presently self-employed in remodeling work. He resides in Granite City.

Tentative plans are being completed for a fall wedding.

Beta Nu Chapter reviews projects

Fund-raising projects to be sponsored by the Beta Nu Chapter of Phi Tau Omega Sorority were discussed at a meeting last week in the home of the president, Miss Dorothy Hinson.

Norma Hillmer, chairman for the Charity Days booth, reported all items for sale and display are ready. She gave a schedule of work hours to each member.

A benefit party sponsored by the chapter was reviewed by chairman Peggy Hinson.

Future projects of the group will include a rummage sale on Oct. 3 and 4, and Jeanan Dorsch reported arrangements are completed for a wine and cheese party in October.

Miss Hinson said the social, business and philanthropic plans of the chapter are finalized for the yearbook printing.

Several members agreed to attend the 25th anniversary celebration in November of Sigma Chi Chapter in Moline.

Sally Pasley reported cancelled stamps the chapter has been saving have been forwarded for refunds.

The next business meeting will be held on Oct. 14.

BRIDE-ELECT, Judith Mae Voss, 2328a Iowa St., whose engagement to Roger Dale Buckingham is being announced. A fall wedding is planned. She is a daughter of the late Mr. and Mrs. Guy L. Pasley.

Thorngate club in Charity Days

"Preserving Plant Material for Winter Arrangements" was the subject discussed by members of the Thorngate Garden Club at last week's meeting, hosted by Mrs. Robert Miller, in her home on Rural Route One.

Mrs. Clara Schillinger, president, was in charge and Mrs. Marilyn Deatherage spoke on "Favorite" Summer Flowers.

Roll call was answered by naming a wild flower.

Discussed was participation in the Charity Days event, set Thursday, Friday and Saturday, and members displayed items which will be offered for sale at the fund-raising project. A dessert course was served by the hostess, Mrs. June Lux gave the benediction.

An arrangement of dried flowers in autumn hues centered the dining table. Favors

were individual white ceramic vases filled with dried blooms. Guests attending were Mrs. Jeanette Cross of Salem, Mo., Mrs. Lucille Rhodes, Sun City, Ariz., and Mrs. Nina Marie Kincaid of St. Peters, Mo.

Members present were Miss Jean Bethel, Mesdames Charles Delps, William Kincaid, Thomas King, Caroline Meier, Herbert Polley, Robert Polley and Miss June Markham.

BAPTIST WOMEN'S TEA SET SUNDAY AFTERNOON

The Southern Baptist Women's annual tea will take place from 4 to 6 p.m. on Sunday afternoon at the Venice Recreation Center.

Announcement of the event is being made by the Rev. C. L. Calhoun, pastor of the Southern Missionary Baptist Church, 221 Bissell St.

Plan living centers for developmentally disabled

Gov. Daniel Walker during the weekend signed legislation for a \$15 million state program to construct specialized living centers for treatment and care of the developmentally disabled.

A second bill signed is intended to reduce costs for the use of community facilities by mental patients.

Walker also signed measures to establish a center for treatment and rehabilitation of deaf-blind children.

The specialized living centers will each accommodate between 50 and 100 residents and will offer counseling services, medical care, physical therapy and other programs for the developmentally disabled.

The developmentally disabled include individuals with cerebral palsy, epilepsy or other neurological handicaps. The centers will be specially designed to serve ambulatory young adults.

Specialized living centers were originally proposed in Gov. Walker's Accelerated Building Program. After the building program was defeated, the center proposal was revived by House Speaker William A. Redmond (D-Bensenville).

The Department of Mental Health and Developmental Disabilities will review requests of local-level sponsors who wish to have the living centers built in their communities.

Construction will be financed

with Illinois Capital Development Board bonds.

The centers will be operated by the local-level sponsors under Department of Mental Health regulations.

Gov. Walker also signed House Bill 2075, which appropriates \$15 million in CDB bonds for construction of the centers.

The centers will provide individual care and privacy in a residential atmosphere, and Pat Tsigaloff, historian,

structured according to humanization guidelines of the state mental health department.

Residents will be able to participate in community workshop programs outside the centers to encourage the highest possible level of independent living. It was explained.

One of the main purposes of the living centers is to provide a familiar setting for a developmentally disabled person whose parents have died. The centers will provide a home where neighbors and relatives can visit the developmentally disabled person rather than sending that person to a distant state institution.

Walker signed House Bill 599 which enables parents or other responsible relatives to pay the same basic amount for care of their dependents whether in a community facility or a state institution.

Father, who have spent up to \$630 a month for community care will now be billed on a sliding scale based on their ability to pay. Maximum fee on the scale will be \$100 a month.

The lower fees will encourage use of community facilities by making it no more expensive to place a person in a community institution, the governor said.

He also signed Senate Bill 379 which authorizes the Office of

Education to establish a service center for deaf-blind children. The residential facility will provide medical care for the children and educational and training programs.

Persons over 21 years old will be referred to appropriate medical and vocational rehabilitation services by the center staff. The center will accept any deaf-blind individual under the age of 21.

Walker also signed the following measures to aid mentally ill people:

—Senate Bill 417 requires the Department of Mental Health and Developmental Disabilities to give written notice to the patient or responsible relative at least 15 days before a patient is transferred to another facility or placed in the community. A

hearing process is provided if there is objection to the transfer.

—House Bill 1422 calls for review and comment by community mental health boards on state-supported grant applications within their jurisdiction.

—Senate Bill 438 creates the Commission on Mental Health and Developmental Disabilities. The commission will replace the Illinois Mental Health Planning Board, the Board of Mental Health Commissioners, the Mental Health Fund Advisory Committee and the Commission on Mental Health.

—House Bill 250 provides that discrimination on the basis of mental or physical handicap is an unfair employment practice.

Meeting change defeated

Two attempts to change the time and day of Pontoon Beach Village Board meetings were defeated during the board's regular meeting Friday evening.

The board presently holds regular meetings at 6:30 p.m. on the second and fourth Fridays of the month in the village hall.

The first attempt to change the dates of the meetings was made by Village Board President Floyd David Moss who suggested 6:30 meetings on the first and third Mondays of each month.

Trustee Duane Skinner made the official motion for Moss and Trustee Paul Bennett offered a second with the stipulation that the time be changed to 7 p.m. The motion was amended to 7 p.m. and a vote was taken, the motion being defeated 4 to 3.

Later in the meeting, Skinner made another attempt to change the date of the meetings to Tuesdays, which also was defeated 4 to 3.

Skinner objected to the early Friday evening meetings, saying, "The Village Board is attempting to discourage any public attendance." He said he has received numerous comments from residents of the village, objecting to the 6:30 p.m. Friday meetings.

Trustee Ray Gaudette Jr. disagreed, saying attendance at village board meetings has always been about the same, no matter what night of the week the board meets.

Skinner replied that many persons were unable to attend on Friday nights. "The purpose is not to operate in anonymity," Skinner responded, adding, "To be anonymous is not the idea of holding a public meeting."

Trustee Loren Madison warned Skinner that if he succeeded in changing the meeting night, "I will just come back at the next meeting with three votes (plus Madison's) and change the night back to Friday."

Attorney Paul Guzzardo warned the board that to fluctuate meeting nights would tend to confuse the public and discourage attendance more than the Friday evening meetings.

The vote on the second motion to change the meeting nights was defeated with Gaudette, Madison, Keith Higgs and Don Rea voting against it. Paul Bennett, Skinner and Moss were in favor.

The board accepted the resignation of Horace Calvo as village attorney and named

Guzzardo, who had been assisting Calvo on village matters, as the new village attorney.

Calvo resigned because he has been appointed a Circuit Judge in the Third Judicial Circuit. The board voted to hire

In his resignation, Calvo commented, "I wish to thank the trustees for the opportunity to serve the village."

Purchases discussed by Band Parents

A monthly meeting of Granite City High School South Band parents took place last week, attended by 40 band parents and Terry Weller, band director.

President Cliff Robertson presided.

Officers for the coming year were introduced, including Dr. Leland Holt, vice-president; Ruth Tedesco, recruiting secretary; Frank Juhanz, treasurer; Mary Frantzko, corresponding secretary; and Pat Tsigaloff, historian.

Committees were also named: ways and means, Arnold Boston, chairman, plus Mrs. Jo Stephens and Mrs. Lucy Hursey; uniforms, Mrs. Margaret Fifield and Mrs. Shirley Decourcy; flag uniforms, Mrs. Fran Holt and Mrs. Marly Robertson; and publicity, Mrs. Maryanne Neuberger.

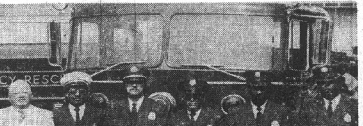

New business included purchase of gloves to become a part of the band uniforms and of new stationery to be used in a sustaining membership drive to begin shortly.

A discussion was held on the possibility of purchasing stereo equipment for band use.

Volunteer sheets were turned in, and those not returning sheets will be urged to do so soon.

Refreshments followed the meeting.

CONVENTION PHOTO OF Venice Fire Department members who will participate in the Illinois Fireman's convention in Collinsville Sept. 26, 27 and 28. Firemen in first row, kneeling from left to right, are Dave Courtois, Jerry Cicio, Philip Daniels, John Wise, Jay Maurer, Ed Gray, Harold Koelker Jr., and Thomas Leonard. Standing, from left, Gary Wallace, Captain

Thomas McCosky, Fire Marshall Charles Burger, Assistant Chief Thomas Scaturro, Chief William Meehan, Mayor William M. Ebersold, Assistant Chief Willie Dumas, Chaplain Thomas McIntosh, Gerald Sugg, Jacob Young and Thomas Brent. Members of the department not in photo are Thomas Britt and Ronald Shaw.

Scottish Rite group to see Bicentennial center

One of the country's top Masonic meetings will be held in Boston today through Sept. 25 as the Supreme Council of Scottish Rite Freemasonry for the Northern Masonic Jurisdiction conducts its 163rd annual session. It is expected that 2,500 3rd Degree Masons and their wives will attend during that period.

The feature will be the conferral of the 33rd degree on 196 Scottish Rite Masons coming from the 13 Northeastern and Midwestern states making up the 32,000-member Northern Jurisdiction, including Granite City Donald G. Adams. The ceremony will take place on Wednesday, Sept. 24, at Boston's John Hancock Hall. The degree is conferred by the Supreme Council because of "outstanding contributions to Freemasonry or significant service to others reflecting credit on the Fraternity." An executive of the Granite City Glass and Fence Co., Adams is the official of the Almad Shrine Temple.

Another highlight of the Boston meeting will be the triennial election of the organization's officers. Sovereign Grand Commander

George A. Newbury of Buffalo, N.Y., will preside at this year's Newbury. He has announced his retirement as head of the Northern Supreme Council, an office he has held since 1965.

A successor as sovereign grand commander and other council officers will be chosen during that period.

Executive and general sessions are scheduled at the Statler Hilton Hotel and John Hancock Hall.

Supreme Council members and representatives of other national Masonic organizations will visit Lexington, Mass., on Monday, Sept. 22, to see the new Scottish Rite Masonic Museum of Our National Heritage and Library.

This new facility, opened April 20, was constructed by Scottish Rite in the Northern Jurisdiction at a cost of \$6 million as a Masonic contribution to the nation's Bicentennial observance.

The meeting will conclude Thursday morning, Sept. 25, with an announcement of the names of those selected to receive the 33rd degree in September 1976 at Milwaukee.

Resolutions agreeing to sponsor by the City of St. Clair County of the first-phase study of a regional secondary sewage treatment plant for parts of St. Clair and Madison counties are scheduled for passage this week.

If approved by the East Side Levee and Sanitary District, the city of East St. Louis and the village of Sauget, the resolutions will clear the way for filing an application for a federal grant to finance the study.

Sponsorship of the study by St. Clair County was suggested in a meeting of officials of communities that would be

served by the plant. The area served would be within the levee district.

No agreement has yet been made as to what agency would sponsor construction and operation of the proposed regional plant and treatment program.

Representatives of the Southwestern Illinois Metropolitan Regional Planning Commission which is spearheading the program said an application for the study grant will be filed immediately after the resolutions are passed.

FOR INFORMATION ABOUT: SYNTHETIC OIL, Call 451-7547

The Pontoon Beach Zoning Board of Appeals will meet Saturday at the sites of zoning requests for public hearings. The Pontoon Beach Zoning Board of Appeals will hold on-site public hearings at two locations in the village Saturday.

The first hearing will be at 10:30 a.m. Saturday at 4197 East Lake Drive where Edward Finnazzi is requesting a special use permit to place a mobile home for the use of his parents.

The second hearing will be at 11:30 a.m. at numbers 7 and 9 Nelson Drive where Ronald Lark and P&E Construction Co. are requesting a variance to erect a garage zone two feet from the property line on lots 25 and 26 of the Park Lane Subdivision No. 1.

Anyone wishing to learn about the black experience in America will have seven courses choose from at Southern Illinois University at Edwardsville this fall.

John Kittrell, assistant professor of English language and literature, said the courses are part of a multi-discipline minor in Black American Studies offered at the local university.

Initiated in the fall of 1974, the BAS minor has attracted diverse areas as history, government, English, nursing and education.

Courses in the Black American Studies minor include: Afro-American literature (GHA 205), Jazz (GHA 338), African Art (ART 468A), The Black Image in American Literature and Essay (ENG 340), Black Literature in American (ENG 342A), Politics in Metropolitan Areas (GOVT 442) and Race and Ethnic Relations (SOC 320).

Afro-American Literature (GHA 205) is a general studies course. Students will read and discuss selected literary texts by major Afro-American authors from Frederick Douglass to the present. The four-quarter-hour course will meet on Monday and Wednesday from 10:30 a.m. until 12:20 p.m.

General studies course. Students will include the development, illustration and performance of American jazz. The four-quarter-hour credit course will meet Tuesday and Thursday from 2:20 until 4:20 p.m.

African Art (ART 468A) includes a study of the major stylistic regions of Sub-Saharan Africa with emphasis on the archaeological record as it relates to the Nok, He and Benin Cultures. The prerequisite is (ART 225) and or consent of the instructor. Classes will meet Monday, Wednesday and Friday from 11:30 a.m. until 12:20 p.m.

The Black Image in American Literature and Essay (ENG 340), four-quarter-hour credit course will meet on Monday and Wednesday from 10:30 a.m. until 12:20 p.m.

Race and Ethnic Relations (SOC 320), four-quarter-hour credit, will explore racial and cultural contacts and conflicts; causes of prejudice; status and participation of law, social, economic and minority problems. The prerequisite is (SOC 301) or consent of the instructor. Classes will meet on Wednesday and Friday from 12:30 until 2:20 p.m.

For additional information on any of the BAS courses or the significant prospective students may contact the English language and literature department at SIUE.

7 courses on black experience Federal grant helped River Fest to successful season

A federally-funded Audience Development Grant helped give this summer's Mississippi River Festival, on the campus of Southern Illinois University at Edwardsville, its most successful season ever.

The \$25,000 grant, from the National Endowment for the Arts, made possible a series of programs designed to help serve the cultural needs of the St. Louis area while increasing attendance at the summer festival.

The primary focus of the grant, explained Festival Concert Manager Vicky Holt, "was to make it possible for us to reach people who have not had the opportunity to attend the Festival and give them that chance."

Others who took advantage of the opportunity offered by the grant included a special services group for retarded persons from Granite City, a group of orphans from the Christian Family Children's Home in north St. Louis, a group from the Magdala Foundation (a half-way home for ex-convicts), and many others.

"The special services group came for the Mac Davis concert," said Mrs. Holt. "And they had a great time. We roped off a section of lawn seating for the group. They really enjoyed the concert."

Other arrangements were made for other groups with

special needs, and that, according to Mrs. Holt, "is really what the grant was all about. We made it easy for those groups to attend the Festival. We showed them that we have the facilities to handle groups with special needs and that they are important reasons that many of the groups returned for more Festival after attending once under the grant."

"We were very happy with the overall response," said Mrs. Holt. "And we plan to expand the program next summer."

Other aspects of the Festival's Audience Development Program include the expansion of an already strong volunteer program, more and better communication with the St. Louis Metropolitan area about the Festival, and a continuing of the program to help students combine educational work with a summer job by working at the Festival site during the summer season.

"Our volunteer program," said Mrs. Holt, "should be even stronger next season. Mrs. Marcel Saghir is chairman of a group that already numbers about 200 Missouri and Illinois volunteers. As that group expands, it will be able to do even more for the Festival."

Communication work has already taken Mrs. Holt and other MRP representatives to about 50 service organizations in the St. Louis area to talk about what the River Festival is, how it works, and what it does for the cultural growth of St. Louis.

The educational aspects of the Festival, especially for the student workers, is demonstrated by the fact that 95 percent of the backstage student workers for the recent Festival season were majors in the performing arts.

SIUE workshop for nursing personnel

The process of aging will be the topic for continuing education classes at Southern Illinois University at Edwardsville for nurses aides, other nursing home personnel and anyone involved in the care of older people. The workshop Sept. 23, 30 and Oct. 7 will be sponsored by the SIUE School of Nursing.

Missouri will meet in the Missouri Room of the University Center from 6:30 until 7:30 each evening. Registration will be \$5 for the total workshop.

The objective of the workshop is to share practical suggestions in the care of older persons, to explore the possibilities of reality orientation, and to discuss the importance of attitudes.

Additional information may be obtained by contacting Ina Ingwerson, director of continuing education in the SIUE School of Nursing.

CIRCUIT OF ILLINOIS
MADISON COUNTY, ILLINOIS**
EDWARDSVILLE, ILLINOIS
GARY JONES AND SON VS
JONES, Plaintiff,

vs.
CHI MI CHO AND
CHONG AE CHO AND
ALL WHOM IT MAY CONCERN,
Defendants

No. 75-430
PUBLICATION
ADOPTION NOTICE

The requisite affidavit for publication having been filed, notice is hereby given to you and each of you ALL WHOM IT MAY CONCERN and to whom it may concern, that on the 25th day of August A.D. 1975, GARY JONES and SON VS JONES filed a petition in the office of the Clerk of the Circuit Court of Madison County, Illinois for the adoption of a child named CHI MI CHO that summons was duly issued, returnable according to law, and that said petition is still pending.

Now unless you, CHONG AE CHO the said Defendant, file your answer, or otherwise make your appearance in said cause, held in the Court House in the City of Edwardsville, County of Madison, Illinois, on or before October 6, A.D. 1975, default may be entered against you at any time thereafter and a decree of adoption entered in accordance with the prayer of said petition.

No. 39 34 9 11 18

BIDS WANTED
The County of Madison, State of Illinois will receive sealed bids until 10:30 A.M. D.S.T., on September 30th, 1975 at the office of the Superintendent of Highways, 201 Hillsboro Avenue, Edwardsville, Illinois, on the following described property:

The one and one-half story seven room frame house located on a tract of land in the Southeast Quarter of Section 9, Township 3 North, Range 9 West of the Third Principal Meridian, being formerly 3230 Maryville Road Granite City, Illinois.

The house and oil furnace only shall be sold.
The house may be inspected Monday thru Friday between the hours of 9:00 A.M. to 3:00 P.M. by appointment only, call Edwardsville 692-4540.

The buyer will have until February 15, 1976 to remove the house from the premises.
A deposit of 10 per cent of the Bid Price shall be submitted with the bid and will be forfeited in case the bidder does not complete the purchase. If the purchase is completed, the 10 per cent deposit shall be applied to the purchase price.

The County of Madison reserves the right to reject any and all bids.

**IN THE CIRCUIT COURT
FOR THE THIRD JUDICIAL
CIRCUIT OF ILLINOIS
MADISON COUNTY, ILLINOIS**
DAVID R. SWOPE, Plaintiff,

vs.
MARY L. SWOPE, Defendant,
No. 75-1368

PUBLICATION NOTICE
Please take notice that an affidavit has been filed by the Plaintiff, DAVID R. SWOPE, showing that the Defendant, MARY L. SWOPE, upon diligent search and inquiry, cannot be located within the State of Illinois; and that her last known address was 7720 Cole Street, Apt. D, Chicago, Illinois, so that process cannot be served upon the Defendant, having been filed in the Office of the Clerk of the Circuit Court.

Notice is therefore hereby given to said Defendant that the Plaintiff in the above entitled cause has filed his Complaint for Divorce in said cause on the 25th day of Aug., A.D., 1975, and that said action is now pending and undetermined in said Court. And that you, the said Defendant, must file your appearance in said action on or before the 6th day of October, A.D., 1975, and in the event that you fail to do so, a default may be entered against you.

vs.
Allan Dale Williams, et al., Defendants,
CIVIL ACTION
NO. P CIV 75 0033

NOTICE OF JUDICIAL SALE

Public Notice is hereby given that in pursuance of a decree entered in the above entitled court in said cause on June 30, 1975, I, CARL H. SLAYBACK, United States Marshal for the Southern District of Illinois, will on October 22, 1975 at 2:00 o'clock P.M. in the lobby of the Court House located in the City of Edwardsville, State of Illinois, sell to the highest and best bidder for cash all and singular the following described premises and real estate in said decree mentioned, situated in the County of Madison, in the State of Illinois, or so much thereof as shall be sufficient to satisfy said decree.

Said sale shall be subject to 1974 general taxes and to any special assessments or special taxes levied against said real estate.

Upon the sale being made the purchaser or purchasers will receive a Certificate of Purchase which will specify the property purchased, the amount paid therefor, and the time when a deed shall issue for the property.

Said property is described as follows: Lot No. 108 in Wilson Park Estates Fourth Addition as the same appears on the Plat thereof recorded in the Recorder's Office of Madison County, Illinois in Plat Book 46 on page 92; commonly known as 324 Wilson Park Lane, Granite City, Illinois. DATED this 14th day of August, A.D. 1975.

NOTICE TO BIDDERS
Sealed proposals will be received by the Bi-State Development Agency of the Missouri-Illinois Metropolitan District, Transit Division, for the purposes of obtaining Agency's requirements of Permanent Type Anti-Freeze.

Each bid shall be made in accordance with certain specifications, as outlined in Bid Number 693 furnished for that purpose. The specifications and bid forms may be obtained at the office of the Agency's Deputy Purchasing Agent, 3969 Park Avenue, St. Louis, Missouri 63110.

The Bi-State Development Agency, hereby notifies all bidders that in regard to any contract entered into pursuant to this invitation to bid, advertisement or solicitation, minority business enterprises will be afforded full opportunity

to submit bids and/or proposals in response, and will not be subjected to discrimination on the basis of race, color, sex or natural origin in consideration for an award.

Sealed proposals will be received at the General Office of Bi-State Development Agency, Transit Division, 3969 Park Avenue, St. Louis, Missouri 63110, until September 26, 1975 at 10:00 A.M., C.D.S.T. at which time and place they will be opened in public. Any bid received after the time referred to will not be considered and will be returned to the bidder unopened.

Agency reserves the right to accept any bid or to reject any or all bids, on such basis as purchaser deems it to be in the best interest to do so.

No. 21 34 9 18

NOTICE
Public Notice is hereby given that on September 5, A.D. 1975, a certificate was filed in the Office of the County Clerk of Madison County, Illinois, setting forth the names and post office addresses of all of the persons owning, conducting and transacting the business known as GRANITE CITY JANITOR SERVICE, located at 2813 Willow, Granite City, Illinois. Dated this 5th day of September, A.D. 1975.

Evelyn M. Bowles
County Clerk
No. 56 34 9 11 18 25

ANNUAL REGISTRATION PUBLICATION

Article 9.02 of the Rules and Regulations to Govern the Administration and Operation of Special Education requires that each local school district is responsible for conducting an annual registration of all three-year-old exceptional children and other exceptional children not previously registered.

Anyone having, or knowing, of an exceptional (handicapped) child ages 3 to 21, in Granite City District No. 3, or in a public school program, should inform or register the child with their neighborhood school, or the Region I Special Education District, 2801 Madison Avenue, Granite City, Illinois. Telephone: 678-4900.

Norman Hall, Secretary
Region I Special Education District - Madison County
No. 17 34 9 18

Rites held for Mrs. Fisher, 74

Funeral services were held at 1:30 p.m. Wednesday at a Mount Vernon funeral home for Mrs. Mabel Fisher, 74, Mount Vernon, mother of Mrs. Ruby Morgan of Granite City. Mrs. Fisher died at 5:45 a.m. Monday in Jefferson Memorial Hospital, Mount Vernon. Burial was in Old Shiloh Cemetery at Mount Vernon.

She also leaves two sons, another daughter, one brother and one sister.

School board to meet Sept. 25

The regular monthly meeting of the Madison Board of Education scheduled for tonight has been postponed until next Thursday Sept. 25.

Beginning at 7:30 p.m. there will be a public hearing on the budget, followed by a regular business session.

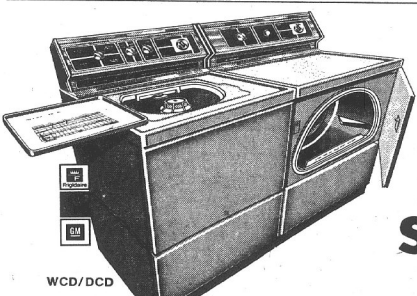

Study in London

Fred McColgan, a part-owner of the Razor's Edge Barber Shop, 2880 Iowa St., is leaving Saturday for London, England, where he is to undergo a two-week training session on European hair styles, taught by a leading hair stylist. Classes are to be conducted 11 hours per day, six days per week. McColgan reported.

It's the best time ever to buy Frigidaire!

FRIGIDAIRE DISCOUNT DAYS

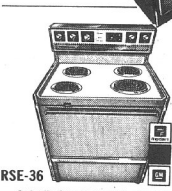

We're out to make it easier than ever to add the quality and convenience of Frigidaire to your life for less... With special discounts on some of Frigidaire's most-popular appliances!

Big Double Discount on this Laundry Pair

Get full 18-lb. capacity and tender care for all of your fabrics from this Frigidaire Heavy Duty Washer and Flaming Heat Dryer. Both offer cycles or settings for special fabrics like Knits. For durability, the Washer features many of the same rugged components found in Frigidaire Commercial Washers. It even helps you save energy with an Intuitive Water Level Selector that lets you match the water level to the load and save hot water and the energy it takes to heat it.

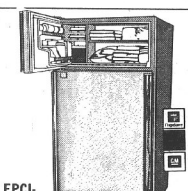

SAVE \$25 ON BOTH PIECES

SELF-CLEANING OVEN

Forget the drudgery of oven cleaning forever thanks to the Electric-clean oven of this Frigidaire 30" Range. Just lock the oven door, set the controls, and the oven begins cleaning itself automatically, electrically, leaving just a trace of ash to wipe away. This model also offers the convenience of an automatic Cook-Master control and Easy-View surface unit controls.

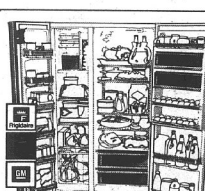

DISCOUNT PRICED!
SAVE \$15

17 CU. FT. FROSTPROOF

You'll find 17.0 cu. ft. of well organized space inside this 100% Frost-Proof Frigidaire refrigerator, including a 4.75 cu. ft. freezer section. It helps you keep plenty of fresh fruits and vegetables on hand with twin Vegetable Hydrators and, puts ready-to-cook meat at your fingertips with a spacious Meat Tender.

DISCOUNT PRICED!
SAVE \$20

Get 100% Frost-Proof convenience and save with the discount on this big, side-by-side Frigidaire Refrigerator-Freezer.

There's a well-organized storage space on both sides of this big, 20.3-cu.ft. 100% Frost-Proof Frigidaire Side-by-Side Refrigerator-Freezer. Inside the spacious 7.04-cu.-ft. freezer compartment, you'll find 4 full-width shelves, a sliding basket for meats and other large items plus deep door storage.
